AUSTRALIA DAY EVENTS

Australia Day is a day to reflect on our past, accept the truth of our history, respect that we all have a contribution to make to the Story of Australia and celebrate being part of a diverse and multicultural nation.

This year Council will be holding several key events in the lead up to Australia Day on 26 January, with City of Ryde's Australia Day Ambassador – legendary singer Kamahl – attending all. Kamahl will be a household name for many as he is known for his great talent and philanthropy.

I look forward to announcing the winners of the City of Ryde Citizen of the Year tomorrow and to welcome in 85 new citizens at a special citizenship ceremony on 26 January.

A Backyard BBQ event will also be held on 26 January at Meadowbank Park for the whole community, from 4.00pm-9.00pm.

This will feature a barbecue (with free sausages for the first 1,500 people), food trucks, kids activities and live entertainment including kids shows from Hoot and Hootabelle and Bananas in Pyjamas. There will also be free sports activities for the family. Plus, don't miss the fireworks display at 9.00pm!

The event received grant funding by the Australia Day Council, which has provided funding to councils and community organisations to host over 400 events around the nation to reflect, respect and celebrate on Australia Day 2023.

POTHOLE FUNDING ANNOUNCED

Help is on the way for our roads damaged by the adverse weather events of 2022. The NSW Government recently announced it will be providing \$500 million in funding to help repair flood-damaged roads across the State.

With 320 kilometres of road network extending across the City of Ryde, this is a welcome announcement. While Council staff have been working tirelessly and proactively to fix our roads, this funding provides a boost to potentially help us do more and, in some cases, sooner.

I look forward to receiving more detailed information from the NSW Government on the allocation of funding. In the meantime I encourage our residents to continue to report any potholes so that Council has all the information we need to respond as quickly as possible.

Residents can report potholes and other issues online at www.ryde.nsw.gov.au/report, call our Customer Service Centre on (02) 9952 8222 or visit us in person at 1 Pope Street, Ryde.

LATEST DESIGNS RELEASED FOR RYDE HOSPITAL REDEVELOPMENT

Last week the NSW Government unveiled the latest designs for the Ryde Hospital redevelopment. This will include a new and expanded emergency department and intensive care unit, new theatres, new purpose-built ambulatory care centre, new paediatric short stay unit and expanded medical imaging. It will also feature improved landscaping, urban spaces and car parking.

Main construction works are expected to begin in late 2023.

The new Ryde Hospital will provide a welcome boost to healthcare services in our City and I look forward to seeing the project progress.

Sincerely,

Sarkis Yedelian
