JAPANESE CONSUL-GENERAL VISIT

It was an absolute pleasure for me and Council's Executive Leadership Team to recently meet with the Japanese Consul-General, Mr Tokuda Shuichi.

It was enlightening to learn of his hands-on approach to his role and the many and varied visits and briefings he has already undertaken during his tenure.

Our great nations have much in common, and we value and respect our important ties across arts, culture, education, trade, and investment.

City of Ryde is proud of the fact that we have over 20 companies from Japan conducting business within our local government area, and we hope that this number will continue to increase in coming years and beyond.

HOME SUSTAINABILITY ASSESSMENT

If you're looking for ways to save money on your utility bills during our current cost of living crisis, City of Ryde is here to help with a great initiative.

A Council Home Sustainability officer will be available at Ryde Library on Thursday 27 April between 11.00am and 2.00pm, providing free home efficiency and energy saving tips that will improve the comfort of your home and reduce the cost of your utility bills.

Bring a copy of a recent energy and water bill and fill in a home survey on the day for a 20-minute face-to-face discussion about your home and the best ways to save. You can meet with the advisor at any time during the session.

Bookings preferred but not essential.

ARMENIAN GENOCIDE MEMORIAL

I am honoured to be presiding over this year's Armenian Genocide Memorial Service, which will be held on Saturday 29 April at Memorial Park, Meadowbank, from 2.30pm.

For myself and the other 12,000 people in Ryde with Armenian heritage, remembering the estimated 1.5 million Armenians killed or displaced from their Turkish homeland between 1915-1918 in one of the 20th Century's first genocides is a solemn and moving occasion.

In 2005, the City of Ryde officially recognised the Armenian Genocide with a memorial plaque and more recently a new Khachkar (Cross Stone) made of volcanic rock and imported from Armenia has been erected.

Sincerely,

Sarkis Yedelian

Join us for a special event as we help raise money for the Cancer Council of Australia in this Biggest Musical Morning Tea. Enjoy a cuppa and a bite to eat alongside a performance from the talented members of 'The Guitar Shed'. 'The Guitar Shed' was born from the idea of gathering together retired and semi-retired folk with a love of music who wanted to play with others.

Its members are at all levels of musical experience but they share a desire to perform the music of their generation, make friends, have fun and spread joy.

Time: 10.30 - 11.30am

Where: Ryde Library
