MATILDAS MANIA

One of the biggest international sporting events of 2023 is heading to Australia in July and City of Ryde is getting right behind our mighty Matildas as they strive for glory in the FIFA Women's World Cup.

We're operating live sites for all the Matildas matches and local football fans are encouraged to gather at Meadowbank Park on Thursday 20 July and then at Eastwood Plaza on Thursday 27 July and Monday 31 July as our team plays the group stage of the tournament.

I met with some players and officials from West Ryde Rovers FC at Meadowbank Park for the above photo and it was clear the excitement about the tournament from fans of all generations is already running high.

There's nothing better than sharing an experience like this with your family, friends, and neighbours at a great communal gathering – let's show the Matildas that Ryde football fans are the best in the land!

REFUGEE WEEK

The City of Ryde prides itself on being a warm and welcoming place for new residents from all parts of the world – and that includes a significant number of refugees who have fled war, tyranny, or poverty in search of a better life.

We proudly declared ourselves a Refugee Welcome Zone 10 years ago, and so the theme of this year's

Refugee Week – Finding Freedom – is very appropriate for many of our residents.

There are a number of great Refugee Week events happening throughout the LGA between 20 June and 28 June offering practical information and help to those who've recently settled here.

NEW EASTWOOD TRAFFIC LIGHTS

City of Ryde has taken another significant step to reduce traffic congestion and increase pedestrian safety in Eastwood with the installation of new traffic lights at the formerly unsignalised pedestrian crossing on The Avenue, at the intersection of Rowe Street.

The traffic lights were officially turned on at the start of June 2023 after a four-stage construction process that began in February 2023.

We want more people to visit Eastwood and improving traffic congestion and pedestrian safety is a great way to encourage them.

We're fully committed to investing in making positive changes to our town centres and infrastructure like this is a sign of that commitment.

Sincerely,

Sarkis Yedelian
