

MATILDAS MANIA

Excitement is building for tonight's Ashes of football – the World Cup semi-final between Australia's mighty Matildas and the English Lionesses – and I'm pleased to say Top Ryde City shopping centre will host a live site for the game.

The action kicks off from 8.00pm but make sure you're early to get a prime position in front of the outdoors mega screen on the Piazza level and to grab some dinner at some of the great selection of eateries on site.

Not only that, but we'll also be back at Top Ryde City shopping centre on the weekend for the match to decide third place on Saturday night and the final on Sunday night.

Go the Matildas!

NETBALL SKILLS

The Matildas aren't the only national team raising the profile of their sport, with the Diamonds - Australia's all-conquering women's netball team - recently achieving World Cup glory in South Africa.

It was the 12th World Cup victory for this remarkable team and it's sure to spike interest from young players about this skilful and highly competitive sport.

Luckily, there is a perfect opportunity for interested new participants on Thursday 17 and Thursday 24 August with Come & Try Netball sessions for 5-9-year-olds being held from 4.00 - 6.00pm at Meadowbank Park Netball Courts.

It's a great introduction to another game that Australia does best!

SCIENCE WEEK

National Science Week is underway until 20 August and City of Ryde is joining in the fun with some terrific and informative events.

Tonight at Ryde Library from 6.30 - 7.30pm there promises to be a fascinating discussion involving Macquarie University academics Associate Professor Abhaya Nayak and Dr Adnan Mahmood about Artificial Intelligence and how it can merge with the Internet of Things to build applications for use in our daily lives.

And on Thursday 17 August from 6.30 - 7.30pm Ryde Library will host a discussion featuring Dr Mark Williams who will talk about his new book *The Connected Species* and how the evolution of the human brain can save the world.

For more details visit www.ryde.nsw.gov.au/scienceweek
