

MAYOR'S COMMUNITY MESSAGE

Congratulations SWAP winners

It was a great night at Meadowbank's See Street Gallery last week to celebrate the opening night of the City of Ryde Sustainable Waste to Art Prize (SWAP) Exhibition.

This is a unique competition in which local artists are asked to produce artworks made from repurposed material or that have a sustainable theme, with more than 200 entries received for this year's competition.

The talent and creativity of our local artists really is evident when you see the works on display at the exhibit with some amazing creations made from nothing more than used buttons, tea bags or even noxious weeds.

I would encourage everyone to get down to See Street Gallery between now and 4 October and see firsthand this terrific exhibition. The exhibition is open Tuesday to Saturday between 11.00am and 4.00pm.

'Ryde's Barangaroo' a sign of things to come

Since I became Mayor of the City of Ryde, it has been a promise of mine to increase funding towards open space, passive recreation and place making.

An example of this is the new seawall at Morrison Bay Park in Putney. Described as 'Ryde's Barangaroo' the eye-catching

seawall enhances the local foreshore area, and is complemented by a new shared-path for pedestrians and cyclists along the waterfront.

This new facility will benefit young and old for generations and is just a sign of things to come.

Rovers celebrate milestone

Congratulations to the Rover section of Scouts Australia which this month marks its 100th anniversary.

Rovers are a vital and active part of scouting, undertaking an array of activities that contribute to their personal development, as well as being committed to giving service to the community. This includes the City of Ryde, which has its own Rover crew based at Brush Park in Eastwood.
