Great cricket tradition lives on

Congratulations to the North Ryde RSL Cricket Club after they reclaimed the 'Ashes' against old foe Norton Oakes Cricket Club at ELS Hall Park.

The rivalry between the two clubs dates back to 1985 after Norton Oakes travelled from the UK to play North Ryde. Since the 1985 tour, North Ryde made a return visit in 1986 with subsequent tours taking place in 1991, 1996, 2001, 2006, 2011 and 2016.

I think it is terrific that both clubs have been able to continue such a great tradition, allowing players from both clubs to travel across the world and sample life and cricket in each respective community. May well it continue.

Transforming Eastwood

There is certainly a lot going on in Eastwood at the moment. Just last week a development application was lodged by the City of Ryde for the new Rowe Street East shopper car park.

The new multi-storey shopper car park will be located at 53-71 Rowe Street, have a minimum of 150 spaces and – in a first for a City of Ryde-owned facility – will

feature charging stations for electric vehicles.

At the same time, consultation is taking place on a proposal to relocate the Glen Street car park to the nearby Shaftsbury Road Precinct and then transforming the current site of the Glen Street car park into a public outdoor area.

More information on how the City of Ryde is transforming Eastwood can be found at www.ryde.nsw.gov.au/TransformingEastwood.

Mayor's Morning Tea this Saturday

I hope you can all join me this Saturday at Eastwood's Forrester Park for the latest Mayor's Morning Tea, in which I get the chance to meet with the community and discuss the issues impacting them.

There will be a coffee van for the adults as well as fun activities for kids including face painting and a jumping castle.

See you all there from 10.30am.

Sincerely,

Jerome Laxale

HAVE YOUR SAY

Blenheim Park Masterplan

The City of Ryde is seeking input to create a Masterplan for Blenheim Park. We would like to hear how you use Blenheim Park and how the park can be improved, managed and maintained now and into the future.

Located in North Ryde, the park currently includes a playground, walking and cycling paths, a fenced dog off-leash area, amenities building, picnic and BBQ facilities, a radio control car track and a car park.

Want to find out more?

You can have your say on the Blenheim Park Masterplan online or face-to-face at one of the events below.
