Help us shape the West Ryde Town Centre Masterplan

The City of Ryde has commenced work on a new West Ryde Town Centre Masterplan which will help rejuvenate the town centre and maximise the area's potential for residents and businesses.

To assist with the development of the West Ryde Town Centre Masterplan, we are currently seeking input from the community to help further understand the key issues and opportunities within the town centre.

Feedback can be provided via an interactive map – in which participants are invited to identify their favourite places in the West Ryde town centre – or via a short picture-based survey. Survey responses will be received up until Friday 22 January 2021.

This masterplan is going to be a crucial document that will help shape the future outlook for West Ryde town centre, so I would encourage everyone to take part in the community consultation underway and be a part of West Ryde's rejuvenation.

January School Holiday Program

School holidays are here and I am delighted to confirm that the City of Ryde has a wonderful School Holiday Program taking place in January.

The program includes a Summer Reading Club in which kids taking part can record their reading minutes online to go in the draw to win a selection of fantastic children's book packages worth \$50.

There is also the Banjo on a Bookshelf competition in which entrants will go in the draw to win an Apple iPad 7 Generation 128GB or family passes to the Ryde Aquatic Leisure Centre.

Celebrate 150 years of the City of Ryde

In November 2020, the City of Ryde celebrated the 150th anniversary of its formation as a council - which is also known as a sesquicentenary.

To mark this momentous occasion, the City of Ryde has created an online exhibition of 150 photos and objects that provides an informative and engaging look back at the City of Ryde's rich history.

Explore a time when Ryde was known for its market gardens, orchards and poultry farms; when children made billy carts from old fruit boxes and when Council developed an innovative post-World War II housing scheme. You can also witness the City of Ryde's growth as a community since the Council was first formed in November 1870.

Merry Christmas and Happy New Year

As this is my final message for 2020, I would like to take the opportunity to wish everyone a Happy Christmas and a safe and prosperous new year.

2020 was obviously a very challenging year for many, but with the strong community response we have been able to navigate through these challenges and now enter 2021 in a strong position.

I would like to thank my fellow councillors, General Manager George Dedes and his Executive Team, as well as Council staff for all their assistance throughout the year.

Sincerely,

Clr Jerome Laxale
Mayor
