

City of Ryde Mayor, Cllr Jerome Laxale, Member for Bennelong, John Alexander OAM MP, and Cllr Jordan Lane at the soon to be upgraded, Eastwood Park playground.

Council to upgrade two playgrounds

The City of Ryde will upgrade and refresh two playgrounds at Janet Park and Eastwood Park which will be partly funded with the assistance of two Federal Government grants.

One \$100,000 grant will allow for the playground upgrade at Janet Park in West Ryde to be brought forward a year. Once completed, the Janet Park playground will feature modern play equipment such as a slide, climbing net, an all-accessibility birds-nest swing and a seating area.

The additional \$40,000 grant will result in improvements being undertaken at the Eastwood Park playground.

I would like to thank Member for Bennelong, John Alexander OAM MP, and the Federal Government for supporting these projects and helping ensure they can be delivered in a timely manner.

Stop work order lifted on Ryde Civic Centre

In a big win for the community, a stop work order on the Ryde Civic Centre was lifted by the NSW Government last week.

The decision has allowed work to start on Council's \$110 million project to build a new world-class community and civic hub on the Ryde Civic Centre site.

I would like to thank the NSW Government for working with me and putting the interests of the community ahead of the interests of property developers.

Never again should heritage be weaponised by property developers like this. Never again should property developers be able to dictate what facilities our community deserve.

Council will now redouble our efforts

to build a modern, state-of-the-art facility which will deliver a four-fold increase in community facilities.

This will be delivered with the overwhelming support of the community and without the introduction of any residential development on the site. Council will retain 100% ownership of the site and the project will be funded without raising rates or reducing services.

There is also a West Ryde Easter Singing competition with prizes to be won in two categories: 14 years and under 15 years and over.

Due to the current NSW Public Health Orders, tickets for the Kids Easter Concert must be pre-purchased at a cost of \$5 per person (plus booking fee) which includes a kids show bag on arrival.
