

### Free tree giveaway

It was great to be at The Habitat Community Nursery last week to assist Council staff in giving away free trees to City of Ryde residents.

The free tree giveaway was part of our commitment to increase tree canopy by 40 per cent by 2030.

Urban trees are important for our local environment. From improving air quality, to reducing heat and to provide a home for our local fauna, the benefits are priceless.

### Sustainability Festival this Sunday

A reminder for everyone to be at Wilga Park between 10.00am and 2.00pm this Sunday (6 June) for the City of Ryde's Sustainability Festival.

There will be a variety of activities taking place to teach people how they can help our environment. There will also be live music, a jumping castle, face painting, games, prize packs, food trucks and a scout-run barbecue.

Public transport is recommended as parking is limited. Wilga Park is a short walk from the Macquarie University Metro Station or the Macquarie Centre Bus stop.

### Get vaccinated

With Melbourne enduring another lockdown I would encourage every resident in the City of Ryde to get vaccinated against COVID-19 as soon as you can.

While the vaccine rollout has been far from ideal, whole cities and states should not have to go into lockdown because some people choose to not get vaccinated or wait for another brand of vaccine.

Vaccination is the only way out of this pandemic and everyone has a role to play. You can check your eligibility for a COVID-19 vaccine and where you can receive it on the Federal Health Department website ([www.health.gov.au](http://www.health.gov.au)) and the NSW Health website ([www.health.nsw.gov.au](http://www.health.nsw.gov.au)).

Sincerely,

**Cllr Jerome Laxale**  
Mayor
