## Library2U

With all five of our library branches closed due to the lockdown, I am pleased to announce that Council has made the decision to resume the Library2U service.

Available to all library members, Library2U delivers books directly to your door via a contactless service. You can reserve up to 10 items from our catalogue, with all items loaned to you for three weeks.

For more information visit [www.ryde.nsw.gov.au/Library2U](http://www.ryde.nsw.gov.au/Library2U)

## Financial support during COVID-19

Council has unanimously supported my Mayoral Minute for a report to be prepared outlining measures that can be implemented to support small businesses in the City of Ryde that have been adversely impacted by the current Greater Sydney lockdown. The report will look at the possibility of introducing small business fee and rent waivers (similar to those previously provided by Council) as well as fee refunds for sporting and community groups who are unable to use grounds and facilities during this current lockdown.

This report is part of this Council's ongoing commitment to provide support to members of the community and local businesses who require it during the COVID-19 pandemic.

## Switching on sportsfield lights

To help everyone in the community stay active and safe during lockdown,

Council will switch on the lights at popular sporting fields during weeknights throughout the City of Ryde.

This decision will provide the community with more access to open space, while also reducing the number of people using the parks during daylight hours.

For more information including a list of the fields that will have lights in operation on weeknights, visit [www.ryde.nsw.gov.au/lights](http://www.ryde.nsw.gov.au/lights)

## Get vaccinated

The latest COVID-19 outbreak in NSW once again highlights how important it is for every resident in the City of Ryde to get their COVID-19 vaccination when they are eligible. You can check your eligibility for a COVID-19 vaccine and where you can receive it on the Federal Health Department website ([www.health.gov.au](http://www.health.gov.au)) and the NSW Health website ([www.health.nsw.gov.au](http://www.health.nsw.gov.au)). If you have any concerns, please discuss with your GP.

Sincerely,

Clr Jerome Laxale  
Mayor
