

## Get vaccinated

The latest COVID-19 outbreak in NSW once again highlights how important it is for every resident in the City of Ryde to get their COVID-19 vaccination when they are eligible.

You can check your eligibility for a COVID-19 vaccine and where you can receive it on the Federal Health Department website ([www.health.gov.au](http://www.health.gov.au)) and the NSW Health website ([www.health.nsw.gov.au](http://www.health.nsw.gov.au)). If you have any concerns, please discuss with your GP.

## Rate relief to be re-visited

I hope everyone is staying safe during this extended lockdown for Greater Sydney.

While it is a challenging period for all of us, I can assure you Council is doing everything to provide support to members of the community. This includes once again providing financial assistance to those who need it most. This week I announced that Council will once again seek to provide rate relief to those in the community who have been adversely impacted by the current Greater Sydney lockdown. Options being considered include a rate rebate for those who qualify for financial hardship as well as Council

not charging interest or commencing debt recovery on overdue rates. The latest support measures from Council will be included in a report being prepared this month that outlines support that the City of Ryde will provide local small businesses as well as sporting and community groups that have been adversely impacted by the current Greater Sydney lockdown.

## Council service update

While we live in lockdown, some essential Council services are still available.

Our Customer Service Call Centre remains open. Members of the public can contact Council by calling 9952 8222 during business hours.

They can also email [cityofryde@ryde.nsw.gov.au](mailto:cityofryde@ryde.nsw.gov.au) or report issues online at [www.ryde.nsw.gov.au/report](http://www.ryde.nsw.gov.au/report)

In addition, our Library2U service is back up and running, allowing library members to have up to 10 items delivered directly to their door as a contactless service.

The Home Library Service is also available for those aged over 60 years who are living independently, while I would also encourage all members to check out the extensive resources found in our online library.

For more information about Council operations during the current stay-at-home-orders visit [www.ryde.nsw.gov.au/covid19](http://www.ryde.nsw.gov.au/covid19)

Sincerely,

Clr Jerome Laxale  
Mayor

## EXPRESSION OF INTEREST

The Habitat Community Garden

### COMMUNITY VEGETABLE GARDEN IN PUTNEY

Expressions of Interest are sought from the community for interested parties to establish and maintain a Community Vegetable Garden at an appropriate agreed site in Putney.

Community gardening is identified as a valuable recreational activity which contributes to the health and well-being of the community and provides a range of environmental, social and educational benefits. Community gardens are established and self-managed by gardening groups and other partnering organisations.

The City of Ryde will support groups establishing a Community Garden by helping with identification of land, horticultural advice and liaison services. Experience has shown that the most successful Community Gardens are where the community or group has ownership of the project, making their own decisions on budgets, planning and the nature of the garden.

All applicants must read the Community Gardens Policy, procedure and guidelines which outlines the process for establishing a community garden group, conducting a site assessment of potential sites. A Development Application must also be submitted.

To submit your expression of interest and to read the documents mentioned above, visit [www.ryde.nsw.gov.au/communitygardens](http://www.ryde.nsw.gov.au/communitygardens).

Expressions of interest close on **Friday 13 August, 2021**.
