Celebrating **150** years OF THE City of Ryde

2020 online Citizenship ceremonies

Council to stage group online citizenship ceremonies

Hundreds of residents in the City of Ryde will become Australian citizens during lockdown after Council received permission to stage online citizenship ceremonies with multiple attendees.

Council will stage three ceremonies on 6 August, which will enable 72 residents to become citizens. This will be followed by an additional six ceremonies on 13 August, which will mean a further 288 residents will become citizens.

As the son of migrants, my parents always told me how special a moment it was on the day they became Australian citizens, so I am delighted that we will be able to stage these online ceremonies and see hundreds of local residents receive their Australian citizenship.

COVID-19 support package endorsed by Council

The City of Ryde has endorsed a new COVID-19 support package that will assist residents, businesses, sporting clubs and community groups that are adversely impacted by the ongoing Greater Sydney lockdown.

The support package includes a one-off \$400 rate rebate for eligible ratepayers who receive a Commonwealth COVID-19 Disaster Payment, Small and Medium Business Support Payment or a Federal/State Grant for Micro Businesses.

In addition, eligible pensioners will receive a \$50 one-off rate supplement and no interest will be charged on overdue rates until the end of the year.

More than 30 fees for small businesses and library members will be also waived and refunds issued to customers impacted by the current restrictions.

Council also endorsed the development of a new promotional campaign to promote the City of Ryde's town centres and support small businesses once lockdown measures have ended.

It is part of Council's ongoing commitment to provide support to those who need it during this pandemic.

Get vaccinated

This extended lockdown in Greater Sydney once again highlights how important it is for every resident in the City of Ryde to get their COVID-19 vaccination.

You can check where you can receive your COVID-19 vaccine via the Federal Health Department website (www.health.gov.au) and the NSW Health website (www.health.nsw.gov.au). If you have any concerns, please discuss with your doctor.

Sincerely,

Clr Jerome Laxale
Mayor
