Celebrating **150** years OF THE City of Ryde

Donation for food hampers

Many people in the City of Ryde are doing it extremely tough at the moment as a result of the current Greater Sydney lockdown.

To help these people in need, Council will donate a total of \$40,000 to The Salvation Army Ryde, Foodbank NSW & ACT, Christian Community Aid and Tzu Chi Australia.

The money has been donated to each of the charities for the express purpose of providing emergency food hampers to the people in the City of Ryde who require such assistance.

It is part of Council's ongoing commitment to provide support to the community during this pandemic.

Have your say on Council's COVID-19 support package

Council has endorsed a new COVID-19 support package that revives our one-off \$400 rate rebate for those who are eligible for the Federal COVID Disaster Payment or those receiving any State based support.

In addition, eligible pensioners will receive a \$50 one-off rate supplement and no interest will be charged on overdue rates until the end of the year.

This support package, which was so successful during last year's lockdown, is now out for public exhibition until 26 August and I would encourage everyone to have their say on this important initiative.

If there are no significant objections, the General Manager will implement the support measures.

You can view the public exhibition at www.ryde.nsw.gov.au/haveyoursay/CovidSupport
Get vaccinated

This extended lockdown in Greater Sydney once again highlights how important it is for every resident in the City of Ryde to get their COVID-19 vaccination.

Statistics provided by the Federal Government show that vaccination rates for the City of Ryde are above the national average. While this is great news, there is still a long way to go to get to 80% vaccination coverage, which is the rate we need to help ensure lockdowns become a thing of the past.

You can check where you can receive your COVID-19 vaccine via the Federal Health Department website (www.health.gov.au) and the NSW Health website (www.health.nsw.gov.au). If you have any concerns, please discuss with your doctor.

Sincerely,

Clr Jerome Laxale
