THE CITY OF RYDE IS HERE TO SUPPORT YOU THROUGH THE COVID-19 PANDEMIC

Find out about the COVID-19 support package at www.ryde.nsw.gov.au/CovidSupport

City of Ryde Mayor, Cllr Jerome Laxale and Cllr Penny Pedersen at Putney Park beach steps

Putney Park beach steps

The City of Ryde continues to activate the Parramatta River foreshore area with work now complete on the Putney Park beach steps.

These beautiful sandstone steps open up this picturesque part of the river for the whole community to enjoy, continuing Council's efforts to make Parramatta River more accessible.

In addition, the completion of this important project means we are also one step (excuse the pun) closer to reaching our goal of making the Parramatta River swimmable by 2025, with Putney Park earmarked as one of three potential future swimming sites. Please note that while the stairs and beach area is open to the public, swimming in Parramatta River is currently not allowed while testing is carried out.

Upcoming events

Around this time of year we would usually be gearing up for the Granny Smith Festival, but unfortunately the ongoing lockdown has resulted in a change of plans.

Instead, starting from next week the City of Ryde will be staging a range of fun and free online workshops for kids as well as online music events that the whole family can enjoy.

For the kids we have Virtual Cooking Classes, a Magic Show and Workshop as well as a Mighty Juggling Workshop hosted by juggling master Cedric Irving.

Then later in October, we will be staging two Friday Night Jukebox events, which will see local musicians perform some of the best-known songs from both Australia and across the globe.

For more information about each of these events visit

www.ryde.nsw.gov.au/events

Ryde joins campaign opposing NSW Government cash grab

The City of Ryde has joined with 22 other councils to call on the NSW Government to withdraw its planning contributions reform bill.

This is a bill, that if passed, would mean the cost of new infrastructure would be paid by ratepayers, instead of developers.

NSW councils currently tax property developers to fund local infrastructure for our growing communities. This money contributes to everything that makes our city liveable, from roads and drains to sports fields, playgrounds, pools and libraries.

However, the changes being proposed by the NSW Government will divert a large proportion of these developer contributions away from councils and into a Treasury-controlled fund, with no clear accountability or transparency of how it will be spent.

And to make things worse, to make up the shortfall, the Government want us to raise rates, which is completely unacceptable.

Please visit

www.saveourcommunities.com and take action by writing to your local MP to support withdrawing the bill.

Sincerely,

Cllr Jerome Laxale
Mayor
