Heatly Reserve upgrade

An upgrade to the popular Heatly Reserve in East Ryde has been completed by the City of Ryde and is now open to the public.

The upgrade introduces a range of new features and improvements to Heatly Reserve that are designed to support greater inclusion, social connectivity and create a sense of community.

All the features in the upgrade were based on extensive consultation with local residents and business owners. This includes sandstone terrace seating, a new turf area, relocated picnic tables with fixed chess boards, new trees and a drinking fountain with dog bowl.

In addition, new accessible play equipment will soon be introduced to the Heatly Reserve playground. A plaque commemorating East Ryde newsagent, Ernest William Heatly, will also be installed.

Disability Inclusion Action Plan

The City of Ryde is asking for the community's input as it updates its Disability Inclusion Action Plan (DIAP).

The DIAP is a commitment from Council that people with disability are welcomed, accepted and respected in our community. This plan identifies actions which Council can undertake to assist people with disability to participate more in community life.

You can get involved in the DIAP consultation through a number of ways including written submissions, an online survey, one on one conversations and Meeting in a Box Toolkits.

Consultation closes on 15 November 2021.

The 2021 Council elections will take place on Saturday 4 December 2021.

Voting is compulsory for people enrolled in the City of Ryde local government area.
