## Definitions

1. An 'actual' conflict of interests is a direct conflict between a panellist's duties and responsibilities and their private interests or other duties.
2. A 'potential' conflict of interests is a private interest or other duty that could conflict with a panellist's duties as a panel member in the future.
3. A 'reasonably perceived' conflict of interests is where a person could reasonably perceive that a panellist's private interests or other duties are likely to improperly influence the performance of their duties as a panel member, whether or not this is in fact the case.
