# Making your business accessible

# Doorbell for Assistance

# Personal Shopper

# De-Clutter

# Fluoro Tape

White or bright yellow objects or print against a black background usually provide the strongest colour contrast.

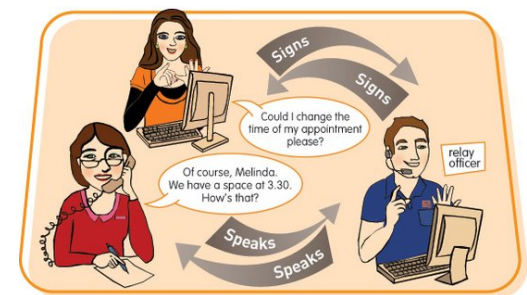

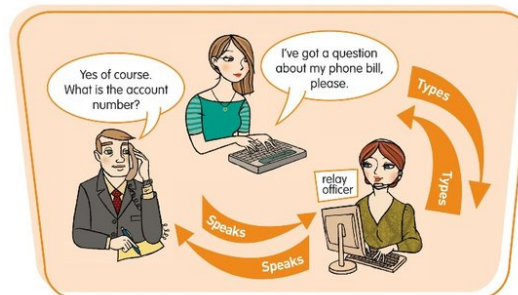

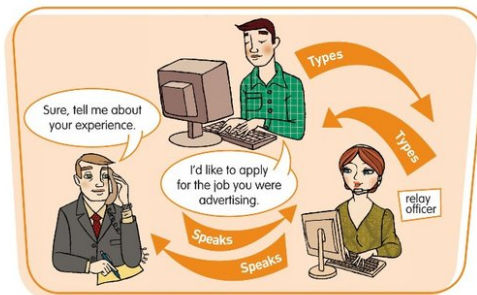

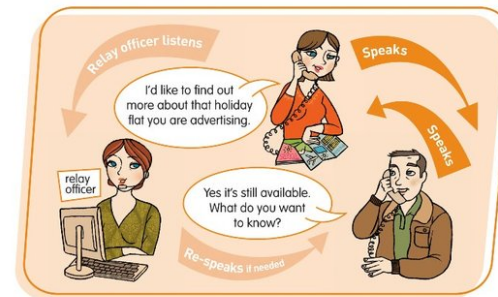

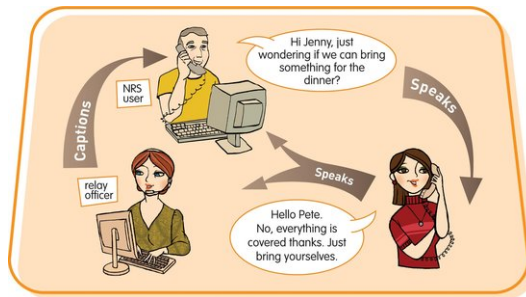

# Staff and Menus

# National Relay Service

# Closed Captioning

When you make a change to your business that makes it accessible, make sure to tell people about it!

- Accessible bathroom
- Accessible menus
- Ramp
- Trained staff
- Closed Captioned TV's
- National Relay Service
- Closed Captioned TV's

Located just ten minutes away from central Sydney, Peter's is only a short trip from Central station or the airport.

If you're catching public transport, look for the 393, 395 or 391 at Central – or catch the red M10 bus from Railway Square or Town Hall Station. Any of these buses will stop just across the road from our store.

Or, if you're driving, the Eastern Distributor makes finding Peter's of Kensington easy. Just take the Randwick exit onto Anzac Parade and follow the signs to Kensington.

**We're the big, pink building on your right hand side - you can't miss us!**

There is a small car park underneath the store. If you require access for a wheelchair, call us on (02) 9662 1099 before you arrive, and we'll reserve a space for you. Our store is equipped with lifts, so you'll have no worries getting around. *We'll help you with everything* – we'll keep your shopping downstairs at the front counter until you're ready to go. Then, if you like, our staff will assist you to your car with your purchases.
