**MOTION:**

That the General Manager bring back a report to Council outlining the changes that can be made and possible funding sources to:-

- (a) Build a hand railing at Ross Street steps, Gladesville to Ryde Riverwalk, making access safer for the elderly and disabled on the steps.
- (b) Make the Ryde Riverwalk more accessible for wheelchairs, walkers and prams.
- (c) Provide appropriate ramp access to the sand, for the disabled at Putney Park (made from sector recommended materials and to required specifications for wheelchairs) that is separate to the current sandstone steps and separate to the proposed kayak/dragon boat/sports ramp.
