

MM15/25 PASSING OF MICHAEL (MICK) SMITH - Mayor Trenton Brown**File Number:** CLM/25/1/1/8 - BP25/427

It is with great sadness that I move this Mayoral Minute to advise of the passing of a staff member and colleague, Michael (Mick) Smith, who died overnight on Tuesday, 20 May 2025, following a serious illness.

Mick was a valued Plant Operator within Council's Civil Infrastructure team. He joined Council in June 2015 and was highly regarded not only by his immediate team, but also across the broader Operations and City Infrastructure section and throughout the organisation.

Mick was 56 years old. He was a high-performing staff member, achieving an "Exceeds Expectations" rating at his most recent performance review. He was widely recognised as highly skilled in his field, a respected and dependable colleague who was always willing to share his knowledge and experience to help achieve positive outcomes for the team and the community.

Mick will be sadly missed and on behalf of Council, offer our condolences to Mick's family, friends and work colleagues.

RECOMMENDATION:

- (a) That Council note the passing of Michael (Mick) Smith.
- (b) That a minute's silence be observed as a mark of respect.
