Introduction: Mayor's Message

The business plan and budget detailed in this document form the roadmap that the City of Ryde will take over the next four years, to provide the services, programs, infrastructure maintenance schedules and projects which the community has requested.

The One Year Budget (2014/15) is the first year financial support of the Four Year Delivery Plan (2014-18) that details how our City will function and prosper.

Combined with a stronger commitment to stakeholder engagement, the Delivery Plan and Budget all work to meet the expectations of our diverse community as we move towards achieving a sustainable future as set out in our Strategic Community Plan.

The City of Ryde's reputation as a highly desirable place in which to live, work, play and invest, continues to grow and is highlighted by the following key points:

- For residents our pleasant neighbourhoods, parks, playgrounds and sports facilities offer superior amenity.
- Our busy town centres provide outstanding retail, dining and business opportunities.
- Macquarie Park business precinct, is a powerhouse of employment and economic growth, outperforming expectations and is positioned to become NSW's second largest economy (and Australia's ninth) in the next four to five years.

The job of Council is to look at the big picture, to consider the views of the whole community and to make well-informed, fair decisions.

Over the past twelve months, the Councillors and the Administration have undertaken a vigorous approach to preparing this document to increase transparency and to present the City's services and programs in a clear and understandable format. This approach incorporates sustainability, citizen and stakeholder engagement, improved internal systems, increased productivity and a responsible approach to maintaining our financial position while keeping rates and charges at a consistently reasonable level.

If we are to preserve the future integrity and independence of Ryde, and survive into the future, we have to demonstrate that we are financially responsible and fit to lead our community. In this regard, we undertook a very thorough consultation with ratepayers outlining in detail why we believe it is necessary to secure extra revenue through a special rate variation. The feedback we received from nearly 60 percent of respondents shows that rate payers not only understand Council's financial difficulties in overcoming current funding restrictions, but also support Council's program for a progressive, inclusive future for Ryde. This information is included in this document for your appraisal and feedback.

The actions detailed in this document show that we are committed to delivering high-quality services, maintaining our financial integrity, being open to innovation and working with the community to ensure that we are fit for the future.

I am pleased to present the City of Ryde Four Year Delivery Plan (2014 - 2018) and the One Year Budget (2014/15) and welcome your feedback.

Clr Bill Pickering
Mayor - City of Ryde

Our City

The City of Ryde has a rich history with the traditional Aboriginal owners of the land being the Wallumedegal clan of the Dharug people.

Our city is located in Sydney's north-western suburbs 12 kilometres from the Sydney CBD. Set in scenic surrounds between the Parramatta and Lane Cover River, we are connected to other parts of metropolitan Sydney via major road systems, rail, bus and ferry services and bounded by neighbouring councils.

The City of Ryde neighbours Hornsby Shire and the Ku-ring-gai council area in the north, Willoughby City, the Lane Cove River and the Hunters Hill Municipality in the east and Parramatta City in the west. Our city includes 16 suburbs; Chatswood West (part), Denistone, Denistone East, Denistone West, East Ryde, Eastwood (part), Gladesville (part), Macquarie Park, Marsfield, Meadowbank, Melrose Park (part), North Ryde, Putney, Ryde, Tennyson Point and West Ryde.

We encompass a total land area of about 40 square kilometres, including waterways and parklands, within this sits the Macquarie Park Corridor, our specialist centre Macquarie Park, four town centres and 29 neighbourhood centres, Macquarie University, Ryde and Meadowbank Colleges of TAFE, which enrol 13,000 students each year, over 33,000 businesses, five public libraries, 24 primary schools, five high schools and five hospitals.

Global, national and metropolitan trends and issues present both opportunities and challenges in the way that communities, such as the City of Ryde, are planned and supported. The City of Ryde is an integrated and integral major centre of Sydney and faces the same challenges as detailed in the Sydney 2036 Metropolitan Plan. Our city is part of an ever changing dynamic global market, and our economic development, particularly the Macquarie Park Corridor, contributes significantly to New South Wales' Global Economic Corridor.

Our Vision

Our vision will respond to and deliver on the aspirations of our community.

City of Ryde:

The place to be for lifestyle and opportunity @ your doorstep.

Message from the Acting General Manager

The re-exhibition of this document for public comment was brought about by a resolution of Council to consider applying for a special 7% Rate Variation to the Independent Pricing and Regulatory Tribunal (IPART), the government body that controls annual rate increases. This decision was based on feedback from the community that they supported Council's proposition to overcome a long-term funding shortfall that has resulted in an ever increasing infrastructure maintenance backlog. How this additional income would be utilised to resource key components of the Delivery Plan is outlined on in our Outcome and Program sections from page 17 onwards.

The Delivery Plan is one of Council's most important publications as it details to our community our major activities, services and projects planned to be delivered over the next four years, including our budget for the coming 12 months.

The Operational Plan for 2014/2015 provides a detailed budget and directly addresses the strategic imperatives of Council through the identification of projects, programs and activities that Council will undertake next financial year.

One of Council's strategic objectives is to work towards the achievement of the long term financial sustainability of the City of Ryde. Last year TCorp (NSW Treasury Corporation) prepared an independent report about the short and long term financial viability of all local Councils. This report identified The City of Ryde's TCorp Financial Sustainability Rating as 'Sound' meaning we have an adequate capacity to meet our financial commitments in the short, medium and long term. However, our TCorp Outlook Rating was 'Negative' meaning there is the potential for deterioration in our capacity to meet financial commitments into the future.

Consequently, Council has worked tirelessly over the last 12 months in improving its operational result by reducing costs and understanding the requirements and condition of its existing infrastructure. As part of this process there have been budget reductions across Council, which are reflected in this Delivery Plan.

Whilst these reductions will assist Council in reducing its operating result (deficit), it will not enable Council to change its forecast in its Long Term Financial Plan of projected Operating Result Deficits (before capital). Council is considering its options in how to improve its long term financial position, that includes the important consideration of Council initiating consultation with its community about all options going forward, in order to secure our City's long term financial sustainability. In this process, Council will need to increase its revenue, if it is to continue delivering quality services, infrastructure and programs to our City.

Whilst we are focussing on increasing financial efficiencies and identifying opportunities for further savings and increasing revenue, it does not detract our organisation from delivering critical services and infrastructure to our community.

I am therefore pleased to highlight the following focus areas for 2014/15 that are detailed in our budget;

Centres and Neighbourhoods Program:

Five major projects will be undertaken in Macquarie Park with the majority of the funding coming from the Macquarie Park Special Levy. It is also anticipated that there will be a Town Centre renewal undertaken in 2014/15 with funding from Section 94 developer contributions.

Community and Cultural Program:

We will continue our ongoing commitment to funding our Community Garden and Nursery. Community Gardens create partnerships with local residents and encourage more people to lead healthy and active lives locally, instilling a strong sense of neighbourhood identity and environmental awareness. Also funding for 'Ryde Remembers' to mark the Centenary of ANZAC and Commemoration of World War 1, will give all locals the opportunity to reflect, remember and honour the service and sacrifice of Australian local heroes.

Customer and Community Services Program:

We will continue to upgrade our web content management system to improve our website performance, accessibility and provide a better user experience for this key communication tool between the Council and the community.

Council also recently approved a new Communications and Engagement Strategy which outlines a range of significant initiatives to assist Council in continuing to strive for excellence in how we communicate and engage with our community.

Economic Development Program:

Council believes strongly in providing support for local businesses and jobs and continues to implement a number of initiatives that are driven through Council's Economic Development Plan. These include an Online Directory, Website, Business Newsletter, Business Awards, Business Surveys, Employment Programs and Small Business Development Programs. Council is currently revising the five year Economic Development Plan (now in its fourth year) to further refine our strategic focus for businesses.

Foreshore Program:

Council continues to provide funding to repair and prevent erosion of the riverbanks and damage to our local foreshore infrastructure.

Land Use Planning Program:

Council has initiated a partnership between Macquarie Park enterprises to support businesses in Macquarie Park and North Ryde, called the Transport Management Association for Macquarie Park and North Ryde. This pilot association is jointly funded by the State Government, the business community and City of Ryde in order to support transport and access related issues for business in both the Macquarie Park and North Ryde area.

Library Network Program:

Council has continued its support and funding for Library services for the City of Ryde community. Council also supports the Hunters Hill community through the City of Ryde's Joint Library Agreement with Hunters Hill Council. Key priorities include new books and extending out catalogue of digital resources.

Open Space Sport and Recreation Program:

Over the next four years, \$12million will be spent on open space, sport and recreation facilities for our key projects that include the renewal and upgrade of sportsfields, the installation of a new synthetic surface at ELS Hall Park, ongoing playground construction and renewal and the implementation of the 'Active in Ryde' program.

Road, Paths & Cycleways Programs:

Council will continue to invest in the renewal and expansion of our Roads, Paths and Cycleways programs over the next four years. One of our key challenges is to increase the ongoing funding for Council's existing Infrastructure Renewal Works which will support the essential upkeep of this vital infrastructure.

Risk Management Program:

The City of Ryde has been proactive in having in place a strong and rigorous Governance framework across

the organisation. However, as a result of the recent ICAC inquiry, Council has endorsed further work to be undertaken to enhance its corruption prevention system in 2014/15 along with the automation of the procurement process and introduction of electronic incident reporting for WH&S.

These programs represent a brief snapshot of the key highlights of our Delivery Plan and Operational Plan for the next 12 months and beyond. Our program is targeted to deliver what you, our community, have told us in your feedback.

It is a privilege to present our Delivery Plan for 2014-2018 to our community for comment and I encourage and invite you to provide your comments on our Plan. Our Council, Councillors and Staff are fully committed to deliver high quality outcomes for our City, supported by excellence in our customer service delivery.

We look forward to your feedback.

Dominic Johnson

Acting General Manager - City of Ryde

Community Strategic Plan

Our Community Strategic Plan is our long term strategy for our whole community. It aims to ensure that the City of Ryde lives up to the aspirations of our community, while meeting the challenges of the future. In doing so, our city will be recognised by residents and investors as the place to be, where lifestyle and opportunities are available close to where people live, work and play.

The strategic plan is our community's plan and collates and articulates the hopes and concerns of our people, and brings these sentiments together into seven key outcomes for our city. These outcomes summarise the aspirations of our community, and are supported with goals and strategies to show how together we, in partnership with others, plan to meet them.

As we progress on this journey we will continue to engage with stakeholders and key partners to ensure a holistic approach is delivered over time across the not for profit, government, business and private sectors.

Our community has clearly said that they wish to maintain many aspects of the lifestyle that the City of Ryde offers

them. The strategic plan endeavours to get the balance right between the challenges of growth, change and opportunity, while maintaining our lifestyle. It encourages us all to optimise the benefits of living in the City of Ryde, including our enviable location, our green outdoor spaces and our varied local neighbourhoods, as we aspire to create a welcoming sense of place for all.

Our plan will also optimise the dynamic growth of the Macquarie Park Corridor, our town centres, our educational establishments and our retail developments, such as Top Ryde, to provide employment opportunities at our doorstep, and reduce the distance we need to travel to work.

Our approach will foster and encourage a more efficient organisation, with new approaches to community engagement, greater participation in local governance and community life. It also promotes sustainable living, communities that support each other and celebrate cultural diversity, and optimise opportunities to share the benefits of a strong local economy with the needs of our residents, investors, students and workers.

Outcome Framework

How our suite of documents will work together to deliver our vision and mission.

Outcome: A City Of Liveable Neighbourhoods	Outcome: A City Of Wellbeing	Outcome: A City Of Prosperity	Outcome: A City Of Environmental Sensitivity	Outcome: A City Of Connections	Outcome: A City Of Harmony And Culture	Outcome: A City Of Progressive Leadership
A range of well-planned clean and safe neighbourhoods, and public spaces, designed with a strong sense of identity and place.	A healthy and safe community, with all supported throughout their life by services, facilities and people.	Creating urban centres which champion business, innovation and technology to stimulate economic growth and local jobs.	Working together as a community to protect and enhance our natural and built environments for the future.	Access and connection to, from and within the City of Ryde. Providing safe, reliable and affordable public and private travel, transport and communication infrastructure.	A welcoming and diverse community, celebrating our similarities and differences, in a vibrant city of culture and learning.	A well led and managed city, supported by ethical organisations which deliver projects and services to the community by listening, advocating and responding to their needs.

Our community is able to learn and grow through a wealth of art, culture and lifelong learning opportunities.	Our residents trust their Council, feel well informed, heard, valued and involved in the future of their city.

Related Plans

Our planning is also affected by regional considerations and wider state, national and global influences.

The NSW State Government released its Northern Sydney Regional Action Plan (NS RAP) on 21 December 2012. The Plan outlines the Government's infrastructure delivery and reform priorities for Northern Sydney and aligns with the Government's 10 year plan, 'NSW 2021'.

The Northern Sydney Regional Action Plan relates to the Northern Sydney Regional Organisation of Councils (NSROC), which includes City of Ryde. We work with relevant departments and agencies of the state and federal governments and neighbouring councils, on our overlapping responsibilities. Within NSROC we deal with common issues, such as planning, environment, transport and sustainability.

Identified below are projects and issues which have specific interest for City of Ryde:

- Develop option for rapid transit connection between Parramatta and Epping or Macquarie Park (NS RAP priority 1)
- Complete the M2 widening and access ramps into Macquarie Park (NS RAP priority 1)
- Identify and coordinate interchange upgrades e.g. Herring Road (NS RAP priority 1)
- Investigate the feasibility of redeveloping the Ivanhoe Place Estate in Macquarie Park (NS RAP priority 2)
- Implement Crime Prevention Strategies e.g. City of Ryde Crime Prevention Plan (NS RAP priority 3)
- Finalise planning controls for Macquarie Park Corridor (NS RAP priority 5)

The National Disability Strategy (NDS) is a ten year national plan (2010-2020) for improving the life experiences of Australians with disability, their families and carers.

It seeks to foster an inclusive society that enables people with disability to fulfil their potential as equal citizens. It was endorsed by the Council of Australian Governments in February 2011.

The NDS focuses on six policy areas that require a whole-of-government, whole-of-life approach to disability planning and service delivery. The six policy areas are:

1. Inclusive and accessible communities
2. Rights protection, justice and legislation
3. Economic security
4. Personal and community support
5. Learning and skills
6. Health and wellbeing

The NSW plan focuses on improving access to mainstream services so people with disability can enjoy equal rights and opportunities including access to education, entertainment, health, recreation, transport and housing.

On 8 October 2013, Council endorsed the recommendations, resourcing framework and timeframe as outlined in the National Disability Strategy Implementation Plan report to implement the prioritised key actions required for Council in implementing the NSW National Disability Strategy NSW Implementation Plan 2012-2014.

Identified below are recommendations for Council:

1. Development of the 4 year Delivery Plan 2014-2018 and Operational Plan 2014/15 - project related to NDS can be included in the plans for the next four years.
2. Council's community buildings and amenities are increasingly and progressively more accessible and meet the required standards.

3. Council's sportsgrounds and amenities are increasingly and progressively more accessible and meet the required standards in order to encourage people with disability to participate in mainstream sports events.

4. Council's services and corporate responsibilities are progressively more inclusive.

5. Council's community events are accessible and promoted as assessable.

6. Ensure web-based sports directory, community information directory and events calendar are up to date and accessible for people with disability.

7. Deliver home modification and maintenance services to people with disability in partnership with Housing NSW.

8. Connect and facilitate participation of artists with disability into the mainstream arts sector activities.

9. Develop a three year strategic plan for "Active in Ryde" program which includes implementation of disability specific "Active in Ryde" program by 2016.

10. Accessibility for people in wheelchair could be a scope within the Civic Centre renewal and upgrade project.

11. Ensure Council identifies suitable work and establishes itself as an employer for people with disability in the long term workforce plan.

12. Establish links with local disability employment agencies to:

- Increase the organisations' knowledge about requirements to accommodate people with disability in Council's workforce and build Council's capacity to develop strategies to improve employment outcomes for people with a disability.

- To give priority to workforce strategies relating to increasing the workforce participation by people with disability in Council's workforce plan.

Financial Futures

Councillors and Council staff have been working together extensively over the past 12 months reviewing the financial future of the City of Ryde and have been taken through a number of workshops relating to addressing Council's long term financial position.

This process has involved careful and detailed consideration of Council's services and assets, identifying cost savings where possible.

Like many other Council's across NSW, securing the City of Ryde's long term financial position, The City of Ryde has had to consider the possibility of a rates increase. Council has balanced its budget for many years, however the rates revenue is not adequate to keep pace with the increased cost of maintaining and renewing its assets such as buildings, libraries, parks, sportsgrounds and open areas or our infrastructure such as roads, footpaths, cycleways, seawalls and drainage, to a satisfactory standard.

Realised Efficiencies

In line with a proposed increase, Council has also worked extensively over the last 18 months to secure \$2.5 million worth of efficiencies both savings and additional revenue across the business. It is anticipated that a further \$0.5 million will be realised over the next 12 months.

These efficiencies are highlighted in the table above.

Reduction in Expenses	\$m
Salaries and Wages	1.500
Other Expenses	0.447
Subtotal	1.947
Additional Revenue	\$m
Advertising Sign Income	0.400
Increase of 5% in general fees and charges 2015/2016	0.120
Increase in rent / community licences	0.060
Subtotal	0.580
Total	\$2.527

The options that have been presented to the community in consideration of a proposed Special Rate Variation (SRV) are;

Option A :DECLINE IN SERVICES

Approximate 3% rate peg increase

Option A would be no additional rate increase for the next 4 years, commencing 2015/16 other than the estimated rate peg increase of 3% each year. This would mean no additional investment in local infrastructure or facilities and would therefore lead to a reduction in service levels and possible cuts in services.

OPTION B :MAINTAIN SERVICES

Approximate 7% increase (including rate peg)

Option B would be an average annual 7% rate increase for the next 4 years, commencing 2015/16 (including the rate

peg increase of around 3%) to maintain services at their current level, and provide additional money for renewing the City's infrastructure. It would be sufficient to undertake the required maintenance needed, and to renew all assets that are rated as 'Condition 5' and some assets that are in 'Condition 4.'

OPTION C :UPGRADE SERVICES

Approximate 12% increase (including rate peg)

Option C would be an average annual 12% rate increase for the next 4 years, commencing 2015/16 (including the rate peg increase of around 3%) to maintain services at their current level and provide further money for renewing the City's infrastructure. It would be sufficient to undertake the required maintenance needed, and to renew all assets that are rated as 'Condition 5' and most assets that are in 'Condition 4'.

Community consultation

Prior to making any decision about whether Council should apply for an increase, an extensive community engagement program was undertaken to ensure that all community members were made aware of the options Council was considering, the reasons why the proposal is necessary for consideration and to ensure that all community members have a variety of ways to provide their feedback. The 8 week consultation strategy included:

- 12 page information brochure posted directly to over 30,000 residential rate payers.

Financial Futures

- Soft copies of the brochure emailed to over 200 real estate agents for distribution to non-residential rate payer (which totals approximately 5,000 properties)
- The brochure was also translated into the City's top five languages
- A dedicated website was developed that included an online Q&A portal for people to submit any questions about the information they'd received
- A specific 'hotline' that people would be put through to should they call council with any queries.
- 3 town hall community meetings, where the proposed SRV options were presented and workshopped with the community.
- 16 information booths around the LGA during the 8 week period, including railway stations, ferry stops, libraries, shopping centres and sporting fields.
- Community members were encouraged to provide their feedback and were given a broad range of options to provide this, including:
 - Returning a reply paid postcard
 - Online voting through the dedicated portal
 - Contacting customer service to register votes over the phone
 - Voting at the workshops or information booths

A telephone survey was also undertaken of 655 residents to seek additional feedback from the community.

Community Feedback:

Council was extremely pleased that over 2,400 community members provided their feedback on this important issue. The votes registered online, via post and also through the telephone survey were considered and with the following results:

Option A: Supporting no increase at all in the rates over and above the rate peg 42.3% community support

Option B: Supporting either a 7% or 12% increase, inclusive of the rate peg 57.7% community support

The IPART application

After considering the efficiency savings and the community feedback, Council resolved on 11th November 2014 to advise IPART of its intention to apply for a 7% increase (including the rate peg) SRV for four years.

The intent is for the increase to address the works detailed in the table on the right over the next four years.

The cost of these works can be seen listed out further in the document, under each program that they exist, however this is a summary of the costs.

Next Steps

Council has notified IPART of its intention to apply for an increase next year. The final application is due in February 2015 and Council will be made aware of the outcome of the application by June next year.

Council is placing this revised Delivery Plan on exhibition for public comment and will be reporting the results of the public exhibition and community feedback to councils' meeting on the 10th February 2015.

If Council is successful in achieving this increase, the increase will apply from 1 July 2015.

Council feels confident that the minimal increase will have a very positive impact on Council ability to maintain and sustain its financial future.

7% increase (including the rate peg)	
Roads	Resurface 130 street blocks Reconstruct 32 street blocks Reconstruct 1.5km of bus routes Patch approximately 16,000km of failed sections of road
Kerb and Gutter	Replace when street block roads are reconstructed, plus an additional 4km of kerb and gutter
Footpath	Replace over 11,000 m2 over 500 locations across the city
Other Road Infrastructure	Maintenance and repair of minor damage and wear, plus the replacement of some of the roadside furniture including rusting guard rails and fencing in 20 locations across the city.
Stormwater	Replace 25 sections of stormwater drain where condition and overflows are a problem plus replace an extra 500m of older trunk drains and damaged sections
Playing Fields	Renewal of turf at most of the City's sporting grounds to cope with wear and tear as well as major refurbishment (including irrigation) at 2 fields within the City
Playground Equipment	Replace an extra 10 playgrounds from the 106 total playgrounds in the City
Community Buildings and Halls	Renew the external building components (roofs, windows etc) and structural maintenance to 1 or 3 larger buildings.

How to read this Delivery Plan

The following sections of our Revised Draft Four Year Delivery Plan 2014-2018 including our One Year Operational Plan 2014/2015, will highlight how each of the seven outcomes identified in our Community Strategic Plan will be supported by a number of council programs, which bring together a number of activities and projects, over the next four years to deliver on our outcomes and goals to our community.

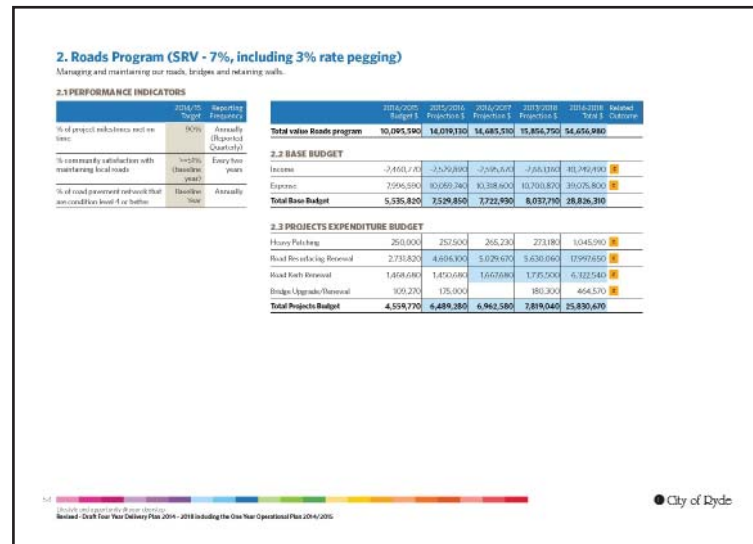

Our projects are specific activities which are to be delivered over a set period of time to meet our Community's vision. These are supported by Council's base budget, which forms part of our operating costs, including our people and our maintenance and other contracts, to deliver all our council services provided by the City of Ryde.

Detailed within each of our seven outcomes, is a One Year Operational Plan for 2014/15, which clearly sets out our planned projects for the forthcoming financial year and their associated expenditure.

Special Rate Variation (SRV)

Detailed throughout this Revised Draft Four Year Delivery Plan 2014-2018 including our One Year Operational Plan 2014/2015 is where (if approved by IPART) City of Ryde will spend the extra revenue generated by the 7% rate increase (including rate pegging). Please note that the 2014/2015 figures on these pages do not change as the rate rise will only apply from the 2015/2016 Financial Year.

Each outcome and program section that has been impacted by the SRV has been repeated throughout the document and then highlighted in blue to show how and where the SRV will be spent. An example of both can be seen on the right.

Outcome: A City Of Environmental Sensitivity (Base Case - 3% rate pegging only)

Our progress on this outcome will be measured against the following goals:

GOAL ONE

Our residents, businesses and visitors collaborate in the protection and enhancement of our natural environment.

STRATEGIES

To raise awareness in our community on the future challenges to our natural environment and the actions required to mitigate them.

To actively collaborate with our community and businesses to care for and enhance our environment.

To provide incentives which encourage all to enhance, preserve and protect our natural ecosystems.

GOAL TWO

To encourage and enable all our residents to live a more environmentally sensitive life.

STRATEGIES

To collaborate with relevant partners to facilitate simple and flexible planning controls, to encourage our community to embrace sustainable development.

To promote and offer education on the benefits and savings that can be achieved by supporting sustainable lifestyles.

GOAL THREE

As we grow, we protect and enhance the natural and built environments for future enjoyment and manage any impacts of climate change.

STRATEGIES

To lead by example and demonstrate environmental sensitivity in all that we do.

To work collaboratively with neighbouring councils to develop measures to protect our natural environment and bio-diversity.

To take a leadership role and enhance our capacity to manage any impact of climate change and protect our community.

Outcome: A City Of Environmental Sensitivity (SRV - 7%, including 3% rate pegging)

Our progress on this outcome will be measured against the following goals:

GOAL ONE

Our residents, businesses and visitors collaborate in the protection and enhancement of our natural environment.

STRATEGIES

To raise awareness in our community on the future challenges to our natural environment and the actions required to mitigate them.

To actively collaborate with our community and businesses to care for and enhance our environment.

To provide incentives which encourage all to enhance, preserve and protect our natural ecosystems.

GOAL TWO

To encourage and enable all our residents to live a more environmentally sensitive life.

STRATEGIES

To collaborate with relevant partners to facilitate simple and flexible planning controls, to encourage our community to embrace sustainable development.

To promote and offer education on the benefits and savings that can be achieved by supporting sustainable lifestyles.

GOAL THREE

As we grow, we protect and enhance the natural and built environments for future enjoyment and manage any impacts of climate change.

STRATEGIES

To lead by example and demonstrate environmental sensitivity in all that we do.

To work collaboratively with neighbouring councils to develop measures to protect our natural environment and bio-diversity.

To take a leadership role and enhance our capacity to manage any impact of climate change and protect our community.

Outcome: A City Of Progressive Leadership (SRV - 7%, including 3% rate pegging)

Our progress on this outcome will be measured against the following goals:

GOAL ONE

Our city is well led and managed.

STRATEGIES

To lead, govern and regulate in an ethical, equitable, transparent and accountable way.

To be responsive to the changing needs of our community.

To unite decision makers to deliver.

GOAL TWO

The City of Ryde will deliver value for money services for our community and our customers.

STRATEGIES

To optimise value for money and deliver responsible spending across all of our services.

To provide our customers with a continuously improving best practice service.

To use knowledge and foresight to strategically plan and deliver services to meet the changing needs of our city.

GOAL THREE

Our residents trust their council, feel well informed, heard, valued and involved in the future of their city.

STRATEGIES

To make our community aware of things happening in their city that impact on their daily lives.

To engage and consult with the whole community to ensure they have a voice, and that feedback is captured and considered.

To deliver a brand identity for our city that engages the community and promotes its positive attributes and direction.

Reporting on our progress

Our Four Year Delivery Plan is in alignment with the Community Strategic Plan. It details our planned expenditure on outcomes by projects and programs, and contributes to our planned overall direction for the next ten years, ensuring that we keep our community informed, and that we continue to work to meet their expectations.

To ensure that we deliver on this plan and our seven key outcomes for our city, we will actively look to our community for feedback to ensure that we are meeting our promises and getting things right. We will measure community perception of progress against each of our goals to enable us to recalibrate the strategy and our response if necessary.

We will report our progress towards our Four Year Delivery Plan annually and evaluate the effectiveness of our Community Strategic Plan in four year cycles at the conclusion of each term of council (with the first report due by the end of the next term of council which ends in 2016). This evaluation will measure our community's perception of progress against the goals compared to a base line survey established in mid 2013.

We will assess our success by facilitating an open forum with our community and partners, consistently referring to them for feedback through all levels of communication at our disposal including the use of new media technologies.

Our community will ultimately be the ones to guide us and inform us on whether we have met our community's vision and that the City of Ryde is indeed the place to be for lifestyle and opportunity@ your doorstep.

And, in addition to the Annual Report, we will report on our operational plan to council every quarter. This will update council on our progress towards the projects planned for the year and monitor our progress against key performance indicators.

Council has established a suite of performance measures it will use to monitor progress on our Operational Plan for 2014/15. Performance on these measures will be included in our Annual Report, and where possible, monitored quarterly through our quarterly review reporting.

Corporate Performance Indicators

A set of corporate performance indicators have been identified that will report on the organisations delivery of service to our customers and partners, track the project management of our programs and projects, monitor our budget and financial management and indicate the organisations progress in building our culture through learning and development.

These measures are set out in the table shown here and will be reported to council through our quarterly and annual reporting as indicated.

While we have indicated in the table how we will measure our corporate performance as your council; a secondary set of measures is currently being developed to assess and measure how we will meet all our operational commitments to the City of Ryde.

Resourcing our Plans

Key Components to resource our delivery plan (Base Case - 3% rate pegging only)

Council's four-year resource plan has been prepared in accordance with the requirements of the Local Government Act 1993 (as amended).

The resource plan provides financial forecast for the four-year term of the plan and includes a detailed breakdown of income and expenditure relating to the financial year.

The key components of the financial plan include:

- Operating Statement
- Cash Flow & Capital Funding Statement
- 4 Years of Projects (Capital and Non Capital) Program

These statements detail Council's projected financial performance and projected working capital for 2014 to 2018 and demonstrate a sound financial position for the City of Ryde.

Tables 1 and 2 below summarise the key financial resources required for the next four years and the financial outcomes compared to the targets contained in the Financial Plan.

Rating and Revenue Policy Statement

Rating Plan

In 2014/2015, Council is projecting net Rate Income of \$48.80M which represents 50% of Council's total income.

Council considers the principles of equity and benefit in determining its rating structure and seeks to

- Maximise the income from business properties to ensure business contributes their fair proportion of rates to the City of Ryde;
- Set minimum rates in accordance with the Minister for Local Government's approval.

Council's rating strategy has been to move to retain a 70/30 split between the rates derived from residential and business properties. This was first achieved in 2008/2009 and Council will maintain this in 2014/2015.

The Minister for Local Government has set the rate pegging limit at 2.3% for 2014/2015.

Loan Borrowings

Council proposes to undertake a new loan for \$1.5M during 2014/2015 for implementation of Children Play Plan.

Sale of Assets

Plant & Motor Vehicles

The City of Ryde Plant & Fleet Management Sub-Plan and the Plant Replacement policy stipulate a change-over period of 2 years for motor vehicles. Council has a rolling plant replacement program which ranges from 3 to 15 years for its various categories of plant.

The following amounts for Plant Replacement are included in the 2014/2015 Draft Budget:

Plant Purchases	\$2,550,000
Plant Sales	\$925,000
Net Cost	\$1,625,000 from Plant Reserve

Property

The Buildings and Property Unit is responsible for the effective and efficient management of Council's property portfolio. This is professionally administered utilising existing Council policies and plans. The Asset Management Plan provides the necessary tools and strategies for Council to ensure those assets held within the portfolio are consistent with Council's future directions and sufficient funding is allocated to those with a poor condition rating. The Strategic Property Policy provides the framework for Council to increase or reduce the portfolio, by acquiring new or disposing of underperforming or underutilised properties. These actions ensure that all properties are optimised to their fullest potential.

Council has allocated an amount of \$2.35 million for capital expenditure on Council's property portfolio in the 2014/2015 budget.

Council has not specifically identified any other individual assets to be disposed of in the 2014/2015 budget and this would be subject to resolution of Council to proceed.

Council has adopted a Community Buildings Licensing Policy which provides the framework for determining contributions from community organisations that occupy Council's community buildings. The policy is a public document and can be found at <http://www.ryde.nsw.gov.au/Community/Community+Hubs/Community+Buildings+Licensing+Policy>. The list of buildings to which this Policy applies is included in the document.

Senior Officers

Under the Local Government Act Section 428 2(g), Council has resolved to have the following 5 positions as Senior Officers:

- General Manager
- Group Manager Community Life
- Group Manager Corporate Services
- Group Manager Environment & Planning
- Group Manager Public Works

Rates & Annual Charges for 2014/2015

Rates and Annual Charges are a major source of Council's income and during 2014/2015 will provide approximately 67% of Council's total revenue.

Council proposes to make and levy the following rates

1. Ordinary Rates

a. Residential

(Applicable to all rateable properties categorised as Residential in the City of Ryde)

b. Business

1. Business

(Applicable to all rateable properties categorised as Business in the City of Ryde)

2. Business - Major Retail Centre - Macquarie Park

(Applicable to all rateable properties sub-categorised as Business - Major Retail Centre - Macquarie Park in the City of Ryde - a map is available for public inspection at the City of Ryde Administration Building 1 Devlin Street Ryde.)

3. Business - Major Retail Centre - Top Ryde

(Applicable to all rateable properties sub-categorised as Business - Major Retail Centre - Top Ryde in the City of Ryde - a map is available for public inspection at the City of Ryde Administration Building 1 Devlin Street Ryde.)

c. Environmental Management Rate

(Applicable to all rateable properties in the City of Ryde)

2. Special Rates

a. Macquarie Park Corridor

(Applicable to all rateable properties categorised as Business in the Macquarie Park Corridor as detailed in the map on the following page)

The net estimated yield from each of these rates can be summarised in the following table:

Rates & Annual Charges for 2014/2015

Rate Type	Category/ / Sub category	Base Charge \$	Minimum \$	Ad Valorem (cents in \$)	Rate Yield \$
Ordinary	Residential		484.19	0.125363	27,951,842
Ordinary	Business		484.19	0.680719	12,992,146
Ordinary	Business- Major Retail Centre - Macquarie Park			1.177078	662,695
Ordinary	Business- Major Retail Centre - Top Ryde			0.885754	364,383
Ordinary	Environmental Management Base Charge	56.79			2,369,506
Ordinary	Environmental Management Ad Valorem			0.02056	4,156,760
TOTAL YIELD	ORDINARY RATES				48,497,332
Special	Macquarie Park Corridor- Ad Valorem			0.158138	1,317,807
TOTAL YIELD	ORDINARY & SPECIAL RATES				49,815,139

The Environmental Management Rate Base Charge yields 36% of the total Environmental Management yield.

The above rates figures include the 2.3% increase determined by the Independent Pricing and Regulatory Tribunal.

Pensioner concession

Council provides a rate reduction to eligible pensioners under Section 575 of the Local Government Act. Eligible pensioners are entitled to a rebate of 50% of their combined rates and domestic waste charges, up to a maximum of \$250 of which 55% is government funded and 45% Council funded. There are approximately 5,788 eligible pensioners in the City of Ryde who receive the statutory pensioner rebate.

In addition Council provides a voluntary rebate under Section 582 of the Local Government Act of \$80 to those pensioners who were in receipt of the pensioner rebate as at 31 December 1992 and have lived in the City of Ryde for 10 years. There are approximately 838 pensioners who receive Council's voluntary rebate in either whole or in part and the estimated cost to Council for 2014/15 of this rebate is \$67,000.

The net cost to Council of both of these rebates is approximately \$672,000.00

Aggregation of values of rateable land subject to rates containing base amounts or minimum rates

Within the City of Ryde there are some strata developments which result in garage and/or storage spaces being given their own lot number and consequently their own unit entitlement. Therefore, these garage spaces and storage spaces are subject to being separately rated. However, The City of Ryde has in previous years allowed an owner of a strata dwelling who also owns a garage space and/or a storage space, to request Council to add together the unit entitlements of the lots and to levy rates on only one rates notice.

The authority for Council to add together (aggregate) the unit entitlements of strata units with garage spaces and storage units is Section 548A of the Local Government Act, 1993.

Therefore, for 2014/15 Council will allow the aggregation of certain parcels of rateable land in accordance with Section 548A of the Local Government Act, 1993.

Macquarie Park Corridor Special Rate

This Special Rate (which was approved by the Minister for Local Government in 2006/2007 on an ongoing basis in perpetuity) will raise \$1.318M during 2014/2015 from business properties in the Macquarie Park Corridor. At present, 418 business properties are located within this area. This area is identified on the following map:

A copy of the map is available for public inspection at the City of Ryde Administration Building 1 Devlin Street Ryde.

The funds raised will be used to assist in implementing the Macquarie Park Corridor Master Plan, which has been developed in conjunction with the State Government and community stakeholders in response to the changing nature of business in the Corridor and the construction of the new Chatswood to Epping rail link and includes three new stations within the North Ryde area.

Special rate funds will be used to construct and maintain the public domain infrastructure in the area, improve roads and cycleways as the area changes from a low density business park to an attractive, viable and vibrant urban centre.

Expenditure of all funds received from the Macquarie Park Corridor Special Rate will be separately accounted for and restricted to the projects identified in the Capital Works program section of this Draft Management Plan. Reports will be provided to the Council on a quarterly basis and to the community on an annual basis regarding expenditure of special rate funds on these projects.

Domestic Waste Management Service Charge

Domestic Waste Management Services are provided on a full cost recovery basis. Costs are determined by contractor charges and Council costs and overheads necessary to manage the service.

The Domestic Waste Management Service charge for 2014/2015 is levied under Section 496(1) of the Local Government Act 1993 (as amended) and has been set at \$391.00 per service, per annum.

The Domestic Waste Management Service charge is levied on each rateable residential property within the City of Ryde. This charge will yield estimated total revenue of \$16.5 million.

A standard Domestic Waste Management Service consists of:

- One 140 litre garbage bin collected weekly
- One 240 litre recycling bin collected fortnightly
- One 240 litre green vegetation bin collected fortnightly (alternate to recycle collection)
- One clean up service every 10 weeks
- Mulching and Chipping Service

Unit blocks with a bin bay will share a 240 litre garbage bin and a 240 litre recycling bin between two units and receive one vegetation bin per unit block or as required.

Services will be provided in addition to the standard service at the following annual charges. The estimated yield from each annual change is shown:

Domestic Waste Management Services

Domestic Waste Management Services	Annual Charge \$	Estimated Yield \$

Additional DWM - Resident Green	47.00	28,012
Total		16,555,794

Non-Residential Waste Management Service Charge

Non-Residential Waste Management Services are provided on a full cost recovery basis. Costs are determined by contractor charges and Council costs and overheads necessary to manage the service.

The Non-Residential Waste Management Service charge for 2014/2015 is levied under Section 501(1) of the Local Government Act 1993 (as amended) and has been set at \$430.00 per service, per annum.

The Non-Residential Waste Management Service charge is levied on each non-rateable non-residential property within the City of Ryde where the service is requested. This charge will yield estimated total revenue of \$0.160 million.

A standard Non-Residential Waste Management Service consists of:

- One 140 litre garbage bin collected weekly
- One 240 litre recycling bin collected fortnightly
- One 240 litre green vegetation bin collected fortnightly (alternate to recycle collection)
- One clean up service every 10 weeks
- Mulching and Chipping Service

Services will be provided in addition to the standard service at the following annual charges. The estimated yield from each annual change is shown:

Non-Residential Waste Management Services

Non-Residential Waste Management Services	Annual Charge \$	Estimated Yield \$
Non Residential Waste Standard	430.00	46,870
Upgrade from 140L to 240L	314.00	9,420

Total		160,239

Stormwater Management Service Charge

The Stormwater Management Service Charge for 2014/2015 is levied under Section 496A of the Local Government Act 1993 (as amended).

The charges have been set in accordance with the Local Government Amendment (Stormwater) Bill 2005 and for 2014/2015 are as follows:

Strata titled residential home units	\$12.50 per unit
Strata titled business units	\$12.50 per unit
Other residential property	\$25.00 per rateable property
Business rateable properties	\$25.00 per 350 sq metres of land area

It is estimated that the charge will yield \$999,288 in 2014/2015.

Section 611 Local Government Act - Annual Charges

Section 611 of the Local Government Act, 1993 permits Council to charge persons who benefit from having private facilities on, above or under public land. The following charges are to be levied under Section 611 during the 2014/2015 financial year:

(i) Vehicle Overbridge, Herring Road

Council has a legal agreement with the owners of Macquarie Shopping Centre (AMP Society and Perpetual Trustee Company Limited) relating to the use of Council land in Herring Road for the purposes of a concrete access ramp and bridge. The amount charged is based on a fair, commercial rental valuation reviewed every five years.

The anticipated revenue for 2014/2015 is \$73,486 (excluding GST)

(ii) Shell Refining Oil Pipeline

Council has a legal agreement with the Shell Oil Company relating to the use of Council land for an oil pipeline, which travels under public land through a portion of the City. The anticipated lease payment to Council for 2014/2015 is \$57,868 (excluding GST). The amount payable is based on the following formula:

$$(D/25)*(L/30)*7.5$$

Where, D = diameter of the pipe (304.8 millimetres), and L = the length of the pipe, (6,858 metres).

The resultant amount is at a 1985 price level and is adjusted annually for movements in the CPI.

(iii) Alinta Asset Management (AGL) Gas Mains

Based on an annual review by KPMG of AGL's revenue. Anticipated income in 2014/2015 is \$54,900(excluding GST).

Interest on Overdue Rates and Annual Charges

The Minister for Local Government has set the maximum interest rate allowable for the 2014/2015 rating year as 8.5%. Council charges the maximum interest rate on overdue rates and charges, as an incentive for ratepayers to meet their commitments as they fall due.

Commercial Matters

Statement of Business or Commercial Activities

Under the National Competition Policy (NCP) the identification of such activities and the application of the principle of competitive neutrality to business activities by the Council is a requirement.

Essentially the principle is that Council should operate without net competitive advantage over other businesses as a result of its public ownership – a level playing field.

The guidelines specify the following tests to be applied to Council's activities:

- Council's intentions in operating the activity; and
- Is private competition present or possible for the activity?

In addition, further tests relating to the scale of the activity within the local community may determine that:

- If it is small in scale, it may be in competition but its effects are immaterial; and
- If it is large in scale, it is more likely to be perceived by competitors as a business activity.

The NCP guidelines impose additional conditions for a category with revenue exceeding \$2 million per year. These are category 1 businesses in terms of NCP and are required to apply Taxation Equivalent Payments and generate a return on capital invested. Consideration of these tests resulted in the following activities being identified as businesses:

- Ryde Aquatic Leisure Centre. This is a category 1 business activity due to scale (revenue in excess of the prescribed threshold level of \$2 million per annum); and
- Commercial Waste Management: the collection and disposal of waste from commercial properties. Fees are based on a charge per bin collection for both garbage and recycle bins.

These activities are specifically identified in Council's Annual Financial Reports and a separate Special Purpose Financial Report is prepared to disclose their results.

Sharing your thoughts

We recognise that engaging with our community to understand our shared hopes and aspirations is central to everything we do. This Four Year Delivery Plan including One Year Operational Plan has been developed to encapsulate what we will do together over the next four years to ensure that our City remains a place where we continue to experience lifestyle and opportunity at our doorstep.

To make sure that this document is more than just words on a page we need to hear from all parts of our community. If you have any comments on this document or on our plans please share them with us through any of the avenues listed.

Fees for service in 2014-2015

Fees for services provided by Council are shown in the following pages in this section. Each fee that Council sets, is categorised as A, B, C, D, E, F, G or H. These categories denote the primary policy principle used in setting the fee as follows:

A Statutory Fee (Set)

The fee charged is prescribed in a regulation or set by legislation at a specific amount.

B Statutory Fee (Discretionary)

The fee charged is discretionary in a regulation or set by legislation up to a maximum amount for the fee.

C Fully Subsidised

There is no fee charged for this good/service and it is fully funded by general income. Reasons for a zero cost recovery may include:

- The service is considered a Public Good and provides a broad community benefit.
- Practical restraints limit the ability to be able to charge for services on a user basis, or the revenue collection is so minor as to be outweighed by the cost of collection.
- The desire of Council to encourage usage.

D Partially Subsidised

The fee charged is set to derive a partial contribution to the cost of providing the service - a percentage of the cost of the service is met from general income.

E User Pays - Direct Costs

The fee charged for this good/service is set to recover the annual and/or maintenance costs. The cost of any assets used in providing the good/service is met from general income (including general purpose grants).

F User Pays - Full Cost Recovery

The fee charged for this good/service is set to recover the full costs of its provision, including the cost of replacement of assets and the cost of fixed overheads used in the provision of the good/service.

G User Pays - Market Prices

The fee charged for this good/service is set to generate an appropriate rate of return on the capital invested.

H Refundable Deposit

The price charged is a fee that is refundable to the payee after a prescribed condition is met.

The initial deposit payment does not attract GST. But any full or partial forfeiture of the deposit may attract GST.

Note: The General Manager has the power to reduce or waive fees where there is justification.

Explanatory Notes Community Facilities/Venues

Further details can be found in the conditions of hire form.

CATEGORIES OF HIRE

Category 1 - Standard

This includes but is not limited to hire by individuals, commercial operators or for commercial activities, political organisations, schools, tertiary institutions and local, state and federal government (with the exception of the City of Ryde).

Categories outlined below are exceptions to this standard rate.

Category 2 - Funded Community groups

Community is defined as schools located within the City of Ryde and non profit organisations based in or providing community or leisure services to the residents of the City of Ryde.

Category 3 - Religious Worship

Activities for the purpose of religious worship or general congregation where the organisation is located within Ryde.

Category 4 - Unfunded Non-Profit Groups

Activities for the benefit of the community, such as education, leisure, social, cultural activities which meet priority outcomes in Council's Management and Social Plan and are run by small and emerging Non-Profit groups or charities (that do not receive recurrent/ongoing state or federal funding) which are located within the City of Ryde.

This includes Playgroups.

Groups in this category (with the exception of Playgroups) will be reviewed after two years. This category aims to support groups to become sustainable at the time of development. During this time, Council's Community Services department can assist groups to develop and source ongoing funding.

DISCOUNTS & SUBSIDIES

Regular Category 1 hirers may receive a 10% discount if they pay one month in advance.

FEES & CHARGES FOR EACH VENUE

Costs to hire a facility include bonds, hall hire costs and in some cases "Additional Fees" as outlined in the fees and charges schedule.

BONDS

Bond to be paid at time of booking. Council may retain the bond for any breach of the "Conditions of Hire", including any costs associated with cleaning, damage, variation or cancellation to the booking. The bond will be refunded after hire less any charges for cleaning, damage or in the event of a cancellation or variation to the booking.

The amount listed in the fees and charges for each facility is a minimum bond only. The General Manager may increase the bond amount if the use is deemed to be a higher risk activity.

Regular hirers can request in writing, to use a bond release form and pay 4 weeks in advance, instead of paying the required bond up front.

DEFINITIONS

Occasional Hirer - less than 12 bookings per financial year

Regular Hirer - 12 or more bookings per financial year

Non-Profit Organisations - A non-profit organisation is an organisation that is not operating for the profit or gain (either direct or indirect) of its individual members. This applies both while the organisation is operating and when it winds up.

RECURRENT/ONGOING STATE OR FEDERAL FUNDING

This refers to funding received from government on a recurrent/ongoing basis, to support the costs of the organisations operations.

SECURITY

Security will not be required for the following activities:

Meeting Rooms (eg. Gladesville Library)

Routine activities by playgroups, seniors groups, community colleges and other leisure classes like dancing and martial arts.

Security may be required for the following activities:

Private social hire such as 21st birthday parties and weddings

When requested by the hirer

At the Civic Hall, which is already included in the fee (ie. No additional security charge).

For other activities not listed above, security requirements would be at the discretion of Council officers based on the perceived risk to participants, neighbours and Council's property.

MINIMUM HOURS OF USE

The General Manager has the flexibility to reduce minimum hours of use for each hire on a case by case basis.

COMPLIMENTARY HOUR

The General Manager has the discretion to provide one hour of complimentary hire to larger activities to support the groups cleaning the venue.

BRUSH FARM HOUSE

Brush Farm House is a heritage listed building which has limitations for use. The General Manager can limit types of use based on the appropriateness and potential impact on this facility.

When hiring Brush Farm House meeting rooms or hall, hirers are permitted to access the garden, only if there is no dedicated hirer for the use of the garden.

BONDS

Should Council incur costs in excess of the bond held, the hirer will be responsible for the repayment of these costs to Council. In the instance where a hirer has already been charged a bond for seasonal weekend and/or seasonal weekday hire, no additional bond is required for additional hires by the same organisation for a similar activity. All bonds will be subject to the approval of Group Manager, Community Life as being appropriate for the proposed activity.

CANCELLATIONS AND REFUNDS

Cancellation fees do not apply in the event of wet weather or if the booking is transferred to another date or facility. Administration of Refunds will be as per the terms and conditions detailed on the booking form completed by the applicant.

DISCOUNTS AND SUBSIDIES

Subsidies can be applied for by written application to the General Manager. Applications will be considered based on

- the location of the organisation
- the targeting of the activity to residents of the COR
- the organisation's provision of annual reports, including financial statements
- the organisation's ability to address community needs outlined in Council's Management Plan or be activities assisting with emergency relief, humanitarian support, or those activities that address critical, emerging and recognised needs.

Discounts and subsidies are time limited and hirers who receive a discount or subsidy may be required to acknowledge City of Ryde in publicity material.

REDUCED FEES - CONTRIBUTIONS TOWARDS COUNCIL OWNED INFRASTRUCTURE

Organisations who have made contributions toward Council owned sporting infrastructure from 1 July 2009, will be eligible to apply for a reduction in sportsground

related fees and charges subject to the approval of the General Manager. Criteria/factors as prescribed by Council will determine the level of reduction including the consideration of the level of contribution and the benefit derived by other users within the COR community as a result of the improvement.

FLOODLIGHTING

Floodlighting is charged at a specific hourly rate, based on the operating and maintenance costs of the infrastructure at each individual facility. These hourly rates are included within the schedule of fees and charges.

INSURANCE - PUBLIC LIABILITY INSURANCE CONTRIBUTION

Applies to any casual hirer of facilities who do not have their own insurance and are hiring a facility for no more than 10 days within a 12 month period. Use of Council's Public Liability Insurance does not extend to incorporated bodies, sporting clubs or associations of any kind.

NON-COR ORGANISATIONS / INDIVIDUALS

For the COR fee to be applicable, an organisation must be named or based in a suburb within the Ryde Local Government Area and/or be able to provide documented evidence that more than 60% of their members are residents in the City of Ryde and that their total membership is significant enough to justify the exclusive use of a facility for a specified period. For the COR fee to be applicable for individuals, they must have a residential address within the City of Ryde.

PERSONAL TRAINING

The schedule does not confer exclusive rights to a specific area or sportsground - all usage is subject to minimising impact on other park users.

PRE-SEASON TRAINING

The pre-season period commences one month prior to the commencement of the season. Usage of sportsgrounds during this period is subject to availability from the code in season.

SEASONAL DEFINITION

The winter season is from the 2nd full weekend of April to the 2nd to last weekend of August. The summer season is from the 2nd full weekend of September to the 2nd to last weekend of March.

SPORTSGROUNDS

Casual Hire - full or half day hire for one off events which do not occur on a regular basis - refunds do occur in the event of wet weather or ground closure by Council.

Dunbar Park - seasonal hire includes weekends plus 5 evenings training after 4.00pm on weekdays, plus pre-season training during August.

Level 1 Sports Fields for Aussie Rules, Hockey, Rugby League, Rugby Union, Soccer - Christie Park 1, Ryde Park 1, ELS Hall Park 1 & 3. Level 1 Sports Fields - typically a full size, fully fenced senior field with good amenities (e.g. includes toilets, change rooms, canteen, floodlighting).

Level 1 Cricket Wickets - Turf wickets at Eastwood Park, ELS Hall 1 & 3, Ryde Park 1

School Hire - the casual or seasonal use of a specific sportsground or park for school sport and Personal Development Health & Physical Education (PDHPE) during normal school hours. All schools within the COR pay no ground hire fees for the use of sporting fields for normal school sport and PDHPE within normal school hours (9.00am to 4.00pm, Mon - Fri). Hire of turf cricket wickets will incur normal rates (excepting use for the Alan Davidson Shield - no charge). Schools from outside COR will be subject to normal COR hire rates. Carnivals and Gala Days will be subject to applicable hire rates.

Seasonal Weekday Hire - seasonal fee based on the hourly use of a specific sportsground on at least more than 10 occasions during the defined season - no refund in the event of wet weather. Note that seasonal weekday hire of a ground for cricket training also includes cricket nets where available.

Explanatory Notes - Parks (Continued)

Seasonal Weekend Hire – seasonal hire fee for full (or half day pro rata) use of a specific sportsground on a weekend day between the hours of 8.00am to 6.00pm on Saturdays and 9.00am to 6.00pm on Sundays - no refunds in the event of wet weather. Maximum hire charges apply for Cricket and Baseball grounds where a club or association will be charged a seasonal fee of no more than 20 days use for the booking of a ground during a summer season.

Level 2 Cricket Wickets - Synthetic wickets at Bill Mitchell Park 1, Bremner Park, Brush Farm Park, Gannan Park, Marsfield Park, Meadowbank 2/3,4, 7/8, 10/11/12, Monash Park, Morrison Bay Park 2/3, 4/5,6, North Ryde Park, Pidding Park, Tuckwell Park, Westminster Park.
