Dear Mayor

I am writing to advise you of your Council's funding allocation under the Roads to Recovery Programme from 1 July 2014 to 30 June 2019.

In addition to our commitment to maintain Roads to Recovery funding at the current level of \$350 million per annum, the 2014 Budget announced that a further \$350 million will be provided in 2015-16. This brings total funding for the programme to \$2.1 billion over the five years to 2018-19 and the additional funding in 2015-16 means that each council will receive the equivalent of one extra year's Roads to Recovery funding.

A total of \$580.8m has been allocated to NSW, which has been divided between the councils in the State on the basis of the 2014-15 recommendations of the Local Government Grants Commission for the roads component of the Financial Assistance Grants. This methodology is consistent with the allocation of Roads to Recovery funding for previous programmes.

Your Council's life of programme allocation for the period 1 July 2014 to 30 June 2019 will be \$2,482,262. This amount includes the double payment in 2015-16 and is allocated as follows:

Financial Year	Allocation
2014-15	\$413,710
2015-16	\$827,421
2016-17	\$413,710
2017-18	\$413,710
2018-19	\$413,710

Councils will be able to enter projects for Roads to Recovery funding and provide a quarterly report during October and the first payment of the new programme will be made in November 2014. Councils must have submitted a satisfactory 2013-14 Roads to Recovery Annual Report by 31 October 2014 to be eligible for a payment in November 2014.

The programme will continue to run under simple administrative arrangements with councils free to decide the projects to be funded under the programme. My Department will advise you of the formal funding conditions in the coming weeks.

Dear Mayor

We are writing to advise you of the release of the guidelines and the initial application process for the Australian Government's new National Stronger Regions Fund (NSRF).

The NSRF will invest \$1 billion over five years in community infrastructure projects to promote economic development and address disadvantage in Australia's regions and local communities. Applications for:

- Round One of NSRF will open on 1 October 2014 and close on 28 November 2014.
- Round Two will open on 1 May 2015 and close on 31 July 2015.
- Grants will be between \$20,000 and \$10 million.
- NSRF grant funding must be matched in cash on at least a dollar for dollar basis.

Further information on eligibility and assessment criteria is contained in the NSRF Programme Guidelines and will be available at www.infrastructure.gov.au/nsrf from 1 October 2014.

Once applications close, the Australian Government Department of Infrastructure and Regional Development (the Department) will undertake comprehensive assessments of the eligible projects submitted for funding through a merit-based competitive process. The Department will provide advice to a Ministerial Panel which will make a decision on funding in consultation with the Australian Government's National Infrastructure Committee of Cabinet.

Applicants will be formally advised of the outcome of their application and funding approvals will be listed on the Department's website www.infrastructure.gov.au/nsrf.
