
**MM16/16 APPOINTMENT OF COUNCILLORS TO STANDING
COMMITTEES - The Mayor, Councillor Bill Pickering**

File Number: CLM/16/1/1/8 - BP16/1247

At the Extraordinary Council Meeting on Friday, 16 September 2016, Councillors nominated to be members of Council's various Standing Committees.

Since that meeting, Councillor Yedelian OAM has advised that he believed that he had nominated to be a member of the Works and Community Committee. I have also received a request from Councillor Salvestro-Martin, for him to be a member of the Ryde Civic Hub Committee and the Planning and Environment Committee.

Therefore, I am recommending that both the above Councillors be confirmed to be members of the relevant Standing Committees.

RECOMMENDATION:

- (a) That Councillor Yedelian OAM be endorsed as a member of the Works and Community Committee.
- (b) That Councillor Salvestro-Martin be endorsed as a member of the Ryde Civic Hub Committee and the Planning and Environment Committee.
