2018 - Mayor, Councillor Jerome Laxale**

File Number: MYR/07/10/7 - BP17/1288

The FIFA World Cup Soccer finals will be held in June 2018.

This event which will be watched by millions of fans throughout the world and in major cities of the world will be viewed at large public gatherings on giant screens.

I would like the City of Ryde to consider screening this event to the public, especially the games which will involve the Australian team.

RECOMMENDATION:

- (a) That the General Manager prepare a report for the Works and Community Committee in consultation with the Festivals and Events Advisory Committee and relevant parties, which outlines the possibility of setting up a live site/s in Ryde for the FIFA World Cup in June 2018.
- (b) That the report to investigate the feasibility of such an event/s and possible appropriate location/s.
- (c) That the report to consider running the live site/s, at the very least, but not limited to, the 3 Australian Group (C) games.
