#### CITY OF RYDE | DRAFT 2018-2022 Delivery Plan

## Mayor's Message

I am delighted to present the City of Ryde's 2018-2022 Delivery Plan. I would like to thank my fellow Councillors, City of Ryde General Manager George Dedes and the staff at the City of Ryde for their contribution to this Plan and look forward to working with the entire community to implement it.

With its diverse and inclusive population, green spaces and close proximity to key areas of Sydney, the City of Ryde is the envy of many.

But it is also a City that is undergoing tremendous change, which will only continue with greater pace over the next four years. The population is growing, economic activity is on the increase and there is a larger demand for efficient and effective services from all levels of government. While these changes are exciting, they do provide their challenges.

The 2018-2022 Delivery Plan maps out the projects and initiatives that will be implemented by Council over the next four years to not only take advantage of these changes but also tackle the challenges they may create so that we continue to ensure Ryde is the best place to live, work and play.

By reading this plan you will see that Council will be working hard over the next four years to maximise the strengths of our City. This includes plans to develop the local economy as well as create vibrant, well designed and desirable public places across the City that are inclusive to all. There are also clear measures to manage transport, traffic and car parking across the City, as well as pedestrian and cycle access.

Another highlight is a detailed Environmental program which shows how Council will manage our natural and urban environment to protect cherished bushlands, waterways and eco systems. There are also programs that will support residents to lead healthy, active and independent lives by taking advantage of Council's fantastic facilities and green spaces.

Put all together, the new Community Strategic Plan – Our Vision for Ryde 2028 and the 2018-2022 Delivery Plan provides us all with a great vision for what the City of Ryde will be able to deliver to everyone over the next four years.

Clr Jerome Laxale - City of Ryde Mayor.

#### DRAFT 2018-2022 Delivery Plan | CITY OF RYDE

## Introduction

As the General Manager of the City of Ryde it is my privilege to present the 2018-2022 Delivery Plan and 2018/19 Operational Plan. These plans set out in detail Council's direction for the next four years providing a path for how we will work to manage growth and change and enhance the City's services and liveability.

In developing these plans, City of Ryde staff and Councillors have worked over many months to balance the community's expectations and priorities with the increasing demand for services and infrastructure, as well as our available financial resources.

Continuing to deliver quality services will always be Council's priority. We also have the responsibility to ensure that the community's significant asset holdings are maintained so they will continue to function now and well into the future. For this reason, significant funds are allocated in the budget to maintain, renew and improve key infrastructure assets such as roads, footpaths, cycleways, drainage, open space, as well as sports, community and cultural facilities, together with planning for essential new infrastructure. The Special Rate Variation (SRV) will provide an approximate cumulative increase of \$12 million in 2018/19. The majority of this additional rate revenue is allocated to various infrastructure renewal works detailed in this Delivery Plan. Council fully delivered our scheduled SRV works in previous years.

Council's total Capital Works Proposed Budget for 2018/19 is \$44.67 million, an increase from \$39.4 in 2017/18.

Key initiatives in 2018/19 include:

#### Paths, Cycleways and Roads

\$14.9 million is proposed to be spent over the next year on the continuation of our renewal and expansion program for both Roads and Paths and Cycleways. Road Resurfacing Renewal and Road Kerb Renewal make up the majority of the 2018/19 expenditure. A detailed schedule of the works planned can be found on pages 45 to 52 of this document. Another large project is the Flood Mitigation/ Constitution Road Upgrade which will see stage one begin in 2018/19 which includes preliminary concept designs to provide an indication of the final layout for planning purposes.

#### **Open Space, Sport and Recreation**

A total of \$30.6 million will be spent on Open Space, Sport and Recreation in 2018/19. Key projects include \$2.3 million in 2018/19 for the Construction of Skate Facilities and more than \$2 million for improvements to our parks. The Shrimptons Creek Corridor Embellishment project concludes in 2018/19 (\$2 million allocated).

#### **Community and Cultural**

In 2018/19, Council will be investing a total of \$5.7 million in building community and cultural identity across the City of Ryde. This program includes large events like our Annual Granny Smith Festival, which attracts more than 90,000 people every year, through to small scale activities like the Art Project which builds connections between local people, groups and Council to strengthen local identity (\$20,000 allocated in 2018/19).

#### **Economic Development**

Council will continue to support local businesses through the implementation of the Economic Development Plan, Macquarie Park Marketing Plan and Centres Activation Program. Actions include Business Bootcamps, an online directory, web sites, business e-newsletter, awards, surveys as well as employment and development programs. Council will also be working with its business partners in Macquarie Park, in nurturing, supporting and promoting the Macquarie Park Innovation District (MPID).

#### Land Use Planning

A review of the Ryde Local Environmental Plan (LEP) will continue in 2018/19. This review will incorporate changes in State Government requirements, new studies which have been undertaken and a revision of outcomes.

#### Town Centres and Neighbourhoods

In 2018/19, the Town Centre Upgrade Renewal Program includes significant upgrade works on Victoria Road in the Gladesville Town Centre. Funding will be used to inject economic and social vibrancy through the Neighbourhood Centre Renewals program. Separate from the renewal programs above, stage one of the Night Time Economy Implementation includes a series of creative lighting installations in town centres and the public domain to respond to the community's feedback detailed and identified in the Night Time Economy Study.

#### **Traffic and Transport**

The Pedestrian Access and Mobility Plan and Implementation Plan continues in 2018/19, improving access and mobility across the City of Ryde. \$600,000 has been allocated in 2018/19 for the construction of Traffic Calming Devices approved by the Ryde Local Traffic Committee. The key benefits of this project will be seen throughout our City, with an improvement in road safety for motorists through traffic calming, for pedestrians through pedestrian facilities and community amenity through parking restrictions.

#### **Property Portfolio**

Council has allocated \$1.4 million for 2018/19 in its two development properties at the sites 741-747 Victoria Road and 33-35 Blaxland Road. There is also a total of \$443,000 budgeted for other renewal and development projects within our property portfolio program.

#### Library Services

Support and funding for new books and extension to the digital catalogue provided by our Library Services in the City of Ryde and Hunters Hill areas will continue.

#### Waste and Recycling

Council has allocated \$450,000 for 2018/19 for the Porters Creek Precinct development. This will ensure the preservation of underground creek culverts, maintain environmental controls and will reconfigure the site for optimal use as a future Council operations precinct.

#### Stormwater

A budget of \$8.8 million is allocated for 2018/19 for the upgrade and improvement of stormwater infrastructure across our City, in preventing and minimising flooding, and protecting our natural waterways.

#### Foreshore

The seawalls/retaining walls upgrade program will receive \$780,000 for reconstruction in an effort to prevent erosion of the riverbanks and damage to foreshore infrastructure in 2018/19.

#### Internal Corporate Services

The development and management of information, records and corporate assets is a vital service for Council. This program oversees information technology, communications, business, financial and Human Resources infrastructure and services, in addition to fleet and plant management, planning and developing assets, project management and administrative support. The program has a Capital Budget of \$4.11 million for 2018/19.

I would like to thank the Mayor, Councillors and staff for their contributions to this Delivery Plan and look forward to implementing it on behalf of the community over the next four years.

Jelos.

George Dedes - City of Ryde General Manager.

#### **Getting involved**

Our consultation with the community has identified that people want to be more actively involved in Council decision-making and long-term planning for the area and want more effective communication and consultation by council.

#### Knowing what's going on

Council has an extensive communications program. Keep up to date with Council's news, announcements and issues via Council's website, Facebook page, Twitter, YouTube and sign up for our enewsletters.

#### Be heard

Get social and connect with us on our social media channels, including Facebook, Twitter, Instagram and Pinterest. Make a submission. Attend a community consultation drop-in session, info session, survey or focus group.

#### Join a Committee

Council committees draw on the knowledge and expertise of residents to help council make decisions and recommendations. They also provide information to Council on matters of concern to the community.

#### Come to a meeting

You are always welcome to come to one of Council's meetings. By attending meetings you can gain a better understanding about the way Council works and how decisions are made that affect your city.

#### Talk to a Councillor

Councillors are your elected representatives. They represent your interests in council. Let them know about your thoughts, issues and concerns.

## Council Governance and Committees

The City of Ryde exists as a body politic under the NSW Local Government Act 1993. The elected Council consists of 12 Councillors, being the Mayor and 11 Councillors, and must act in accordance with this Act and the associated State and Federal legislation.

The Councillors elect the Mayor annually, while the General Manager is responsible for administration of the Council.

Together, the Councillors, as 'Council', form the governing body of the City of Ryde, a public statutory body constituted under the NSW Local Government Act 1993. Day-to-day operations are delegated to the General Manager.

The Council has a range of committees that have been formed to deal with a range of subjects and decisions to be made by Council. Depending on the nature of the issue, the Committee may have delegated authority to make resolutions that will be implemented by Council officers, and if not, either refer or make a recommendations to the Council for determination. Current committees are:

Independent Hearing and Assessment Panel - Community Representatives -Put in place by the NSW Government so that the process of assessment and determination of DA's is transparent and accountable.

Works and Community Committee – Deals with provision of community facilities, services and programs to meet community needs.

Ryde Central Committee - Deals with matters relating to Ryde Central (previously Ryde Civic Hub).

Finance and Governance Committee - Deals with Finance and Governance matters.

Advisory Committees - There are currently 17 advisory committees covering different subjects that provide an opportunity for local residents and relevant organisations to contribute to the day-to-day running of the Council.

## Nelivering Services

The City of Ryde Council is responsible for strategy, planning, policy, regulation, and service delivery for the City of Ryde Local Government Area. During 2018-2022 Council will deliver a half-billion dollar program of investment in infrastructure and services for the City of Ryde, with a focus on delivering new infrastructure and maintaining the city's existing assets, and delivering deliver high quality services for residents and the community that makes up our City.

The Council is led by the General Manager. Council services are delivered through 21 departments that support the General Manager, and make up four Directorates.

## Four Year Delivery Plan 2018-2022

## Including One Year Operational Plan 2018/2019

The following sections of our Four Year Delivery Plan 2018-2022 including our One Year Operational Plan 2018-2019, will highlight how each of the seven outcomes identified in our Community Strategic Plan will be supported by a number of council programs. These programs bring together a number of activities and projects, over the next four years to deliver on our priorities for the City of Ryde.

Our programs have two main parts.

Projects, which are the specific activities which will be delivered to achieve our Community's vision.

These are supported by Council's base budget activities, which include our people and our contracted suppliers, who deliver all council services provided by the City of Ryde.

Detailed for each of our seven outcomes are planned projects for the forthcoming financial year and their associated expenditure. These projects are a major component of our One Year Operational Plan for 2018-2019, which together with our base budget services for each program, comprise the full range of services and initiatives that will be delivered during the year.

## Our vibrant and liveable city

Ryde is a city of welcoming and vibrant neighbourhoods – a range of well-planned clean and safe neighbourhoods and public spaces, designed with a strong sense of identity and place. They are places with character that support sustainable growth and demographic change.

#### Monitoring Progress

### Renewal of Town and Neighbourhood Centres

Community sentiment

City of Ryde's Housing Targets

## Great places, vibrant neighbourhoods

Centres are the focus of vibrant communities Places are designed for people

- Protecting the local amenity of neighbourhoods and ensure they are well maintained, regulated, accessible, and safe.
- Creating active places and spaces in town and neighbourhood centres and well-connected open spaces that encourage active lifestyles and social interaction.

## Collaborative development

## People are at the heart of planning and influence how the city grows and changes

- Actively advocating to the State Government and the Greater Sydney Commission so that future developments are appropriately considered and well planned to ensure that the character and liveability of their immediate neighbourhoods are maintained.
- Actively consulting with the community on all major developments in and bordering the City.

#### Sustainable design

Neighbourhoods support sustainable growth.

### Developments add to the character of their neighbourhoods

- Planning and designing our City to uphold and protect its unique character and encourage sustainable development, while also delivering diversity and housing choice.
- Ensuring the City of Ryde maintains leadership in the application of best practice planning and sustainable urban development.

The City of Ryde is an active and healthy community, with diverse recreational spaces and opportunities for people of all ages, abilities and backgrounds. People can easily gather in public spaces or at community events that bring residents together, helping everyone to feel part of the Ryde community.

#### Enhanced Recreational Spaces

Providing opportunities and choice for recreation and active learning and living

- Planning for expanded sport, recreation, leisure and library facilities to provide a range of choices for our community to achieve active and healthy lifestyles.
- Maintaining and promoting Ryde's great public spaces, parks, community venues, libraries, sporting facilities and clubs and ensuring they are easy to access and safe, and provide diverse opportunities for everyone to meet, play, learn and connect.

#### Well Targeted Services

### Strengthening community life, connectedness and wellbeing

- Actively connecting with the community to promote activities and services that are available throughout the City of Ryde.
- Continuing to build and enhance services, including those supporting our residents at different stages of their lives.
- Working with our partners to encourage healthy, active lifestyles and social connections.

#### Monitoring Progress

## Our natural and sustainable city

The City of Ryde's open spaces and natural areas provide breathing spaces. People can easily access protected catchments and waterways. The built environment retains local character and heritage while providing contemporary energy and resource savings and sensible waste solutions.

#### **Sustainable Planning**

Reducing our environmental footprint and protecting our natural and built environments

- Being active environment leaders in all that we do and leaders in ecologically sustainable development.
- Using planning controls to encourage developments that use less water and energy and maximise recycling.
- Innovating our waste and recycling services to achieve the highest level of resource recovery.

## Protecting natural areas

Reducing our impact on our natural systems and strengthening the health of our natural corridors

- Continuing investment in programs that protect and enhance City of Ryde's natural areas including our bushlands, waterways and eco systems.
- Collaborating with volunteers, businesses and the community to care for and enhance our natural areas.

#### **Resilient Infrastructure**

### Managing infrastructure to reduce risk and impacts

- Building the City's resilience to natural hazards and working to reduce long term and immediate climate related risks and impacts.
- Upgrading and managing stormwater, drainage and seawall infrastructure to improve service levels and reduce risks to the environment and the community.

# Our smart and innovative city

The City of Ryde is designed and planned to encourage new investment, thriving local businesses, local jobs and business opportunities. Community and businesses flourish in an environment of innovation, progression and economic growth.

## Business opportunity and investment

### Businesses benefit from a prosperous local economy

Using urban design controls and continued collaboration to manage Ryde's growth and attract a diversity of business opportunities and jobs. This includes identifying ways to strengthen town and neighbourhood centres, build the night time economy, and promote and support small businesses.

#### Strengthening Business Networks

### Partnerships shape business growth, investment and development

- Working with businesses, the community, non-government organisations, State agencies and neighbouring councils to implement our Economic Development Plan to support existing businesses and guide business growth, investment and development
- Working with partners to develop and promote Ryde's business brand and credentials and provide facilities, services and support to local businesses.

#### Macquarie Park

Macquarie Park expands its role as a leading commercial centre and innovation district

- Continuing our work with the NSW
   Government, Macquarie University and
   business partners to enhance Macquarie
   Park as a major commercial centre and
   innovation district.
- Creating a night time economy in targeted areas within Macquarie Park.

Ryde is a city where it is easy, safe and convenient for people to get to work, visit friends or shops, or use local facilities and services. Walking, cycling and public transport are easy to use and well connected throughout the city.

#### Connections to our City

Improving access to our suburbs, workplaces and major destinations

- Continuing to advocate for better transport connections for the City of Ryde, including a light rail link from Parramatta to Macquarie Park and improved transport interchanges in key locations.
- Promoting sustainable transport and reducing reliance on cars, in our work with the State Government agencies and through organisations such as Connect Macquarie Park and North Ryde.

## Connections within our City

Improving access to our centres and recreation and reducing our travel footprint

- Continuing to enhance and maintain connections and accessibility to centres, open spaces and places including:
- Improved car parking options, especially in town centres,
- Planning for increased use of active and public transport options, and improved pedestrian access and mobility,
- Continuing investment in the road network, footpaths, cycleways and walkways, and
- considering technology solutions assisting parking and vehicle movement,

#### **Digital Connectivity**

### Accessible digital connections for the community and business

Growing digital connection to improve public accessibility to information and provide the infrastructure framework supporting future 'Smart City' initiatives.

## Our open and progressive city

The City of Ryde is well led and managed, supported by ethical organisations that deliver projects and services to the community by listening, advocating and responding to their needs.

The community and residents are actively engaged in shaping the future of our City.

## Advocacy on key issues

### Achieving the best outcomes for the City of Ryde and its people

- In building our City's future with its stakeholders and community leaders we will be strongly advocating on behalf of our community, especially on development matters and emerging social challenges.
- Maintaining strong relationships with State agencies, business and key stakeholders in planning and shaping the City's future.

#### Monitoring Progress

Stakeholder perceptions of City of Ryde Council

Community sentiment

Council's operating result

Compliance with relevant laws, and policy, planning and governance frameworks

## An engaged and informed community

### Residents trust Council and feel well informed, heard, valued and involved.

- Actively engaging with our community on key issues.
- Focusing on how we collaborate and communicate with our community. We need residents and ratepayers to be well informed on all issues, including our progress.
- Using technology to support community engagement and program delivery.

#### Well Led, Financially Sustainable

### Transparent, responsible leadership and governance

- Responsible civic leadership focused on delivering the best outcomes for the City and Ryde and its community, supported by transparent, accountable decision making and comprehensive governance and accountability frameworks.
- Continually improving the things our residents care about and drive efficiencies in our service delivery to deliver 'value for money'.
- Continuing to generate operational surpluses to maintain our services, facilities and infrastructure at the required standard.
- Continually improving Council's performance in the delivery of our services, facilities and infrastructure to our community.

# Contributing Programs 2018-2022

Programs are a collection of sub programs and associated accountabilities and associated projects, costs and performance indicators. They are used to present annual budgets to Council and we report on progress against them in our quarterly reviews.

#### 1. Open Space, Sport & Recreation program

Supporting our residents to lead healthy, active and independent lives through services that provide leisure, lifestyle and recreation opportunities for people of all ages, abilities and backgrounds and that bring residents together so they can maintain their connections with the community.

Developing, delivering, maintaining and managing all our sports, recreation, and open spaces and natural areas infrastructure, services and facilities to ensure that residents continue to enjoy reasonable access to the city's sports and recreation facilities into the foreseeable future.

#### 5. Centres and Neighbourhood program

Proactively planning and managing City of Ryde's built environment to meet our diverse community's needs now and into the future:

- Creating vibrant well designed public places that are inviting, functional, safe, attractive and well maintained that people enjoy and the community values.
- Maximising the identity, amenity and useability and preserving the character of neighbourhoods and local streets.
- Enhancing the public spaces and places in which people can live, work, shop, meet and spend leisure time, including ensuring our commercial centres remain inviting and commercially viable.

Developing, delivering, maintaining and managing all our public domain infrastructure, facilities and place management:

**Base Services** 

- Public places and the public domain (including centres and neighbourhoods)
- Public trees (incl arborist service)
- Street and public lighting (inc smart poles)
- Gardens

Improving our streetscapes and neighbourhoods.

Public Art Advisory Service

#### Performance Measures Targets

- % community satisfaction with:
- renewal of town centres
- cleanliness of town centres
- street lighting
- public art
- graffiti removal
- public toilets

# Key Components to resource our Delivery Plan (SRV – 7%, including 2.3% rate pegging)

Council's four-year Resource Plan has been prepared in accordance with the requirements of the Local Government Act 1993 (as amended).

The Resource Plan provides financial forecasts for the four-year term of the plan and includes a detailed breakdown of income and expenditure relating to the financial year.

The key components of the financial plan include:

- Key financial assumptions
- Sensitivity analysis and risk assessment
- Scenario modelling
- Key financial performance indicators

These statements detail Council's projected financial performance and projected Working Capital for 2018 to 2022 and highlight a sound financial position for the City of Ryde.

Table's 1 and 2 summarise the key financial resources required for the next four years and the financial outcomes compared to the targets contained in the Delivery Plan and Operational Plan.

# **Rating and Revenue Policy Statement**

#### **Rating Plan**

In 2018/19, Council is projecting net Rate Income of \$68.2 million which represents 46.36% of Council's total income.

Council considers the principles of equity and benefit in determining its rating structure and seeks to

- Maximise the income from business properties to ensure business contributes their fair proportion of rates to the City of Ryde
- Set minimum rates in accordance with the Minister for Local Governments approval.

Council's rating strategy has been to move to retain a 70/30 split between the rates derived from residential and business properties. This was first initiated in 2008/09 and will remain in place for 2018/19. The Minster for Local Government has set the rate pegging limit at 2.3% for 2018/19.

#### Loan Borrowings

Council proposes to undertake a new loan for \$0.70 million during 2018/19 for the development of the site located at 741 Victoria Road, Ryde and the development of the site located at 33-35 Blaxland Road, Ryde.

#### Sale of Assets

There are no planned sales of Council assets in this Delivery Plan, the only exception being the sale of Council's plant and motor vehicles as part of its annual fleet renewal program.

#### **Plant and Motor Vehicles**

The City of Ryde Plant & Fleet Management Sub-Plan and the Plant Replacement policy stipulate a change-over period of 2 ½ years for motor vehicles. Council has a rolling plant replacement program which ranges from 3 to 15 years for its various categories of plant. The following amounts for Plant Replacement are included in the 2018/19 Draft Budget:

| Plant Purchases | \$ 3,200,000                    |
|-----------------|---------------------------------|
| Plant Sale      | <u>\$ 1,200,000</u>             |
| Net Cost        | \$ 2,000,000 from Plant Reserve |

#### Property

The Buildings and Property Unit is responsible for the effective and efficient management of Council's property portfolio. This is professionally administered utilising existing Council policies and plans.

The Asset Operational Plan provides the necessary tools and strategies for Council to ensure those assets held within the portfolio are consistent with Council's future directions and sufficient funding is allocated to those with a poor condition rating.

The Strategic Property Policy provides the framework for Council to increase or reduce the portfolio, by acquiring new or disposing of underperforming or underutilised properties. These actions ensure that all properties are optimised to their fullest potential.

Council has allocated an amount of \$2.24 million for capital expenditure on Council's property portfolio in the 2018/19 Budget.

Council has not specifically identified any other individual assets to be disposed of in the 2018/19 budget and this would be subject to a resolution of Council to proceed.

#### Senior Officers

Under the Local Government Act Section 332(1), Council has resolved to have the following seven positions designated as 'Senior Officers':

- General Manager
- Director Corporate and Organisational Support Services
- Director Customer and Community Services
- Director City Planning and Development
- Director City Works and Infrastructure
- General Counsel
- Chief Financial Officer

The adoption of this Delivery Plan confirms that all previous resolutions are no longer applicable, and that this listing as the only positions applicable under Section 332(1).

## Rates & Annual Charges for 2018/19 (SRV – 7%, including 2.3% rate pegging)

#### Lifestyle and opportunity @ your doorstep DRAFT Four Year Delivery Plan 2018-2022 including the One Year Operational Plan 2018/19

#### Pensioner concession

Council provides a rate reduction to eligible pensioners under Sections 575 and 582 of the Local Government Act. Eligible pensioners are entitled to a rebate of 50% of their combined rates and domestic waste charges, up to a maximum of \$250 of which 55% is government funded and 45% Council funded. In addition Council provides a voluntary rebate of \$80 to those pensioners who were in receipt of the pensioner rebate as at 31 December 1992 and have lived in the City of Ryde for 10 years. There are approximately 4,500 eligible pensioners in the City of Ryde who receive the statutory pensioner rebate and 450 who also receive Council's voluntary rebate. The total cost of these rebates to Council is approximately \$520,000.

#### Aggregation of values of rateable land subject to rates containing base amounts or minimum rates

Within the City of Ryde there are some strata developments which result in garage and/or storage spaces being given their own lot number and consequently their own unit entitlement. Therefore, these garage spaces and storage spaces are subject to being separately rated. However, the City of Ryde has in previous years allowed an owner of strata titled dwelling who also owns a garage space and/or a storage space, to request Council to add together the unit entitlements of the lots and to levy rates on only one rates notice.

The authority for Council to add together (aggregate) the unit entitlements of strata units with garage spaces and storage units is Section 548A of the Local Government Act, 1993. Therefore, for 2018/19 Council will allow the aggregation of certain parcels of rateable land in accordance with Section 548A of the Local Government Act, 1993.

#### Fees and Charges for 2018/2019

The full schedule of Council Fees and Charges can be found on the City Of Ryde website: <u>https://www.ryde.nsw.gov.au/Council/Plans-and-Publications/Fees-and-Charges</u>

## Macquarie Park Corridor Special Rate

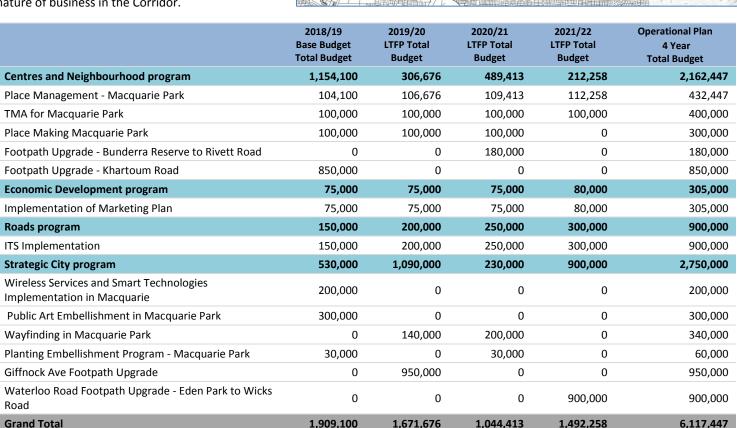

This Special Rate (which was approved by the Minister for Local Government in 2006 on an ongoing basis, in perpetuity) will raise \$1.5m during 2018/19 from business properties in the Macquarie Park Corridor. At present, 416 business properties are located within this area. This area is identified on the following map:

A copy of the map is available for public inspection at the City of Ryde Administration Building, 1 Pope Street Ryde.

The funds raised will be used to assist in implementing the Macquarie Park Corridor Master Plan, which has been developed in conjunction with the State Government and community stakeholders in response to the changing nature of business in the Corridor.

Special rate funds will be used to construct and maintain the public domain infrastructure in the area, improve roads and cycleways as the area changes from a low density business park to an attractive, viable and vibrant urban centre.

Expenditure of all funds received from the Macquarie Park Corridor Special Rate will be separately accounted for and restricted to the projects identified in the Capital Works program section of this Delivery Plan and Operational Plan. Reports will be provided to the Council on a quarterly basis and to the community on an annual basis regarding expenditure of special rate funds on these projects.

## 22. Special Infrastructure Renewal

This Special Rate, which represents the difference between the amount of rating revenue sought through Council's SRV application to IPART, being 7% per annum for four years from 2015/16 as increase in the total rating yield on an ongoing basis in perpetuity. It will generate \$11.9 million during 2018/19 from all rateable properties in the City of Ryde. 2018/19 is the fourth and final year in which the 7% SRV will apply. The Ministerial Rate Cap determined by the Independent Pricing and Regulatory Tribunal (IPART) will apply in subsequent years.

Special rate funds will be used to undertake additional asset infrastructure renewal works and asset maintenance throughout the City of Ryde.

Expenditure of all funds received from the Special Infrastructure Renewal Rate will be separately accounted for and restricted to the works identified in the Capital Works program section of this Delivery Plan and Operational Plan. Reports will be provided to the Council on a quarterly basis and to the community on an annual basis regarding expenditure of special rate funds on these projects.

The following table shows the projects for which these funds have been committed over the period of the Delivery Plan:

#### **Asset Replacement Reserve**

Council has always been funding the replacement of assets through a combination of General Revenue and the use of additional funding, restricted in the Asset Replacement Reserves, from saving made during the financial year.

To ensure a higher level of transparency, Council will now show the total amount of funds that are generally restricted for use for Renewal as being a transfer to the asset replacement reserve, with the initial figure being indexed by rate pegging each year.

Expenditure of all funds restricted to the Asset Replacement Reserve will be separately accounted for and restricted to the works identified in the Capital Works program section of this Delivery Plan and Operational Plan. Reports will be provided to the Council on a quarterly basis and to the community on an annual basis regarding expenditure of special rate funds on these projects.

This is ensure that Council does not, as a result of the Special Rating Variation, reduce the amount that is already allocated on asset renewal, but does, in fact, increase its spending by the additional amount raised by the Special Infrastructure Renewal Rate. Whilst there is no legislative requirement for Council to make this disclosure, it was felt prudent to be transparent in relation to the additional funds, and that it will not have an impact on the funds already being spent.

The following tables show the projects for which these funds have been committed over the period of the Delivery Plan.

#### **Domestic Waste Management Service Charge**

Domestic Waste Management Services are provided on a full cost recovery basis. Costs are determined by contractor charges and Council costs and overheads necessary to manage the service.

The Domestic Waste Management Service charge for 2018/19 is levied under Section 496 (1) of the Local Government Act 1993 (as amended) and has been set at \$422.00 per service, per annum. This represents a 1.8% reduction on the 2017/18 adopted fees for Domestic Waste. The Domestic Waste Management Service charge is levied on each rateable residential property within the City of Ryde. This charge will yield estimated total revenue of \$19.7 million.

A standard Domestic Waste Management Service consists of:

- One 140 litre garbage bin collected weekly
- One 240 litre recycling bin and one 240 litre green vegetation bin each collected fortnightly on alternate weeks
- Mulching and Chipping Service
- Maximum 5 booked clean-up services per residential property per year

Unit blocks with a bin bay will share a 240 litre garbage bin and a 240 litre recycling bin between two units and receive one vegetation bin per unit block or as required. Services will be provided in addition to the standard service at the following annual charges. The estimated yield from each annual charge is shown:

| Domestic Waste Management<br>Services | Annual<br>Charge \$ | Estimated<br>Yield \$ |
|---------------------------------------|---------------------|-----------------------|
| Standard Service                      | 422.00              | 18,390,000            |

#### Non-Residential Waste Management Service Charge

Non-Residential Waste Management Services are provided on a full cost recovery basis. Costs are determined by contractor charges and Council costs and overheads necessary to manage the service.

The Non-Residential Waste Management Service charge for 2018/19 levied under Section 501(1) of the Local Government Act 1993 (as amended) and has been set at \$422.00 per service, per annum.

The Non-Residential Waste Management Service charge is levied on each nonrateable non-residential property within the City of Ryde where the service is requested. This charge will yield estimated total revenue of \$0.130 million.

A standard Non-Residential Waste Management Service consists of:

- One 140 litre garbage bin collected weekly
- One 240 litre recycling bin and one 240 litre green vegetation bin each collected fortnightly on alternate weeks
- Mulching and Chipping Service

Services will be provided in addition to the standard service at the following annual charges. The estimated yield from each annual charge is shown:

| Non Residential Waste<br>Management Services | Annual<br>Charge \$ | Estimated<br>Yield \$ |

#### Section 611 Local Government Act - Annual Charges

Section 611 of the Local Government Act, 1993 permits Council to charge persons who benefit from having private facilities on, above or under public land. The following charges are to be levied under Section 611 during the 2018/19 financial year:

#### (i) Vehicle Overbridge, Herring Road

Council has a legal agreement with the owners of Macquarie Shopping Centre (AMP Society and Perpetual Trustee Company Limited) relating to the use of Council land in Herring Road for the purposes of a concrete access ramp and bridge. The amount charged is based on a fair, commercial rental valuation reviewed every five years.

The anticipated revenue for 2018/19 is \$81,920 (GST free)

#### (ii) Shell Refining Oil Pipeline

Council has a legal agreement with the Shell Oil Company relating to the use of Council land for an oil pipeline, which travels under public land through a portion of the City. The anticipated lease payment to Council for 2018/19 is \$63,180 (GST free). The amount payable is based on the following formula:

#### (D/25)\*(L/30)\*7.5

Where, D = diameter of the pipe (304.8 millimetres), and L = the length of the pipe, (6,858 metres). The resultant amount is at a 1985 price level and is adjusted annually for movements in the CPI.

#### (iii) Jemena Gas Networks (NSW) Ltd (AGL) Gas Mains

Based on an annual review by KPMG of AGL's revenue. Anticipated income in 2018/19 is \$81,610.

#### Interest on Overdue Rates and Annual Charges

The Minister for Local Government has set the maximum interest rate allowable for the 2018/19 at 7.5%. Council charges the maximum interest rate on overdue rates and charges, as an incentive for ratepayers to meet their commitments as they fall due.

# Proposed Development Properties

#### **Proposed Development Projects - City of Ryde Properties**

In accordance with the requirements of Office of Local Government's Capital Expenditure Review Guidelines, the proposed developments are included in the council's Delivery Plan, in bringing these proposals to the community's attention and to invite submissions. As detailed these initiatives form part of Council's further investigations into alternative revenue sources.

#### Property 1. 741-747 Victoria Road, Ryde

- This project was reported to Council on 9 December, 2014 when Council resolved to further develop this project proposal.
- Council's Highest and Best Use Study (2012) analysed Council's properties at 743-747 Victoria Road and the adjoining property at 741 Victoria Road (which was acquired by Council in 2014). This study determined that the site had both the potential to be re-developed as a residential/mixed use project.
- The consolidated site has created a significant development opportunity for Council.
- The site is 1284 square metres in size; is zoned B4 Mixed Use; has a maximum height control of 20 metres and a Floor Space Ratio of 2.5:1 (Floor Space of 3211 square metres).
- The Highest and Best Use of the site is therefore a mixed-use development (residential apartments/ commercial/retail) comprising 7 levels and 2 levels of basement car parking. The development will provide Key Worker Housing.

#### Property 2. Argyle Centre – 33-35 Blaxland Road, Ryde

- This project was reported to Council on 9 December, 2014 when Council resolved to further develop this project proposal.
- Council's Highest and Best Use Study (2012) analysed Council's property at 33-35 Blaxland Road, Ryde
- (the Argyle Centre). This Study determined that the Highest and Best Use of the site is for mixed-use development, comprising predominantly residential apartments, together with a limited area of ground floor retail suites.
- The site is 1220 square metres in size; is zoned B4 Mixed Use; has a maximum height control of 21.5 metres and a Floor Space Ratio of 2.5:1 (giving Floor Space of 3050 square metres).
- The mixed use Development includes, six levels, comprising ground floor retail/ commercial space (900 square metres), together with five levels of residential apartments and two levels of basement car parking, including key worker housing.

# **Commercial Matters**

#### **Statement of Business or Commercial Activities**

Under the National Competition Policy (NCP) the identification of such activities and the application of the principle of competitive neutrality to business activities by the Council is a requirement.

Essentially the principle is that Council should operate without net competitive advantage over other businesses as a result of its public ownership – a level playing field.

The guidelines specify the following tests to be applied to Council's activities:

- Council's intentions in operating the activity; and
- Is private competition present or possible for the activity?

In addition, further tests relating to the scale of the activity within the local community may determine that:

- If it is small in scale, it may be in competition but its effects are immaterial; and
- If it is large in scale, it is more likely to be perceived by competitors as a business activity.

The NCP guidelines impose additional conditions for a category with revenue exceeding \$2 million per year. These are category 1 businesses in terms of NCP and are required to apply Taxation Equivalent Payments and generate a return on capital invested. Consideration of these tests resulted in the following activities being identified as businesses:

- Ryde Aquatic Leisure Centre. This is a category 1 business activity due to scale (revenue in excess of the prescribed threshold level of \$2 million per annum); and
- Commercial Waste Management: the collection and disposal of waste from commercial properties. Fees are based on a charge per bin collection for both garbage and recycle bins.

These activities are specifically identified in Council's Annual Financial Reports and a separate Special Purpose Financial Report is prepared to disclose their results.

#### CITY OF RYDE | DRAFT 2018-2022 Delivery Plan

We recognise that engaging with our community to understand our shared hopes and aspirations is central to everything we do. This Four Year Delivery Plan including One Year Operational Plan has been developed to encapsulate what we will do together over the next four years to ensure that our City remains a place where we continue to experience lifestyle and opportunity at our doorstep.

The Draft Four-Year Delivery Plan 2018-2022 including the One-Year Operational Plan 2018/19 will be placed on public exhibition at the Ryde Customer Service Centre (Pope Street, Ryde), branch libraries and on the City of Ryde's web site for a period of 28 days, between 02 May 2018 to 29 May 2018.

To make sure that this document is more than just words on a page we need to hear from all parts of our community. If you have any comments on this document or on our plans please share them with us through any of the avenues listed.

Feedback received during the exhibition period will considered by Council prior to the Plan being adopted.

Submissions are encouraged and will be facilitated through the following methods:
