

**MM12/19 KOREAN NURSES' ASSOCIATION - Mayor, Councillor
Jerome Laxale**

File Number: MYR/07/10/20 - BP19/724

The Korean Nurses Association of Australia (KNAA) which is located in West Ryde, has recently celebrated its 30th anniversary.

During the past 30 years, the Association has cared for the local community through public seminars and the conduct of health campaigns.

The Association offers continuous professional development to its nursing members and partners with various health departments to raise awareness of public health issues. The most notable campaign was to increase awareness of Hepatitis B in the Korean population living in Sydney.

To mark the 30th anniversary of this local group I have been asked to host a morning tea and am pleased to offer to do so.

RECOMMENDATION:

- (a) That the Mayor host a morning tea to commemorate the 30th anniversary of the Korean Nurses Association of Australia.
- (b) That a suitable plaque be presented to the Association to be funded from General Revenue.
