
3 SENIOR CITIZEN'S COMMUNITY PROJECT - Councillor Dr Peter Kim**File Number: CLM/19/1/1/6 - BP19/601**

BACKGROUND:

Karaoke is very popular with Korean senior citizens. The 'Federation of Korean Societies of Oceania Inc' would like to deliver a Community Project to gather isolated senior citizens in our community through a Karaoke singing competition.

MOTION:

- (a) That Council considers supporting the 'Federation of Korean Societies of Oceania Inc' in delivering a Community Project which works towards building a cohesive and connected community based on the principles of inclusion, enhancing community wellbeing and cultural capacity building.
- (b) That with respect to part (a) above, that Council staff contact the 'Federation of Korean Societies of Oceania Inc' to discuss this Community Project to be held in October 2019.
- (c) That the 'Federation of Korean Societies of Oceania Inc' be invited to apply for a Grant through the Community Grants process, noting that this application would fall outside of the existing grant rounds.
- (d) That subject to the grant application complying with assessment criteria outlined in the Community Grants Policy 2019, Community Projects category, Council allocate \$5,000 for the project from the 2019/20 Community Grants budget.

4 INVESTIGATION OF TICKETED PARKING SCHEME GLEN STREET/LAKESIDE ROAD CAR PARK, EASTWOOD -Councillor Simon Zhou

File Number: CLM/19/1/1/6 - BP19/610

BACKGROUND

Glen Street/Lakeside Road Car Park is one of the most used council car parks in Eastwood. The carpark is currently patrolled by Council rangers and fines are issued when motorists exceed the 2 or 3 hour time limits. Council should consider the implementation of a parking ticket system before building a fully upgraded new car park in Eastwood.

MOTION:

That the General Manager prepare a report for Council which investigates the cost and feasibility of installation and management of a ticketed parking scheme at Eastwood's Glen Street/Lakeside Road Car Park which allows motorists the opportunity to park for a specified period of time in the car park in addition to the current 2-3 hours free parking.
