- Mayor, Councillor Jerome Laxale

File Number: MYR/07/10/20 - BP21/648

REPORT SUMMARY

As a result of the current lockdown which covers the Greater Sydney area and the impact this will have on local businesses and activities, I make the following recommendation.

RECOMMENDATION:

- (a) That the General Manager prepare a report outlining measures that could be implemented to support small businesses in Ryde adversely impacted by the current Greater Sydney 2021 lockdown.
- (b) That the report identify and provide information on the financial impact of small business fee/rent waivers (similar to those provided during the 2020/2021 financial year due to lockdowns) on the 2021/2022 budget.
- (c) That the report identify and provide costings for, if required, fee refunds for sporting and community groups in the City of Ryde who were unable to use grounds and facilities during the period of the Greater Sydney lockdown.
