The General Manager will determine whether to suppress the information taking into account the safety or well-being of the person and the public's interest in maintaining access to the information. If the General Manager is of the opinion that the public's interest in maintaining public access to the information outweighs any individual interest in suppressing the information, the request to suppress the information will not be approved. **J. Discretionary disclosures - NIL**

<p>You may voluntarily disclose in a return any interest, benefit, advantage or liability, whether pecuniary or not, that do not 'fit' in other sections (e.g. the interests of the spouse or a partner which do not have to be disclosed under the legislation, but where you feel it may be in the public interest to do so).</p>

**Important Information Statement**

The pecuniary interests and other matters to be disclosed in this return are prescribed by the *Local Government Act 1993* and Schedule 1 of the *Model Code of Conduct for Local Councils in NSW* (the Model Code of Conduct). This information is being collected for the purpose of complying with clause 4.21 of the Model Code of Conduct.

You must not lodge a return that you know or ought reasonably to know is false or misleading in a material particular (see clause 4.23 of the Model Code of Conduct). Complaints about breaches of these requirements are to be referred to the Office of Local Government and may result in disciplinary action by the council, the Chief Executive of the Office of Local Government or the NSW Civil and Administrative Tribunal.

The information collected on this form will be kept by the General Manager in a register of returns. The General Manager is required to table all returns at a council meeting.

Information contained in returns made and lodged under clause 4.21 is to be made publicly available in accordance with the requirements of the *Government Information (Public Access) Act 2009*, the *Government Information (Public Access) Regulation 2009* and any guidelines issued by the Information Commissioner.

You have an obligation to keep the information contained in this return up to date. If you become aware of a new interest that must be disclosed in this return, or an interest that you have previously failed to disclose, you must submit an updated return within three months of becoming aware of the previously undisclosed interest.

In accordance with Section 58 of the *Privacy and Personal Information Protection Act 1998 (NSW)* ("PPIPA") and Section 739 of the *Local Government Act 1993 (NSW)*, a person may request of Council that their personal information be removed from, or not placed on the public register and subsequently not disclosed to the public. This request must be made to the General Manager, in writing, accompanied by a Statutory Declaration. The request must include particulars of the relevant risk that would place any persons' safety or well-being at risk should the information be placed on the public register. The General Manager will determine whether to suppress the information taking into account the safety or well-being of the person and the public's interest in maintaining access to the information. If the General Manager is of the opinion that the public's interest in maintaining public access to the information outweighs any individual interest in suppressing the information, the request to suppress the information will not be approved. Any information that is suppressed from the public register may be kept on the register for other purposes.
