  - (i) any relevant Standard Requirements;
  - (ii) any relevant design standards or guidelines and any other requirements or policies applied by the Council from time to time in assessing the adequacy of any works or improvements proposed for the public domain or to be accessible to the public in accordance with this Deed.
  - (iii) the specification and finishes contained in the Contribution Works Concept Plans.
- (c) The Owner will obtain any relevant standards (including design standards), specifications, or guidelines and any other requirements or policies referred to in clause 5.2(b)(ii) of this Schedule 4 from the Council if the Council fails to deliver them to the Owner.

#### **5.3 Damage**

- (a) The Owner is to ensure to the fullest extent reasonably practicable that, in performing its obligations under this Deed:
  - (i) all necessary measures are taken to protect people and property;
  - (ii) unnecessary interference with the passage of people and vehicles is avoided; and

- (iii) nuisances and unreasonable noise and disturbances are prevented.
- (b) Without limiting clause 5.3(a) of this Schedule 4, the Owner is not to obstruct, interfere with, impair or damage any public road, public footpath, public cycleway or other public thoroughfare, or any pipe, conduit, drain, watercourse or other public utility or service on any land except as authorised in writing by the Council or any relevant Authority.

## 6 Inspection

### 6.1 Inspection schedule

- (a) On completion of the Detailed Design, the Council will provide a schedule of inspections to be undertaken by Council which has been prepared as a result of consultation with the Owner (**Inspection Schedule**) to occur at specified stages of the construction of the Contribution Works (**Inspection Stage**).
- (b) If the Council does not provide the Inspection Schedule, the Owner must request the Inspection Schedule from the Council prior to the Contribution Works commencing.

### 6.2 Inspection process

- (a) No less than 5 Business Days prior to reaching an Inspection Stage as set out in the Inspection Schedule, the Owner must notify the Council of the proposed inspection date (**Inspection Date**).
- (b) On the Inspection Date, or other agreed date, the Owner must ensure that any employees, contractors, agents or representatives of the Council have access to and may enter the Land to inspect the Contribution Works.
- (c) In addition to carrying out inspections in accordance with the Inspection Schedule, the Council may enter the Land or any part of the Land on which the Contribution Works are located to inspect the progress of the Contribution Works, subject to:
  - (i) the terms of the Construction Contract (save for any clause of the Construction Contract which prevents the Council from accessing the Land);
  - (ii) giving reasonable notice to the Owner;
  - (iii) complying with all reasonable directions of the Owner; and
  - (iv) being accompanied by the Owner or a nominee, or as otherwise agreed.
- (d) The Council may, acting reasonably, within 5 Business Days of carrying out an inspection (either under clause 6.2(b) or(c) of this Schedule 4), notify the Owner of any defect or non-compliance in the Contribution Works and direct the Owner to carry out work to rectify that defect or non-compliance within a reasonable period of time. Such work may include, but is not limited to:
  - (i) removal of defective or non-complying material;

- (ii) demolishing defective or non-complying work;
  - (iii) reconstructing, replacing or correcting any defective or non-complying work; and
  - (iv) not delivering any defective or non-complying material to the site of the Contribution Works.
- (e) If the Owner is issued a direction to carry out further work under clause 6.2(d) of this Schedule 4, the Owner must, at its cost, rectify the defect or non-compliance specified in the Notice within the time period specified in the notice, provided that it is reasonable having regard to the nature of the works.
- (f) If the Owner fails to comply with a direction to carry out work given under clause 6.2(d) of this Schedule 4, the Council will be entitled to refuse to accept that the Contribution Works (or the relevant part of the Contribution Works) meet the Council's standards and specifications and may refuse to issue a Certificate of Practical Completion, until the required Contribution Works have been completed to the Council's satisfaction, acting reasonably.
- (g) For the avoidance of doubt, any acceptance by the Council that the Owner has rectified a defect or non-compliance identified in a notice issued under clause 6.2(d) of this Schedule 4 does not constitute:
- (i) acceptance by the Council that the Contribution Works comply with all Approvals and Laws; or
  - (ii) an Approval by the Council in respect of the Contribution Works; or
  - (iii) an agreement or acknowledgment by the Council that the Contribution Works or the relevant part of the Contribution Works are complete and may be delivered to the Council in accordance with this Deed.

## **7 Completion**

### **7.1 Practical Completion**

- (a) When the Owner considers that the Contribution Works, or any part of them, are complete, the Owner must send a notice to the Council accompanied by complete works as executed plans, any relevant certificates or consents of any public utility authority and a request for written certification from the Council that the Contribution Works or relevant part of them are complete.
- (b) Within 20 Business Days of receipt of the notice under clause 7.1(a) of this Schedule 4, the Council will carry out an inspection of the Contribution Works or relevant part of them and will, acting reasonably, within a further 10 Business Days or other period of time as agreed between the Parties, either:
- (i) provide written certification to the Owner that the Contribution Works or relevant part of them have been completed; or
  - (ii) notify the Owner of any additional information required or matters which must be addressed by the Owner prior to the certification being issued.

- (c) If the Owner is required to provide additional information or address any matters under clause 7.1(b)(ii) of this Schedule 4, the Owner will provide that information to the Council or address those matters within 10 Business Days of receiving the notice or within a reasonable period of time and make a further request under clause 7.1(a) of this Schedule 4 for written certification that the Works have been completed.
- (d) Practical completion will be achieved in relation to the Contribution Works or any relevant part of them when a Certificate of Practical Completion has been issued for those works by Council.

## 7.2 Delivery of documents

The Owner must as soon as practicable, and no later than 20 Business Days after the date on which the Certificate of Practical Completion is issued in respect of the Contribution Works or any relevant part of them, provide the Council with a tour of the land.

## 7.3 Assignment of warranties

- (a) The Owner must assign (as beneficial owner) or cause to be assigned to the Council the benefit of any warranties and guarantees obtained by the Owner and the Builder (and capable of assignment) with respect to any material or goods incorporated in or forming part of the Contribution Works.
- (b) To the extent that any such warranties or guarantees cannot be assigned, the Owner must at the request of the Council do anything reasonably required by the Council to enforce such warranties or guarantees for the benefit of the Council.

# 8 Defects liability

## 8.1 Obligation to rectify

- (a) During the Defects Liability Period, the Council (acting reasonably) may give to the Owner a notice (**Rectification Notice**) in writing that identifies a defect in the Contribution Works and specifies:
  - (i) action required to be undertaken by the Owner to rectify that defect (**Rectification Works**); and
  - (ii) the date on which the defect must be rectified (**Rectification Date**).
- (b) The Owner must comply with the Rectification Notice by:
  - (i) procuring the performance of the Rectification Works by the Rectification Date, or such other date as agreed between the Parties;
  - (ii) keeping the Council reasonably informed of the action to be taken to rectify the defect; and
  - (iii) carrying out the Rectification Works.

- (c) The Council must give the Owner and its contractors any access required to carry out the Rectification Works.

## **8.2 Rectification complete**

- (a) When the Owner considers that the Rectification Works are complete, either the Owner must notify the Council and provide documentation, plans or invoices which establish that the Rectification Works were carried out.
- (b) The Council may inspect the Rectification Works within 15 Business Days of receiving a notice from the Owner under clause 8.2(a) of this Schedule 4 and, acting reasonably:
  - (i) issue a further Rectification Notice if it is not reasonably satisfied that the Rectification Works are complete; or
  - (ii) notify the Owner in writing that it is satisfied the Rectification Works are complete.

## **8.3 Rectifications costs**

- (a) The Owner must meet all costs of and incidental to rectification of defects under this clause 8 of this Schedule 4.
- (b) If the Owner fails to comply with a Rectification Notice, then the Council may do such things or take such action as is necessary to carry out the Rectification Works, including accessing and occupying any part of the Land without further notice to the Owner, and may:
  - (i) call upon any Security provided to the Council under clause 8.4 of this Schedule 4 to meet its costs of carrying out Rectification Works; and
  - (ii) recover as a debt due to the Council by the Owner in a court of competent jurisdiction, any difference between the amount of the security deposit and the costs incurred by the Council in carrying out Rectification Works.

## **8.4 Security for defects liability**

- (a) The Owner must deliver to Council each Defects Security:
  - (i) on the Commencement Date for that Defects Security; and
  - (ii) in the relevant Security Amount.
- (b) The Owner advises and the Council acknowledges its awareness that the Securities may be supplied by the Builder and form a part of the security held by the Owner from the Builder under the terms of the Construction Contract, provided that:
  - (i) any Bond or Bank Guarantee provided by the Builder benefits the Council and satisfies the requirements of this Deed; and
  - (ii) the Owner procures an agreement from the Builder that the Council will be entitled to call on any Security provided by the Builder, in accordance with the terms of this Deed and the terms of any Construction Contract.

- (c) Within 10 Business Days after the Defects Liability Period for a particular item of Contribution Works has expired Council must (if it has not called on it) return the Security referred to in clause 8.4(a) of this Schedule 4 for that item of Contribution Works (or any remaining balance of it) to the Owner.
- (d) Notwithstanding clause 8.4(c) of this Schedule 4, if during the Defects Liability Period for a particular item of Contribution Works, the Council issues a Rectification Notice and the Rectification Notice is not complied with, then the Council need not deliver the balance of any Defects Security provided to it in respect of that item of Contribution Works until that defect has been rectified.
- (e) The Council must deliver the balance of any Defects Security to the Owner in accordance with Schedule 10.

## **9 Risk and insurance**

### **9.1 Risk**

The Owner undertakes the Contribution Works entirely at its own risk.

### **9.2 Indemnities**

## **12 Pedestrian Link cash out**

### **12.1 Common intention**

- (a) The Parties agree that it is their common intention for the Council to have an entitlement to call for payment of an amount equal to the Security Amount for the Pedestrian Link Works instead of performance of the Pedestrian Link Connection Works.
- (b) The provisions of this clause 12 of this Schedule 4 govern the entitlement described in paragraph (a).

- (c) If the amount appropriated from the Pedestrians Link Security is less than the amount required to be paid stated in the notice given under clause 12.2 of this Schedule, the Owner must pay any shortfall to the Council on demand.

### **12.4 Limitation of Liability**

- (b) If any clause or part of a clause is illegal, unenforceable or invalid, that clause or part is to be treated as removed from this Deed, but the rest of this Deed is not affected.

No modification of this Deed will be of any force or effect unless it is in writing and signed by the Parties as a Deed.

#### **1.12 Waiver**

- (a) The fact that a Party fails to do, or delays in doing, something the Party is entitled to do under this Deed, does not amount to a waiver of any obligation of, or a breach of obligation by, another Party.
- (b) A waiver by a Party is only effective if it is in writing.
- (c) A written waiver by a Party is only effective in relation to the particular obligation or breach in respect of which it is given.
