Integrated Planning and Reporting

The State Government Integrated Planning and Reporting (IP&R) framework describes the system of integrated business planning for local government in New South Wales (NSW).

It recognises that most communities share similar aspirations: a safe, healthy and vibrant place to live, a sustainable environment, a caring and engaged community, opportunities for employment, reliable infrastructure, etc. The difference lies in how each community responds to these needs. The framework allows councils to navigate the challenges arising from an increasingly complex environment, with responsibilities under more than 50 different pieces of legislation and direct relationships with over 20 NSW and Commonwealth Government agencies. A detailed overview of the framework is provided on the Office of Local Government website at www.olg.nsw.gov.au

The framework allows NSW councils to draw their various plans together, to understand how they interact and inform each other, and to get the maximum benefit from their efforts by planning holistically for the future.

The key components of the Integrated Planning and Reporting Framework as they apply to the City of Ryde are:

Key documents

10 YEAR

Community Strategic Plan

(10+ year duration, reviewed every election cycle)

- Highest level of strategic planning undertaken by a Council
- Articulates community vision and reflects aspirations
- Considers state and regional plans as they apply to the Council
- Contains, as a minimum, community vision, strategic directions and outcomes, and a means of measuring progress.

Resourcing Strategy

(Duration – 4-10 years. Review-reviewed and updated annually)

Demonstrates how work identified in the Delivery Program and Operational Plan will be resourced, as identified through:

- Long-Term Financial Plan and Asset Management Planning (reviewed and updated annually to cover a minimum 10 year period/forecast)
- Workforce Management Planning (reviewed and updated every 4 years along with the Delivery Program).

Council, Regional and State Government Strategies

Council utilises a range of strategies and plans to guide various aspects of the services we deliver for the community.

4 YEAR (Council Term)

Community Engagement Strategy

(Duration – as required, reviewed every election cycle)

- Supports the development of all plans, policies, programs and key activities
- Must demonstrate a commitment to genuine and inclusive engagement
- Based on social justice principles.

Delivery Program

(Duration – 4 years. Annual review with 6-monthly reporting)

- Describes elected Council's commitment to deliver against the CSP over 4-year term
- Describes what can be delivered with the available resources
- Aligned with strategic directions and outcomes of the Community Strategic Plan
- Includes a four-year capital works program and allocates high-level resources within that period.

State of our City Report

(Duration – Every 4 years in line with the election cycle)

- Prepared by each outgoing Council and noted by incoming Council
- Reports to the community on effectiveness of implementation of the Community Strategic Plan.

1 YEAR (Annual Planning Cycle)

Operational Plan

(Duration – 12 months. One plan each year for the 4 years of the Delivery Program and Council term)

- Identifies annual projects and activities to deliver against DP outcomes
- Includes Council's annual budget and Statement of Revenue Policy
- Maps the actions and projects Council plans to deliver over the financial year, including the resources required to complete the annual capital works program.

Annual Report

(Prepared every year)

- Reports back to the community on the work undertaken by a Council each year to deliver on the commitments of the Delivery Program through that year's Operational Plan
- Contains a copy of the audited financial statements.

COUNCIL'S DELIVERY PROGRAM AND OPERATIONAL PLAN

The 2022-2026 Delivery Program details the principal activities that will be undertaken by Council to perform its functions and deliver on the community's priorities outlined in the Community Strategic Plan. The Delivery Program provides an outline of how the full range of Council functions and operations will deliver the services expected by the community, as well as the many legislative responsibilities and regulatory functions that Council is required to implement.

This Operational Plan is the second year extract from the 2022-2026 Delivery Program. It identifies the activities, capital portfolios, actions and projects Council plans to deliver over the financial year, in order to deliver the priorities and outcomes identified in the Delivery Program. The Operational Plan also includes Council's annual budget and Statement of Revenue Policy and identifies the resources required to complete Council's annual capital works program. Performance indicators are used to assess service delivery and the Council departments responsible for delivering

Underpinning the delivery of valued work for the community within each Program is Council's commitment to ongoing continuous improvement in the efficiency and effectiveness of service delivery. Council undertakes periodic community and customer perception surveys to provide valuable insight to the measures importance and satisfaction with key deliverables.

Analysed results provide a key source of information to guide specific reviews where a need for improvement is demonstrated.

The 2023-24 Operational Plan includes the strengthened focus on the future of the City of Ryde brought about in the 2022 organisational restructure approved by Council and the introduction of the City Shaping portfolio within the business.

This change brings together under the leadership of the General Manager City Shaping the key functions that work together to plan and deliver the strategic directions and strategies that will shape the future of the City of Ryde. This innovative integrated approach will strengthen the City's position within the region and on a federal and international level.

Each of the services and activities in a program are delivered by council departments, with one or more departments responsible for delivering services and activities in any particular program. Each program also has a number of delivery indicators which are used to assess service delivery, and the effectiveness of each program in achieving its objectives.

The tables on the following pages provides an overview of the 16 programs that make up the City of Ryde's Delivery Program, and the Community Strategic Plan outcome that they make a major contribution to.

Overview of Delivery Program and Operational Plan

CONTRIBUTION TO OUTCOME	DELIVERY PROGRAMS	DESCRIPTION
Our Vibrant and Liveable City	City Development	Creating a vibrant and liveable city environment that balances development, land use, amenity and sustainable growth.
	Community Safety and Amenity	Ensuring high standards of public health, safety and amenity are maintained across the City of Ryde.
Our Smart and Innovative City	City Economy	Supporting an economically diverse and resilient City economy that is globally competitive.
Our Active and Healthy City	City Sport and Recreation	Providing community sporting and recreation facilities, parks and open spaces so residents of all ages can access leisure, lifestyle and recreation opportunities that enhance and maintain their connections with the community.
	Library	Providing high quality, contemporary library services and accessible public spaces so residents have opportunities to participate and engage with others in lifelong learning, recreation and cultural opportunities.
Our Natural and Sustainable City	Resilience and Sustainability	Protecting and enhancing our natural areas and ecosystems, and improving the overall environmental performance of the City's built environment, managing risk and building resilience as we adapt and grow through changing climate.
	Catchment and Waterways	Improving the health of the city's waterways and foreshore areas and managing the city's stormwater networks to reduce flooding and risk of inundation for private properties.
	Waste and Recycling	Providing comprehensive and convenient waste disposal and resource recovery services for residents and businesses.

CONTRIBUTION TO OUTCOME	DELIVERY PROGRAMS	DESCRIPTION
Our Connected and Accessible City	Traffic and Transport	Building a sustainable, safe, convenient and accessible transport system for the City by improving mobility, connectivity, and access for all types of transport
	Roads	Maintaining the City's extensive network of local and regional road assets to ensure that they remain safe and are in serviceable condition and meet community expectations
	Paths and cycleways	Building the City's network of paths and cycleways to increase the walkability of our suburbs, improve conditions for cyclists, and connect residents with activity centres and public transport connections
Our Diverse and Inclusive City	Community Culture and Wellbeing	Working to increase social and community wellbeing and empowering people to fully participate in community life
	Community Connections and Engagement	Supporting residents to become connected, engaged and informed and have opportunities to celebrate our culture, build their connections within the community, and contribute to decisions that affect the City
Our Open and Progressive City	Strategic Property Management	Developing and managing Council's portfolio of 320 properties and buildings to maximise their return on investment for the community
	Service Delivery Support	Providing a broad range of key support Council functions that underpin delivery across all of the programs.
	Governance and Corporate Services	Providing specialist and corporate services to enable the effective governance and operation of the Council organisation

Delivering Council's Services: The Council Organisation

The City of Ryde is responsible for strategy, planning, policy, regulation, and service delivery for the local government area. During 2022-2026 Council will deliver a half-billion dollar program of investment in infrastructure and services, with a focus on delivering new infrastructure and maintaining the City's existing assets, as well as high quality services for residents. The Council is led by the Chief Executive Officer. Council services are delivered through 22 departments that support the CEO, reporting through two General Managers.

Delivery Partners

Council works with a broad range of partners to deliver programs and services for the community. These include:

- The State Government, where Council receives grants for delivery of infrastructure and programs like the Local Government Road Safety Program
- Regional Councils, where Council is collaborating other neighbouring councils to deliver initiatives that have regional benefits like the Parramatta River Master Plan, and regional waste disposal and recycling facilities
- Community based organisations and not for profits, where Council works with local community service providers and community groups and organisations to deliver wide ranging programs and initiatives for the community
- Contractors and suppliers, where Council contracts with a broad range of suppliers to deliver Council services on behalf of the community such as waste collection and disposal services, bush regeneration work, and construction and repair of local infrastructure.

Council governance and leadership

The City of Ryde exists as a body politic under the *NSW Local Government Act 1993*. Together, the Councillors, as 'Council', form the governing body of the City of Ryde, a public statutory body constituted under the *NSW Local Government Act 1993*.

The elected Council of the City of Ryde consists of 12 Councillors, being the Mayor and 11 Councillors, and must act in accordance with the *Local Government Act 1993* and the associated State and Federal legislation. The current Council was elected on 5 December 2021. The Councillors currently elect the Mayor every two years. This will change at the next Council election, where the Mayor will be directly elected by the community.

The elected Council weighs up the issues facing our growing City and ensures that ratepayers' money is allocated to priority areas and spent in the most effective way. This means balancing the needs of the community against the needs of individuals and taking into account the long- and short-term implications of decisions, make the policies and decisions that drive and shape the direction and achievement of the City's vision into the future. The community normally elects Councillors for a four-year term, but due to the Council elections being delayed because of the COVID-19 pandemic, the next Council elections are currently scheduled for 2024.

Day-to-day operations are delegated to the Chief Executive Officer who is responsible for administration of the Council and Council organisation. Corporate performance is monitored through reports to Council and the community. Council is required to report on the financial performance every three months and on the progress in delivering Council's Delivery Program every six months. Council is also required to deliver an Annual Report to the Community every year, detailing Council's progress in implementing the Delivery Program and Operational Plan and other information prescribed by the Local Government Act and Regulation.

Executive Leadership Team

Day-to-day operations are delegated to the Chief Executive Officer who is responsible for administration of the Council and Council organisation. Corporate performance is monitored through reports to Council and the community. Council is required to report on the financial performance every three months and on the progress in delivering Council's Delivery Program every six months. Council is also required to deliver an Annual Report to the Community every year, detailing Council's progress in implementing the Delivery Program and Operational Plan and other information prescribed by the *Local Government Act and Regulation*.

The Chief Executive Officer is responsible for the overall leadership of the Council organisation, delivering a broad range of services for the community, and working with the Executive Leadership Team and the elected body to build stronger and more collaborative relationships with State and Federal Governments and other stakeholders to shape the City's future.

The General Manager City Shaping is responsible for crafting a strategic vision for our community's long-term future. This includes leading development of City Wide integrated strategies that enable best value outcomes for our community, advocating for the City and establishing strong collaborative relationships with State and Federal Governments and other stakeholders to build better infrastructure in the region.

The General Manager Business and Operations is responsible for delivering council's extensive range of high quality services and programs for the community of Ryde, and ensuring the efficient and effective operation of the council organisation.

For more information on the Executive Leadership Team, visit www.ryde.nsw.gov.au/seniorstaff

Financial Summary

Council's Resource Plan has been prepared to ensure that the Four Year Delivery Program is adequately resourced. The Resource Plan provides financial forecasts for the four-year term of the plan and includes a detailed breakdown of income and expenditure relating to each financial year.

Table 1. Projected Operating Result (\$'000)	Proposed Budget 2023/24
Income from Continuing Operations	
Rates and annual charges	109,718
User charges and fees	18,410
Interest and investment revenue	5,477
Other revenues	12,535
Grants & contributions provided for operating purposes	6,040
Grants & contributions provided for capital purposes	13,286
Net gain from the disposal of assets	1,226
TOTAL INCOME FROM CONTINUING OPERATIONS	166,693
Expenses from Continuing Operations	
Employee benefits and on-costs	64,275
Borrowing costs	108
Materials and contracts	53,163
Depreciation and amortisation	28,820
Other expenses	6,864
Net loss from the disposal of assets	-
TOTAL EXPENSES FROM CONTINUING OPERATIONS	153,230
NET OPERATING RESULT	13,463
NET OPERATING RESULT before Capital Grants & Contributions	177

Table 1. Projected Operating Result (\$'000)	Proposed Budget 2023/24
Funding Statement	
Net Operating Result from above	13,463

Projected 2023/2024 Total Income Operating & Capital Income - \$166.69M

Projected 2023/2024 Total Expenditure Operating - \$153.23M

2023/2024 Capital Works Expenditure \$82.54M

2023-24 Operational Plan

How to read this plan

The following pages provide an overview of the 16 Principal Activities (Programs) undertaken by council to perform its functions. Each program captures a unique set of functions, activities, actions and projects that in combination, comprise the total delivery of council's work within the year for the community, and work to implement the community's priorities outlined in the Community Strategic Plan.

Program Name

A unique identifier describing the cluster of products services that will be delivered.

Program Description

Provides an overview of what will be delivered through the program and why.

CSP Outcome

Identifies the relevant Community Outcome from the Community Strategic Plan that the Program primarily contributes to.

Operational Delivery

The “business as usual” functions and activities in a program that are delivered by council departments.

Ongoing Activity / Priority Actions and Projects

Detail of the ongoing “business as usual” activities, specific planned actions and projects (including capital project portfolios) to be delivered for the year.

CITY OF RYDE | 2023-2024 Operational Plan

City Sports and Recreation

Managing of the City's community sporting and recreation facilities, parks and open spaces so that residents of all ages can access leisure, lifestyle and recreation opportunities that enhance and maintain their connections with the community.

Contributing to creating
Our Active and Healthy City

The City of Ryde is an active and healthy community, with diverse recreational spaces and opportunities for people of all ages, abilities and backgrounds. People can enjoy games in public spaces or at community events that bring residents together, helping everyone to feel part of the Ryde community.

This program is a major contributor to this outcome by providing everyone in the community with the safe and equitable access to leisure and opportunities to participate in active living and recreational activities and events. This includes a range of facilities that match the community's changing sporting, leisure and recreation needs.

City Development

Enhancing our strategic land use planning and development framework to manage growth and development in a way that recognises and takes into account the aspirations of the residents of the city and achieves a balance of development, land use, amenity and sustainable growth.

The primary focus of this program is undertaking Council's legislative statutory responsibility within the state's land use planning framework, bringing together land use planning, master planning and strategic development of town and neighbourhood centres, development contributions, urban design, heritage management, and place making to help create vibrant, liveable, sustainable, and productive spaces through the management and direction of the city's urban form.

Contributing to creating

Our Vibrant and Liveable City

The City of Ryde will be a liveable, prosperous and connected city, with diverse and vibrant centres and neighbourhoods that reflect and serve our residents and business. Our places will contribute to enhancing the health, wellbeing and resilience of our future community.

This program is a major contributor to ensuring development occurs in ways that balances the housing needs and expectations of the community and occurs in ways that positively contributes to the natural, cultural, visual character of the City, grows the identity of our centres as they service the needs of their local neighbourhoods, and ensuring that the provision of new and upgraded infrastructure continues to match the pace of development as the city grows and develops.

Advising on up to 24,000 development enquiries per year Up to 50 meetings providing urban design review and pre lodgement advice for major development proposals Up to 50 meetings providing pre lodgement advice for minor development proposals	Base Budget	Development Advisory Services

Community Safety and Amenity

Ensuring high standards of public health, safety and amenity are maintained across the City of Ryde. This includes investigating, assessing and determining private development to ensure standards are maintained and compliance with building, health and environmental regulations to maintain high standards of public health and safety across the City of Ryde.

Council also helps to maintain standards and liveability across our urban environment through working with the community and enforcement of State and Local Government Acts and Regulations including road, parking and footpath enforcement and animal management in the public domain.

Contributing to creating

Our Vibrant and Liveable City

The City of Ryde will be a liveable, prosperous and connected city, with diverse and vibrant centres and neighbourhoods that reflect and serve our residents and business. Our places will contribute to enhancing the health, wellbeing and resilience of our future community.

This program is a major contributor to maintaining community standards and liveability across our urban environment, amenity within our local centres and key locations and maintaining high standards protecting the health and safety of our community across the City.

Completion of the annual inspection program monitoring public health risks and compliance with health regulations and standards.	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Environmental Health Inspection of regulated premises including food shops, hair, beauty and skin penetration shops, pollution investigations, investigation of public risk, pest management and management of biosecurity risks and monitoring water quality of public pools.		Monitor 850 food premises annually to maintain food safety standards Completion of council's annual health monitoring programs (hair, beauty and skin penetration premises, mortuaries, legal brothels, public pools, cooling towers) to maintain public health standards	Base Budget	Health, Building and Regulatory Services
			Delivery Indicators	
Ranger Services Compliance and enforcement services to help maintain community amenity and safety. This includes undertaking of parking enforcement activity managing and investigating companion animal offences, illegal dumping and littering, abandoned vehicles and articles, footpath and road obstructions, protection of road assets through heavy vehicle enforcement and patrolling parks for illegal activities.			Respond to over 4,000 customer requests per year. Respond to greater than 95% of requests within agreed timeframes.	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Parking Enforcement Preserving community and business amenity by the turning over of parking spaces in high demand areas of the city, providing education and enforcement in school zones, enforcement of accessible parking and enforcement of footpath and road obstructions affecting pedestrians and traffic		Investigating and responding to more than 1700 customer requests per year	Base Budget	Health, Building and Regulatory Services
Ranger Compliance Provide a safe, clean and liveable urban environment through working with the community and enforcement of State and Local Government Acts and Regulations including: <ul style="list-style-type: none"> Registration of animals, Investigating dog attacks, barking and nuisance animal complaints, impounding cats and dogs, rehoming and returning lost animals to owners Investigating and managing abandoned items that create safety and amenity issues in the community including abandoned vehicles, footpath and road obstructions, illegal dumping and littering complaints and sedimentation, erosion and water pollution complaints Patrolling parks and reserves for illegal activities and damage Heavy and light vehicle enforcement Responding to after-hours emergency complaints 	Implement changes to the NSW Companion Animals Act 1998 promoting greater desexing of cats	Investigating and responding to more than 2,300 customer requests per year	Base Budget	Health, Building and Regulatory Services

City Sports and Recreation

Managing all the City's community sporting and recreation facilities, parks and open spaces so that residents of all ages can access leisure, lifestyle and recreation opportunities that enhance and maintain their connections with the community.

Contributing to creating

Our Active and Healthy City

The City of Ryde is an active and healthy community, with diverse recreational spaces and opportunities for people of all ages, abilities and backgrounds. People can easily gather in public spaces or at community events that bring residents together, helping everyone to feel part of the Ryde community.

This program is a major contributor to this outcome by providing everyone in the community with fair and equitable access to sporting and recreation facilities and opportunities to participate in recreational activities and events. This is done in ways that match the community's changing sporting, learning and recreation needs.

City Economy

Supporting an economically diverse and resilient City economy that is globally competitive.

Contributing to creating

Our Smart and Innovative City

The City of Ryde takes a people and place-based approach to economic development that provides an environment that encourages new investment, thriving local businesses, local jobs and opportunity. Our local community and businesses flourish in a resilient economy that fosters innovation, progression and economic growth.

This program is a major contributor to this outcome by ensuring the City embraces a collective mindset of collaboration to encourage innovation, new investment, business opportunities and local jobs, creating economic growth and development that benefits both the people living in the community and the physical environment in which they reside. This approach is centred around the values of not only focussing on job creation and investment attraction, but also on promoting social equity, environmental sustainability, and community wellbeing.

Town Centre revitalisation Council's ongoing program of upgrades and other improvements within town centres.	Eastwood Central Expansion	Develop the preliminary Eastwood Central Business Case	Capital project	Major Projects

Resilience and Sustainability

Monitoring and management of the City of Ryde's natural and urban environment to protect and enhance natural areas including our bushlands, waterways and eco systems, and improve the overall environmental performance of our built environment. Building resilience to climate change as we adapt and grow, and managing our risk through climate.

Contributing to creating

Our Natural and Sustainable City

The City of Ryde will be a resilient community that is prepared to thrive in a changing future. Our places and spaces and our dependent and vulnerable ecosystems will be managed and protected so they continue to provide social, cultural, economic, environmental and health benefits for the whole community.

This program makes a major contribution to protecting and improving the condition of the City's natural areas and parklands including reducing our collective ecological footprint in ways that contribute to the liveability of the community and strengthening the health of our natural corridors. This program also helps to build the City's resilience to climate related risk from extreme weather patterns, bushfires and flooding and working to reduce the impact of acute shocks and chronic stresses on our built environment and natural areas.

Resilience and Sustainability - 2023-24 Operational Delivery**Delivery Indicators**

Resilience planning Leading efforts to build organisational and community capacity to reduce city-wide impacts of climate change and shock and stress events. Delivered in partnership with the business and community sectors this work also includes undertaking environmental reporting, data monitoring and strategic delivery. A major priority for Council is to be a responsible corporate leader in ecologically sustainable development, in managing climate change risk, adaptation and resilience measures.			Delivery of adopted program of actions and targets from the Ryde Resilience Plan 2030 Council service delivery includes climate risk considerations	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Resilience planning and development Providing advice and direction for council on matters related to environment, resilience, lowering emissions and leading council's initiatives to reduce resource consumption, identify efficiency opportunities and lower greenhouse emissions from council assets and services	Implementation of Council's Net Zero Emissions Pathway	Delivery of adopted program of actions from Council's Net Zero Emissions Pathway	Base Budget	City Resilience
	Undertaking a review of Council's Climate Risk and Resilience Assessment Report	Delivery of adopted program of actions from Council's city-wide Resilience Plan to improve community and council resilience		
	Implementation of Council's Ryde Resilience Plan 2023			
	Ryde World Environment Day	Delivery of Council's annual sustainability festival for the City	Non-capital project	City Resilience
	Putney Beach Swim Site Activation	Delivery of a new community swimming site in the Parramatta River	Capital project	City Resilience

Delivery Indicators

Resilience Programs and Services Delivery of corporate and community environmental education programs, resilience-based initiatives, providing community sustainability audit programs, and delivering climate change mitigation and adaptation projects building community resilience to impacts of climate change, reducing city emissions and resource consumption			Delivery of adopted actions and targets from the Ryde Resilience Plan 2030 Completion of the City of Ryde annual tree planting programs	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Sustainability and resilience education Advocacy and targeted education programs raising awareness of key sustainability issues including, council's community, corporate and REEN Schools environmental education programs, the HSWA Service, the 'SWAP' waste to art prize and program and the monthly 'Smarter, Cleaner, Greener' newsletter.	Cool places, cool spaces resilience program Community & business resilience workshops Schools environmental education program for Ryde educators Council's annual Waste to Art prize Develop Council's annual Sustainability Achievements document for the Community increasing awareness of Council program delivery	Delivering council's resilience and sustainability education program consisting of events and workshops engaging with over 4,000 participants annually	Base Budget	City Resilience

Tree Management Assessment and management of trees on public and private residential land within the City of Ryde		Responding to up to 1,700 tree management applications and requests per year	Base Budget	Parks and Open Spaces
	Tree Asset Management System	Developing a tree asset database to support managing and maintaining over 25,000 trees on public land across the LGA	Non-capital project	City Spaces
	Greening Our City - Street Tree Planting Program		Capital project	Parks and Open Spaces
	Street Tree Planting Program	Completion of the annual street tree planting program	Capital project	Parks and Open Spaces

Delivery Indicators

Natural Area Management Protecting and restoring the City's natural areas and biodiversity, conducting asset management activities reducing fire risk, weed and pest management, and environmental monitoring and reporting. This includes partnering with businesses and our community who volunteer to help care for and restore the City's natural bushland areas, catchments and sensitive ecosystems.			Delivery of adopted program of actions and targets from the Ryde Biodiversity Plan	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Bush Management and Regeneration Implementing bush regeneration and restoration measures in natural areas, including weed control and monitoring quality of restoration works. Includes delivering council's community Bushcare program to support enhancement and protection our natural areas	Review of Council's Biodiversity Plan	Initiatives providing up to 4,000 hours of on ground natural areas support from volunteers	Base Budget	Parks and Open Spaces
	Implementing new bush regeneration contracts for natural areas management.	Administer provider contracts covering maintenance and upkeep of 34 sites	Base Budget	Operations
	Field of Mars Nature Trail	Upgrading the existing trail and surrounding areas to improve accessibility for all abilities	Capital Project	Parks and Open Spaces
	Ryde Biodiversity Plan - Implementation	Delivery of adopted program of actions from the Ryde Biodiversity Plan	Non-capital project	Parks and Open Spaces
Natural Areas and Catchment Monitoring Implementation of council's programs targeting problematic species and impacts, including feral animal monitoring and control and monitoring mosquito populations across the city. Monitoring of 5 major waterways across the city against water quality guidelines to inform future improvement works and delivering activities to improve waterway health including education and compliance.		More than 20 independent audits undertaken annually Completion of the annual waterways monitoring program	Base Budget	Parks and Open Spaces
	Biosecurity and Natural Areas Monitoring Officer position delivery	Obligations for minimising the spread of biosecurity weeds are maintained across the city	Non-capital project	Parks and Open Spaces

Catchments and Waterways

Managing and maintaining the City's water catchments, foreshore infrastructure and stormwater drainage networks to improve the health of the city's waterways and prevent erosion, improve existing flooding problems at sites throughout the City, cater for significant flooding events and reduce the risk of inundation of private properties located in the upstream catchments.

Contributing to creating

Our Natural and Sustainable City

The City of Ryde will be a resilient community that is prepared to thrive in a changing future. Our places and spaces and our dependent and vulnerable ecosystems will be managed and protected so they continue to provide social, cultural, economic, environmental and health benefits for the whole community.

This program is a major contributor to this outcome by helping to protect and improve the condition and health of the City's catchments, foreshore areas and waterways and building the City's resilience to climate related risk arising from extreme weather patterns and flooding.

Catchments and Waterways - 2023-24 Operational Delivery

Delivery Indicators

Catchments and Stormwater Management			Delivery Indicators	
Managing and maintaining the City's water catchments, stormwater drainage networks, infrastructure and natural waterways to: <ul style="list-style-type: none"> Support cleaner, healthier waterways including improving water quality and healthy water catchments and creeks, and Effectively manage stormwater, flooding and runoff and reduce risks to property owners, the environment and the community. 			Annual delivery program completion Stormwater – Level of service Pits, Pipes and Gross Pollutant Traps (condition, function etc)	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Catchment and Coastal Management Planning 25-council partnership program developing the new Sydney Harbour Coastal Management Plan covering Lane Cove and Parramatta Rivers. Work to undertake studies informing the new Coastal Management Plan development targeting diffuse water sources, stormwater runoff and water quality improvement and health.	Coastal Management Program development Partnering with the CSIRO to develop smart sensors to monitor litter in stormwater	Continue work with 21 Councils on the Greater Sydney Harbour Coastal Management Program	Base budget	City Resilience
Maintaining Stormwater Assets Cleaning and maintaining the city's drainage infrastructure. Includes regular street sweeping & pit cleaning to enhance the effectiveness of drainage infrastructure and repairing and maintaining water quality structures to ensure they remain in a serviceable condition.		Maintenance of defined service levels (availability, cleanliness, asset condition, functionality)	Base budget	Operations
Stormwater Renewal and Upgrades Council's ongoing program to restore and improve stormwater drainage infrastructure, creek rehabilitation and renewal of water quality devices to alleviate flooding risk and impacts.	Harmonising Flood Studies		Non-capital project	Engineering and Project Delivery
	Stormwater Asset Replacement Renewal	Future Design and Planning Pit/Pipe Small Reconstructions Pit Replacement Moncrieff Drive, East Ryde 1 Constitution Rd & Belmore St Culvert Replacement Smalls Road Public School Drainage and Easement 11-112 Talavera Road - Pipe Replacement Moncrieff Drive, East Ryde	Capital project	Engineering and Project Delivery
	Stormwater Improvement Works Renewal	CCTV investigations Future Design and Planning Magdala Road, North Ryde	Capital project	Engineering and Project Delivery

Delivery Indicators

Foreshores and Seawalls Development, remediation, improvement and maintenance of the LGA's foreshore infrastructure and assets (including wharves, jetties, boat ramps and seawalls) to ensure that they remain safe, are sustainable in the long term and provide a satisfactory level of service for the community			Annual delivery program completion Seawalls and foreshore facilities – Level of service (condition, availability, lighting etc)	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Maintaining Foreshore Assets Cleaning and maintaining the city's foreshore infrastructure, including maintaining jetties and seawalls to ensure they remain in a serviceable condition.		Maintenance of defined service levels (availability, cleanliness, asset condition, functionality)	Base budget	Operations
Foreshore Infrastructure Renewal Council's ongoing program to restore and improve seawall and foreshore infrastructure	Seawalls/Retaining Walls Refurbishment Renewal	Putney Park Seawall Rehabilitation Work	Capital project	Engineering and Project Delivery

Waste and Recycling

Providing comprehensive and convenient domestic and commercial waste disposal and resource recovery services for the City.

Contributing to creating

Our Natural and Sustainable City

The City of Ryde will be a resilient community that is prepared to thrive in a changing future. Our places and spaces and our dependent and vulnerable ecosystems will be managed and protected so they continue to provide social, cultural, economic, environmental and health benefits for the whole community.

This program is a major contributor to reducing the City's environmental footprint and impact on our natural systems by managing the efficient delivery of the City's essential waste services and leading change to better manage our waste streams and ensure resource recovery is a high priority for a sustainable 'Smarter, Cleaner and Greener' future.

Waste and Recycling - 2023-24 Operational Delivery

			Delivery Indicators	
Waste Services Delivery of comprehensive domestic essential waste services for the city including expansion of services to provide more convenient waste disposal options for the community and educational programs to increase waste diversion and ensure resource recovery is a high priority across our community. Delivering targeted programs for priority areas including manage the waste generated from high-rise developments and managing and reduce the incidence of littering and illegal dumping. Delivery waste collection, disposal and resource recovery services for businesses on a commercial basis.			Domestic waste and recycling services: compliance with schedules and service standards (100%)	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Household Waste Collection. Deliver comprehensive and effective waste disposal services to the residents of Ryde. This includes regular weekly household collections and booked collection services for larger waste items and recycling green waste.	Update of Council's Waste Strategy	Weekly waste collection services for up to 56,000 residential properties in the LGA delivered to required standards Providing over 34,000 booked collection services for residents annually	Base Budget	Circular Economy
Community Waste Collection Programs Providing an expanded program of convenient waste disposal options for recovery of specific waste streams including household chemicals and other problem waste items, batteries, clothing and litter and other illegally disposed of items.	Community Recycling Drop-off	Implementing additional Community Recycling Drop-off locations	Base Budget	Circular Economy
Commercial Waste Collections service Provide competitive Commercial collection services to businesses within the Ryde LGA.			Base Budget	Circular Economy
Community Waste Education Providing a range of community education programs and events to raise awareness and increase waste diversion and ensure resource recovery is a high priority across our community		Delivering council's waste education program consisting of 50 events and workshops with over 5,000 participants annually Directly engaging over 450 households in education and behavioural change programs.	Base Budget	Circular Economy
	Schools Waste Education Program		Non-capital project	Circular Economy
	Waste Wise Ryde - Towards Zero Waste	Targeted waste reduction program for 50 households to decrease food waste and improve recycling.	Non-capital project	Circular Economy
	Bin Bay Upgrade Program		Non-capital project	Circular Economy
	MUDs Resource Recovery		Non-capital project	Circular Economy

Delivery Indicators				
Materials Recycling and Recovery Regional construction materials recycling and Community Recycling Centre. The Porters Environmental Construction Materials Recycling Facility (ECoMRF) offers recycling of construction materials (including aggregate and soils) on a commercial basis to regional councils and private sector customers to promote re-use of materials and reduce material to landfill and disposal costs to Council. The facility is being expanded to accommodate a Community Recycling Centre on site, and other revenue generating opportunities are being investigated.			Re-use of Council construction and demolition waste	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Porters ECoMRF The Porters ECoMRF (Environmental Construction Materials Recycling Facility) facilitates an expansion of our construction materials recycling operations at a regional level.	Porters Creek Precinct	Ongoing remediation activities of former landfill site	Base Budget	Circular Economy
		Ongoing remediation activities of former landfill site	Capital project	Circular Economy
Construction Materials Recycling Internal/external income targeting 40,000 tonnes of construction recycling material to be collected annually		Over 40,000 tonnes construction material reused/recycled every year	Base Budget	Circular Economy

Traffic and Transport

A sustainable, safe, convenient and accessible transport system for the City of Ryde.

Managing and providing specialist advice on traffic management, transport planning and development matters, road safety, car parking and options to improve mobility, connectivity and access to our suburbs, centres, open spaces and places. Advocating for improved transport infrastructure and services with the state government.

Contributing to creating

Our Connected and Accessible City

Building a networked transport system that makes it easier and more convenient to move across our City and access our suburbs, centres, open spaces and places with reduced dependence on car based travel.

This program is a major contributor to improving connectivity across our City and improving accessibility to our residential areas, centres, open spaces, schools and Macquarie University by prioritising major transport infrastructure and services that will reduce public transport travel times, focus on walking and cycling being the most convenient option for short trips to activity centres and key destinations, and sustainably accommodate future travel demand.

Traffic and Transport - 2023-24 Operational Delivery

Delivery Indicators

Transport Network Planning Providing long term transport planning to improve mobility and connectivity across our City and improve accessibility to our suburbs, centres, open spaces and places. This includes providing specialist advice on major development proposals, road safety policy and directions, advocating with the NSW Government on behalf of the community for improved transport solutions for the City of Ryde, and working with State Government transport agencies to deliver major transport infrastructure.			Delivery of adopted program of actions and targets from the City's Integrated Transport Strategy	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Transport Planning and Advocacy Leading the development of multi-modal network plans, strategies, policies and guidelines for the City of Ryde and its precincts. Includes development of policies, strategies, frameworks and priorities related to transport planning, ensuring strong synergy between land use planning, place making and transport infrastructure requirements and liaison with NSROC and State Government agencies advocating for and advising on projects and initiatives to support population and employment growth within the City, including participation in the NSROC Transport Leadership group and the Macquarie Park Transport Study Working Group.	Review of existing bus routes and services		Base budget	City Transport
	ITS Implementation	Development of individual parking strategies for key centres	Capital project	City Transport
	Integrated transport strategy review model	Data and analytics supporting business case development	Capital project	City Transport

Delivery Indicators

Transport Network Management			Delivery Indicators	
Managing the City's transport, traffic and car parking network and implementing sustainable transport options including: <ul style="list-style-type: none"> – Transport and development matters including providing access permits for the road network – Operation, maintaining and upgrading existing parking and traffic facilities, including signage and line marking changes, installation of pedestrian crossing facilities etc. Optimising the use of on- and off-street parking to provide access to our town centres and places of interest.			Responding to up to 300 development applications and planning proposals per year Issuing up to 700 road permit applications per year	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Transport operations Managing all aspects of the local transport system including: <ul style="list-style-type: none"> – Investigating traffic, active transport, parking and road safety issues, providing traffic engineering advice and formulating effective solutions – Advising on the transport implications of planning proposals, major developments, and State Government project proposals that impact on multi-modal travel movements, traffic, parking, and road safety – Facilitating Ryde's Local Traffic Committee – Managing road permit applications relating to the use of Council roads. Overseeing design, delivery and maintenance and operation of traffic facilities and cycleways		Manage approvals for up to 700 road permit applications per year Managing responses for up to 300 Local Development Application referrals per year	Base budget	Traffic Services
Maintaining transport infrastructure Maintaining car parks and local traffic facilities		Maintenance of defined service levels (availability, cleanliness, asset condition, functionality)	Base budget	Operations

Delivery Indicators

Transport programs and services Delivery of community based education and behaviour change programs targeting road safety and community skills, increased uptake of non-car based modes of travel, and contributing to city wide reductions of community emissions and congestion issues. Operating a free community bus service to support members of the community with limited mobility or access to transport, connecting them to key centres within the City.			Delivery of the TfNSW Local Government Road Safety Program Delivery of Council's community road Safety Program Provision of up to 38,000 passenger trips annually on the Shop Ryder Shuttle.	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Community and Road Safety Programs Implementing council's Road Community Safety (behavioural road safety) program to reduce existing and prevent future road trauma, the Go Active to School program and other programs promoting walking and cycling as a means of getting around.		Completion of all required projects and initiatives under council's Local Government Road Safety Program. Up to 10 schools consulted on road safety measures	Base budget	Traffic Services
Sustainable Transport Programs Delivery of the Sustainable Transport Strategy 2022-2032 including facilitating Council's Car Share Program, providing support for new electric vehicle technology and infrastructure in the City, leveraging opportunities to increase the uptake of sustainable transportation modes in new developments and advocating for improved active transport and connections. Operating a free community bus service to support members of the community with limited mobility or access to transport, connecting them to key centres within the City.	Frameworks and programs for increasing publicly accessible EV charging infrastructure in the City	Optimising car share spaces provided to community across the city Opportunities identified to expand EV public charging infrastructure New major developments within Macquarie Park have Travel Plans for increasing use of sustainable transport modes Provision of up to 38,000 passenger trips annually on the Shop Ryder Shuttle. Community satisfaction with the Shop Ryder service	Base budget Base budget Base budget Base budget	City Resilience City Resilience City Resilience City Resilience

Delivery Indicators

Local Transport Infrastructure Development, improvement and maintenance of the city's road and related infrastructure assets including roads, bridges and retaining walls, car parks, and parking hardware. This includes: <ul style="list-style-type: none"> – technical delivery of road based infrastructure civil infrastructure works – civil maintenance works – regulatory and compliance services including road reserve assets and landscaping – the development approval process and handover of developer constructed assets. 			Annual delivery program completion	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
New and Upgraded Traffic Facilities Council's ongoing program of major repairs and implementation of new and upgraded traffic facilities and other road based assets including public transport infrastructure and optimising the use of on- and off-street parking to provide access to our town centres and places of interest.	Traffic Calming Devices	Installation of traffic calming devices at approved locations	Capital project	Traffic Services
	Road Safety Upgrades and Improvement	Completion of planned scope of works for the year	Capital project	Traffic Services
	Constitution Rd/Bowden St Meadowbank-Traffic Control Signals	Completion of planned scope of works for the year	Capital project	Traffic Services
	Bus Stop DDA compliance	Undertake a program to upgrade bus stops to DDA compliance	Capital project	Engineering and Project Delivery
	Bus Stop Seats - new		Capital project	Engineering and Project Delivery
	Traffic Facilities Renewal	Traffic Facilities Renewal (Forward Planning Program) Traffic Facilities Renewal (Local & Regional Roads) Traffic Facility Renewal – Traffic Calming Devices	Capital project	Traffic Services
	Car Park Renewal	Church Street Carpark Lower Car Park - Ryde Central Site	Capital project	Engineering and Project Delivery

Roads

Maintenance and renewal of the City's 320 kilometres of local and regional road assets (roads, bridges and retaining walls, car parks, and parking hardware) to ensure that they remain safe and are in serviceable condition over the long term and meet community expectations.

Contributing to creating

Our Connected and Accessible City

Building a networked transport system that makes it easier and more convenient to move across our City and access our suburbs, centres, open spaces and places with reduced dependence on car based travel.

This program makes a major contribution to improving safety and customer experience on our roads, and accessibility to our residential areas and centres by managing and maintaining the City's substantial portfolio of local and regional road based assets so that they remain safe and continue to meet the community's expectations into the foreseeable future.

Roads - 2023-24 Operational Delivery**Delivery Indicators**

Local Transport Infrastructure Development, improvement and maintenance of the city's road and related infrastructure assets including roads, bridges and retaining walls, car parks, and parking hardware. This includes: <ul style="list-style-type: none"> – technical delivery of road based infrastructure civil infrastructure works – civil maintenance works – regulatory and compliance services including road reserve assets and landscaping – the development approval process and handover of developer constructed assets. 			Annual delivery program completion	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Road Renewals and Upgrades Council's ongoing program of replacement and resurfacing of road pavements to improve the serviceability of the road, improve road geometry/alignment and preserve the structural and functional integrity of the road by addressing localised pavement failures. Repairing and replacing poor condition sections of kerb and gutter throughout the City.	Heavy Patching	Heavy Patching addressing localised pavement failures	Capital project	Engineering and Project Delivery
	Road Resurfacing Renewal	Road resurfacing works at 21 locations to preserve structural and functional integrity of the road pavements (Details provided in capital works schedule - Attachment 2).	Capital project	Engineering and Project Delivery
	Road Kerb Renewal	Renewal of Kerb & Gutter and road pavement for 8 Streets to improve road geometry/alignment and pavement concerns.	Capital project	Engineering and Project Delivery
	Kerb and Gutter Renewal	Reconstruction of Kerb and Gutter based on locations identified in poor condition throughout the LGA.	Capital project	Engineering and Project Delivery
Road operations and maintenance Providing operational support and maintenance services (restorations and repairs) to ensure all structures and assets within road reserves remain in a serviceable condition and are clean, safe and available for use. Includes all maintenance activities in road reserves and on nature strips, streetscape garden maintenance & tree planting, installation and repairs to street signage, management of driveway applications to ensure compliance with council standards, and management of Road Opening Permits to ensure integrity and availability of road based assets.		Maintenance of defined service levels (availability, cleanliness, asset condition, functionality)	Base Budget	Operations
Bridge Renewals and Upgrades Council's ongoing program of Bridge Rehabilitation Works identified as part of the 2019 Bridge Audit.	Bridge Upgrade / Renewal	Bridge Rehabilitation Works	Capital project	Engineering and Project Delivery

Paths and Cycleways

Developing, managing and maintaining the City's network of footpaths, paths and cycleways to increase the walkability of our suburbs, improve conditions for cyclists, and connect residents with activity centres and public transport connections.

Contributing to creating

Our Connected and Accessible City

Building a networked transport system that makes it easier and more convenient to move across our City and access our suburbs, centres, open spaces and places with reduced dependence on car based travel.

This program is a major contributor to improving connectivity across our City and improving accessibility to our residential areas, centres, open spaces, schools and Macquarie University and sustainably accommodate future travel demand by prioritising infrastructure and services that will encourage walking and cycling, fewer car based trips, and making walking and cycling the most convenient option for short trips to activity centres and key destinations

Paths and Cycleways - 2023-24 Operational Delivery

Delivery Indicators

Active Transport Infrastructure Developing, managing and maintaining the city's network of footpaths and cycleways supporting safe and convenient mobility and connections throughout the City of Ryde and ensure that they remain safe and are sustainable in the long term and provide a satisfactory level of service for the community.			Annual delivery program completion	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Construction and maintenance - paths and cycleways Providing operational support and maintenance services to ensure the city's footpaths and cycleways remain in a serviceable condition and are clean, safe, and available for use. Includes construction, maintenance and repairs of footpaths and cycleways, and restorations & driveways.		Responding to notified footpath/nature strip maintenance requests from the community every year	Base Budget	Operations
Footpaths & Nature Strips Renewals and Upgrades Council's ongoing program of renewing deteriorated and very poor condition sections of existing footpaths and constructing new footpaths throughout the City of Ryde	Footpath Construction Renewal	Replacement of poor condition footpath segments	Capital project	Engineering and Project Delivery
	Footpath Construction Expansion	Abuklea Road (Longview Street - Balaclava Rd)	Capital project	Engineering and Project Delivery
		Kokada Street (Cutler Pde - Edmondson Street)	Capital project	Engineering and Project Delivery
		Terry Road (Ryedale Road - Orchard Street)	Capital project	Engineering and Project Delivery
Cycleways Renewals and Upgrades Council's ongoing program of building and upgrading the city's cycleways and paths to support the use of non-car based modes of transport (cycling, walking, public transport)	Cycleways Construction Expansion	Minor works for Cycleways Hermitage Road Shared Path, West Ryde Regional Route 3 - Cycleway	Capital project	Traffic Services

Community Inclusion and Wellbeing

Working with organisations and the broader community to increase social and community wellbeing and empowering people to fully participate in community life.

Contributing to creating

Our Diverse and Inclusive City

The City of Ryde is a community where we are connected to one another, proud of our diversity and willing to help each other out so everyone has the opportunity to reach their potential. Creativity and inclusiveness are part of everyday life and is central to how we share our stories, connect with each other and celebrate our community. Our rich social, cultural, historical and creative tapestry provides an enduring legacy for future generations.

This program is a major contributor to helping to build the City's social and cultural infrastructure and an active and capable community and creative sector, and Creating a network of accessible and inclusive public spaces and places for people to come together, participate, connect, be creative, learn together and from each other.

Community Inclusion and Wellbeing - 2023-24 Operational Delivery**Delivery Indicators**

Community Development Partnering with organisations and individuals to generate solutions that support stronger and more connected communities to enhance community wellbeing. This is achieved using a range of projects, events and collaborative partnerships. Supporting the arts and cultural development through events, projects, capacity building programs and sector development. Providing a community grants program to support local not-for-profit organisations and community groups to implement projects that contribute to community wellbeing and help build a vibrant community.			Deliver on the strategic directions and outcomes of the City of Ryde Social Plan 2019-2024 and Creativity 019-2024 Over 100 not-for-profit organisations supported every year	
Ongoing Activities and Functions	Priority Actions & Projects for 2023-24	Delivery	Delivered as	Responsible Department/Function
Arts and Cultural Development Council recognises the vital role creativity; culture and the arts play in supporting our strong sense of community and identity. Council supports arts and cultural development through events, projects, capacity building programs and sector development. This helps to ensure our creative sector is supported, connected and empowered. Community Connectedness and Engagement

Supporting residents across the City of Ryde to become connected, engaged and informed and have opportunities to celebrate our culture, build their connections within the community, and contribute to decisions that affect the City.

Contributing to creating

Our Diverse and Inclusive City

The City of Ryde is a community where we are connected to one another, proud of our diversity and willing to help each other out so everyone has the opportunity to reach their potential. Creativity and inclusiveness are part of everyday life and is central to how we share our stories, connect with each other and celebrate our community. Our rich social, cultural, historical and creative tapestry provides an enduring legacy for future generations.

This program is a major contributor to this outcome by creating inclusive events that celebrate our culture and strengthen our community connections, and ensuring the community is fully informed and engaged in decisions and council and government initiatives impacting the community.

Rating and Revenue Policy Statement

Rating Plan

In 2023/24, Council is projecting Rate revenue of approximately \$83.48 million which represents 50.06% of Council's total revenue.

Council considers the principles of equity and benefit in determining its rating structure and seeks to:

- Maximise the income from business properties to ensure business contributes their fair proportion of rates to the City of Ryde
- Set minimum rates in accordance with the Minister for Local Governments approval.

Council's rating policy position has been to retain a 70/30 revenue generation split between the rates derived from residential and business properties. This was first initiated in 2008/09.

For 2023/24 the revenue split between residential and business properties will be 69/31.

IPART (Independent Pricing and Regulatory Tribunal) has set the rate pegging limit at 3.7% for 2023/24 and has been incorporated into the Council's financial projections.

In accordance with section 566(3) of the Act, Council must set an interest rate to charge on overdue rates and charges. The interest rate for the period 1 July 2023 to 30 June 2024 has been determined by the Office of Local

Government to a maximum amount of 9% p.a. It is proposed that the Council adopt the maximum amount for the 2023/24 financial year.

Loan Borrowings

Council will apply for a new loan totalling \$62.5M for the Ryde Central Project in 2024/25. The loan repayments will be funded from reserves.

Plant and Motor Vehicles

The City of Ryde has a rolling plant replacement program which ranges from 3 to 15 years for its various categories of plant.

The following amounts for Plant Replacement are included in the 2023/24 Draft Budget:

Plant Purchases	\$ 4,100,000
Plant Sale	<u>\$ 2,250,000</u>
Net Cost	\$ 1,850,000

from Plant Reserve

Property

The Strategic Property Department is responsible for the effective and efficient management of Council's property portfolio. The Asset Management Strategy provides the necessary framework for Council to ensure

those assets held within the portfolio are treated consistently with Council's strategic direction. The Strategic Property Policy provides the framework for Council Property portfolio, by acquiring or disposing properties to ensure the return on investment is maximised.

Council has allocated an amount of \$45.16 million for capital expenditure on Council's property portfolio in the 2023/24 Budget.

Council has not specifically identified any other individual assets to be disposed of in the 2023/24 budget and this would be subject to a resolution of Council to proceed.

Senior Officers

Under the Local Government Act Section 332(1), Council has resolved to have the following five positions designated as 'Senior Officers':

- Chief Executive Officer
- General Manager – Business and Operations
- General Manager – City Shaping
- General Counsel
- Chief Financial Officer

The adoption of this Delivery Programs confirms that all previous resolutions are no longer applicable, and that this listing as the only positions applicable under Section 332(1).

Rates & Annual Charges for 2023/24

Rates and Annual Charges are a major source of Council's income during 2023/24 financial year. Council's rating maps can be found at Council's website (www.ryde.nsw.gov.au)

Council's rating structure consists of both ordinary and special rates. Council must levy an ordinary rate on all rateable land within its Local Government Area, and each assessment must be categorised according to its dominant or permitted use. As an option, Council may levy special rates on those ratepayers who receive a benefit from works, services, facilities, or activities provided.

Council proposes to make and levy the following rates:

1. Ordinary Rates

Ordinary rates are mandatory and are to be categorised as per the Local Government Act 1993:

a. Residential – Minimum and Ad Valorem

Residential - includes any rateable parcel of land valued as one assessment and the dominant use is for residential accommodation, or if vacant land is zoned or otherwise designated for use for residential purposes under an environmental planning instrument.

(Applicable to all rateable properties categorised as Residential in the City of Ryde)

b. Business

i. Business – Minimum and Ad Valorem

Business - is rateable land that cannot be classified as farmland, residential or mining. Sub-categories are determined on whether

the land is located within a defined centre of activity.

(Applicable to all rateable properties categorised as Business in the City of Ryde)

ii. Business – Sub-Category – Major Retail Centre – Macquarie Park

(Applicable to all rateable properties sub-categorised as Business – Major Retail Centre – Macquarie Park in the City of Ryde - a map is available for public inspection at the City of Ryde Administration Building, 1 Pope Street, Ryde.)

iii. Business – Sub-Category Major Retail Centre – Top Ryde

(Applicable to all rateable properties sub-categorised as Business – Major Retail Centre – Top Ryde in the City of Ryde – a map is available for public inspection at the City of Ryde Administration Building, 1 Pope Street Ryde.)

Special Rates

c. Macquarie Park Corridor

(Applicable to all rateable properties categorised as Business in the Macquarie Park Corridor as detailed in the map on the following page)

d. Special Infrastructure Renewal

(Applicable to all rateable properties in the City of Ryde, the use of the funds raised are detailed in the following pages)

Environmental Management

(Applicable to all rateable properties in the City of Ryde, the use of the funds

raised are detailed in the following pages)

Rating of Subdivided/Consolidated Land

Upon registration of a plan of subdivision or consolidation with the Registrar General, rates and charges cannot be levied on new lot(s) until supplementary valuations have been provided to Council by the Valuer General. Once this has happened, Council can levy rates and charges on a pro-rata basis from the date the plan was registered.

When Council levies rates and charges on new parcel/s of land on a pro-rata basis, an adjustment must be made in respect of the land that existed prior to the registration of the plan to reflect that rates and charges are only payable on that parcel up until the date of registration.

If rates and charges have been paid in advance any credit will be refunded to the current landowner. If rates and charges have not been paid or an amount remains due after an adjustment this amount will be apportioned across the new parcel/s of land in the registered plan.

Aggregation of values of rateable land subject to rates containing base amounts or minimum rates

Within the City of Ryde there are some strata developments which result in garage and/or storage spaces being given their own lot number and consequently their own unit entitlement. Therefore, these garage spaces and storage spaces are subject to being separately rated. However, the City of Ryde has in previous years allowed an owner of strata titled dwelling who also owns a garage space/s and/or a storage space/s, to request Council to add together the unit entitlements of the lots

and to levy rates and charges on only one rates notice. The authority for Council to add together (aggregate) the unit entitlements of strata units with garage spaces and storage units is Section 548A of the Local Government Act, 1993.

Therefore, for 2023/24 Council will allow the aggregation of certain parcels of rateable land in accordance with Section 548A of the Local Government Act 1993.

Pensioner concession

Council provides a rate reduction to eligible pensioners under Sections 575 and 582 of the Local Government Act. Eligible pensioners are entitled to a rebate of 50% of their combined rates and domestic waste charges, up to a maximum of \$250 of which 55% is government funded and 45% Council funded. The granting of the Statutory Pensioner Rebate to eligible pensioners is limited to the current financial year and back dated to the previous financial year only (where relevant). In addition to the Statutory Pensioner Rebate, Council will grant a Voluntary Pensioner Rebate to a maximum of \$100, offset against the Domestic Waste Management Charge. This voluntary rebate will apply to pensioners who are eligible for the Statutory Rebate. It will be granted to all eligible pensioners on the same basis as the Statutory Pensioner Rebate. The granting of the Council's Voluntary Pensioner Rebate to eligible pensioners will be assessed annually. The total cost of these rebates to Council is approximately \$925,000.

Financial Assistance -

Council provides financial assistance as follows:

Charitable Donations

As part of Council's budget, an amount of funding has been allocated, to financially assist charities and not-for-profit organisations for charitable purposes identified by Council. The nominated entity and amount must be eligible as per Council's Charitable Donations Policy, and must be approved by a Council resolution.

Community Grants

Council's Community Grants program provides financial support to successful applicants for a specified project or purpose, resulting in a defined community benefit. The Community Grants Program consists of grant rounds, awards and donations which are outlined in Council's Community Grants Policy.

Community Grants Program

There will be three grant rounds during the 2023/24 financial year where applications must be submitted during the nominated timeframes. Applications will be assessed according to the specified eligibility criteria outlined in the guidelines and ratified by Council resolution.

Donations and Awards Program

The Donations and Awards Program provides community members the opportunity to apply for financial assistance to achieve a community outcome in line with the eligibility criteria stated within the guidelines. The following donations categories are available under the Awards and Donations Program:

1. General Category- one-off funding requests of up to \$500 per applicant. A total pool of \$2,500 is available per year. Applications can be submitted at any time throughout the year and will be available until all funds are expended.
2. Representative Donation- one-off funding of up to \$250 for individuals who are representing their community in a nationally recognised sporting, academic or cultural activity at a national or international level. A total pool of \$2,500 is available per year. Applications can be submitted at any time throughout the year and will be available until all funds are expended.
3. School Excellence Awards- a gift voucher to the value of \$100 for primary school students and \$200 for secondary school students is awarded to outstanding students. One award is available per school. One round of School Excellence Awards is available each year.

Applications for Donations and Awards will be assessed according to the specified eligibility criteria outlined in the guidelines and ratified by the CEO.

Rates and Charges - Estimated Yield for 2023/24

Rate Type	Category/Sub-Category	No. of Properties	Land Values \$	Base Charge \$	Minimum \$	Ad Valorem (amount in \$)	% of Revenue from Base for each rate	Estimated Yield \$

Special	Environmental Management - Ad Valorem	54,051	59,717,315,597			0.00008316		4,965,921
TOTAL YIELD	ORDINARY & SPECIAL RATES							83,481,852

The Residential Minimum and Business Minimum rates include mixed developments that have been apportioned in accordance with NSW Land Registry Service records.

The above rates figures include the rate pegging amount of 3.7% as determined by the Independent Pricing and Regulatory Tribunal.

As Council will continue to process adjustments to its rating records until the time the Operational Plan is adopted, minor changes to the amounts shown in the above table will occur. These adjustments include the processing of supplementary valuation lists from the Valuer General's Department, changes to rating categories, and changes in the rateability of land.

For the 2023/24 rating year, the base date for Land Values is 1/07/2022.

Macquarie Park Corridor Special Rate

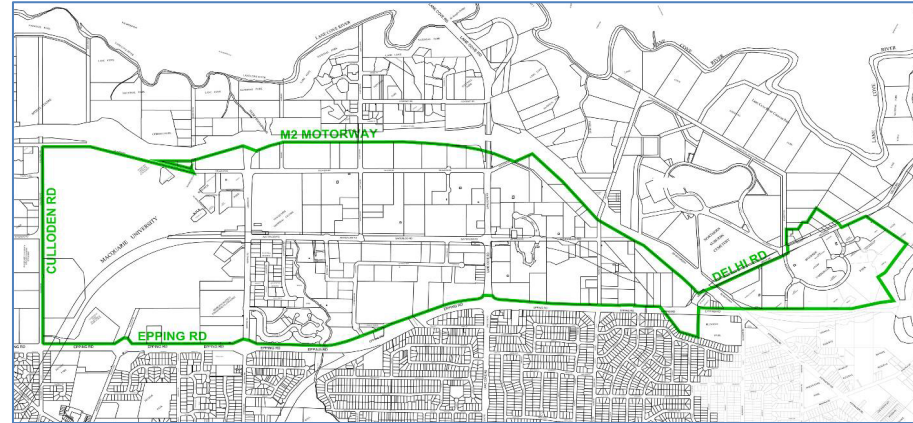

The Special Rate (which was approved by the Minister for Local Government in 2006 on an ongoing basis, in perpetuity) will raise approximately \$1.93m in the 2023/24 financial year from business properties in the Macquarie Park Corridor. At present, 511 business properties are located within this area (see map).

A copy of the map is available for public inspection at the City of Ryde Administration Building, 1 Pope Street Ryde.

The funds raised will be used to assist in implementing the Macquarie Park Corridor Master Plan, which has been developed in conjunction with the State Government and community stakeholders in response to the changing nature of business in the corridor.

The Special Rate funds will also be used to construct and maintain the public domain infrastructure in the area, improve roads and cycle ways as the area changes from a low density business park to an attractive, viable and vibrant urban centre.

Income relating to the Macquarie Park Corridor Special Rate will be restricted to a reserve where relevant Macquarie Park related projects will be funded from. Any unspent funds will remain in the reserve at the end of each financial year. The following works are proposed to be funded from the Macquarie Park Corridor Special Rate.

	Proposed 2023/24 Total
TMA for Macquarie Park	102,600
Planting Embellishment Program - Macquarie Park	47,190
City Economy program	149,790
Grand Total	149,790

Special Infrastructure Renewal Rate

The Special Infrastructure Renewal Rate will generate an estimated \$14.1 million during 2023/24 from all rateable properties in the City of Ryde.

The Special Infrastructure Renewal Rate funds will be used to undertake asset infrastructure renewal works and asset maintenance throughout the City of Ryde.

Income received from the Special Infrastructure Renewal Rate will be restricted to a separate reserve where the relevant infrastructure works will be funded from. Any unspent funds will remain in the reserve at the end of each financial year.

The following table shows the projects for which these funds have been committed over the period of the 4 Year Delivery Program:

Area of spending	2023/24
Additional Maintenance costs	619,720
Additional Asset Maintenance Spending	619,720
Road Resurfacing Renewal	3,668,570
Footpath Construction Renewal	681,450
Road Kerb Renewal	4,585,190
Bridges Renewal	83,000
Stormwater Asset Replacement Renewal	854,000
Seawalls/Retaining Walls Refurbishment Renewal	638,200
Sportsfield Floodlighting Renewal	165,000
Sportsfield Upgrade & Renewal	250,000
RALC Asset Renewal	300,000
Community Buildings Renewal	524,500
Sportsground Amenities Upgrade & Renewal	1,071,020
Playground Upgrade & Renewal	580,000
Car Parks Renewal	530,850
Community Buildings Renewals - Libraries Improvements	-
Kerb and Gutter Renewal	230,850
Heritage Buildings Renewal	156,000
Sportsfield Floodlighting Expansion	-
Additional Asset Renewal Spending	14,318,630
Additional Annual Asset Spending	14,938,350

Environmental Management Levy

The Environmental Management Levy will generate an estimated \$8.3 million during 2023/24 from all rateable properties in the City of Ryde.

The Environmental Management Levy funds will be used to implement and continue a range of environmentally sustainable initiatives. These include reducing our environmental footprint, protecting our natural and built environments, reducing our impact on our natural systems, strengthening the health of our natural corridors, and managing infrastructure to reduce risk and impacts.

Asset Replacement Reserve

Council funds the replacement of assets through a combination of General Revenue and the use of additional funding, restricted in the Asset Replacement Reserves. The funds allocated to this reserve are to ensure the Council maintains its asset renewal service levels in addition to the Infrastructure Special Rate.

Whilst there is no legislative requirement for this reserve to be maintained, it is prudent to ensure asset renewal service levels are being maintained.

The following tables show the classes of projects for which these funds have been committed over the period of the Delivery Plan

Total Asset Renewal Spending (Asset Replacement Reserve)	2023/24 Budget
71 - Buildings	650,000
72 - Other Structures	-
73 - Public Roads	1,275,300
76 - Stormwater Drainage	563,230
77 - Open Space/Recreational Assets	-
78 - Other Infrastructure Assets	-
79 - Other Non-Infrastructure Assets	25,650
Grand Total	2,514,180

Total Asset Renewal Spending (Infrastructure Special Rate and Asset Replacement)	2023/24 Budget
71 - Buildings	1,630,500
72 - Other Structures	530,850
73 - Public Roads	10,524,360
76 - Stormwater Drainage	1,417,230
77 - Open Space/Recreational Assets	995,000
78 - Other Infrastructure Assets	638,200
79 - Other Non-Infrastructure Assets	25,650
Grand Total	15,761,790

Total Asset Renewal Spending (All sources)	2023/24 Budget
71 - Buildings	1,170,500
72 - Other Structures	530,850
73 - Public Roads	11,214,810
76 - Stormwater Drainage	2,608,230
77 - Open Space/Recreational Assets	7,633,000
78 - Other Infrastructure Assets	638,200
79 - Other Non-Infrastructure Assets	4,125,650
Grand Total	27,921,240

Domestic Waste Management Service Charge

Domestic Waste Management Services are provided on a full cost recovery basis. Costs are determined by contractor charges and Council costs and overheads necessary to manage the service.

The Domestic Waste Management Service charge for 2023/24 is levied under Section 496 (1) of the Local Government Act 1993 and the standard service charge has been set at \$464.90 per service, per annum.

The Domestic Waste Management Service charge is levied on each rateable residential property within the City of Ryde. Ratepayers have the option to request either a Standard, Premium or Eco service depending on their waste preference. Ratepayers who use a shared bin system are only entitled to a Standard service. The Domestic Waste Management Charge, Standard service will yield an estimated total revenue of \$23.7 million for the 2023/24 financial year

A standard Domestic Waste Management Service consists of:

- One 140 litre garbage bin collected weekly
- One 240 litre recycling bin and one 240 litre green vegetation bin each collected fortnightly on alternate weeks
- Mulching and Chipping Service
- Maximum 5 booked clean-up services per residential property per year

Unit blocks with bin bays will share a 240 litre garbage bin and a 240 litre recycling bin between two units and one vegetation bin per unit block or as

required as long as the total volume does not exceed the total number of units times the standard service charge.

All newly rateable residential properties will be charged with a Standard Service as a default until Council is notified of a service change request.

To ensure operational efficiencies, Large Multi-Unit dwellings will have a different bin composition which will include the use of bulk bins. The bins may be collected multiple times a week (twice or thrice) depending on the size and composition of the complex ensuring that the total volume of each stream does not exceed the total number of units times the standard service charge.

Domestic Waste Management Services	Annual Charge \$	Estimated Number of Services	Estimated Yield \$
Standard Service	464.90	50,973	23,697,348
Premium Service	719.60	724	520,990
Eco Service	312.00	640	199,680
Additional Service – 80l	203.80	105	21,399
Additional Service - 140l	356.70	1,195	426,257
Additional Service - 240l	611.40	955	583,887
Additional Service - Res Recycle	54.10	2,059	111,392
Additional Service - Res Green	54.10	1,704	92,186
Total			\$25,653,139

Non-Residential Waste Management Service Charge

Non-Residential Waste Management Services are provided on a full cost recovery basis. Costs are determined by contractor charges and Council costs and overheads necessary to manage the service.

The Non-Residential Waste Management Standard Service charge for 2023/24 levied under Section 501(1) of the Local Government Act 1993 (as amended) and has been set at \$464.90 per service for a full year service.

The Non-Residential Waste Management Service charge is levied on each non-rateable non-residential property within the City of Ryde where the service is requested. Ratepayers have the option to request either a Standard, Premium or Eco Non-Residential Waste Management service depending on their waste preference. The total Non-Residential Waste Management Service charge will yield an estimated total revenue of \$0.08 million for the 2023/24 financial year.

A standard Non-Residential Waste Management Service consists of:

- One 140 litre garbage bin collected weekly
- One 240 litre recycling bin and one 240 litre green vegetation bin each collected fortnightly on alternate weeks
- Mulching and Chipping Service

Non Residential Waste Management Services	Annual Charge \$	Estimated Number of Services	Estimated Yield \$
Standard Service	464.90	35	16,272
Premium Service	719.60	18	12,953
Eco Service	312.00	0	0.00-
Additional NRWM - 140l	356.70	51	18,192
Additional NRWM - 240l	611.40	45	27,513
Additional Non Res Recycle	54.10	72	3,895
Additional Non Res Green	54.10	28	1,515
Total			\$80,340

Stormwater Management Service Charge

The Stormwater Management Service Charge for 2023/24 is levied under Section 496A of the Local Government Act 1993 (as amended).

The annual Stormwater Management Charge provides funding specifically for stormwater management restoration, maintenance of stormwater infrastructure and for environmental initiatives to better manage stormwater. These programs assist in reducing flooding and water damage from heavy rain, as well as prevent litter and other pollutants from being washed from roads to local creeks and waterways.

The charges have been set in accordance with the Local Government (General) Regulations (2021) for 2023/24 are as follows:

- Strata/Company titled residential home units: \$12.50 per unit
- Other residential property: \$25.00 per rateable property
- Business rateable property: \$25.00 per 350 square metres of land area.
- Strata/Company titled business units: a minimum of \$5.00 or the relevant proportion of the maximum annual charge that would apply to the land subject to the strata scheme if it were a parcel of land subject to the business rateable property charge

The Stormwater Management Service Charge will raise approx. \$1.15 million in 2023/24.

Section 611 Local Government Act - Annual Charges

Section 611 of the Local Government Act, 1993 permits Council to charge persons who benefit from having private facilities on, above or under public land. Council has a number of commercial arrangements captured under this provision and will continue to charge these in 2023/24 financial year.

Commercial Matters

Council does not declare any of its activities as commercial activities in accordance with the National Competitive Policy (NCP).

Sharing your thoughts

We recognise that engaging with our community to understand our shared hopes and aspirations is central to everything we do. The Four Year Delivery Program and One Year Operational Plan has been developed to encapsulate what we will do together over the next four years to ensure that our City remains a place where we continue to experience lifestyle and opportunity at our doorstep.

The Four-Year Delivery Program 2022-2026 and the One-Year Operational Plan 2022/23 will be on public exhibition at the Ryde Customer Service Centre (Pope Street, Ryde), branch libraries and on the City of Ryde's web site for a period of 28 days during May 2022.

To make sure that this document is more than just words on a page we need to hear from all parts of our community. If you have any comments on this document or on our plans please share them with us through any of the avenues listed.

Feedback received during the exhibition period will be considered by Council prior to the Plan being adopted.

Submissions on the Four Year Delivery Program and the Operational Plan are encouraged from residents in the City of Ryde at all times, and can be made using the following methods:

By mail addressed to:

General Manager City of Ryde
