## Welcome

Welcome to the City of Ryde's Community Information and Feedback Session for the Gannan Park and McCauley Park Revised Draft Masterplan, including Sports Field Lighting.

At today's event we are displaying information about the proposed Revised Draft Masterplan, including changes made as a result of the feedback received in Stage 2 Have Your Say and sports field lighting at Gannan Park.

Gannan and McCauley Parks currently service a number of sporting clubs and recreational activities for the wider community during daylight hours.

Representatives from the City of Ryde are here today to talk with you and answer questions you may have about information on display.

There is also an opportunity to fill out a feedback form and leave it with us today.

Thank you for your interest in the project.

## Revised Draft Masterplan – Changes Made from Feedback Received

As a result of the feedback received during the Stage 2 Have Your Say we have revised the Draft Masterplan design with the following:

- Inclusion of sports field lighting, subject to a Development Application
- Additional on site car parking spaces and potential further expansion subject to a Traffic Report and Development Application
- New cricket nets
- New outdoor fitness equipment
- More trees, grass and groundcover plants
- Improved natural area
- Improved embankment including view corridors
- Improved paths and trails
- Additional seating and picnic shelters
- Improved park entrances and signage.

## Revised Draft Masterplan – Inclusion of Sports Field Lighting

### CITY OF RYDE

- 43.1% forecast population growth (2016 – 2036)
- Community demand for sports fields is increasing
- City of Ryde has a current shortfall of sports fields
- Northern Sydney Regional Organisation of Councils has identified shortfall in sports fields

### SPORTS FIELD AVAILABILITY

- Current shortfall in sports fields (especially sports fields with lighting)
- Maximum capacity for turf sports field = 30 hrs/week
- Forecast population growth = further increased demand in sports fields
- Operational sustainability.
