

Dog Off-Leash Area

Rules for Off Leash Areas

- All dogs using the area must be accompanied and supervised by a competent person
- All dogs using the area must be able to be controlled without a leash, i.e. return to handler on command
- Maximum of four dogs per person
- Off-leash activities will be permitted only in the designated area approved by Council
- Dogs are only permitted in the off-leash area as indicated on the sign posts at each off-leash area
- Dogs that are declared dangerous by Council and aggressive and restricted dogs as indicated under the NSW Companion Animals Act 1998 are not permitted to use the off-leash area
- Dog owners/controllers must remove all dog faeces deposited by the dog under their control
- When leaving this area your dog must be on a leash
- Dogs must not be encouraged to attack
- Dog owners are liable under legislation if their dog attacks a person or animal
- Please keep dogs 10 metres away from bushland areas and children's playgrounds
- Commercial dog walkers must be registered with the City of Ryde
