Initial draft prepared with property tagging for flood controls.

HAVE YOUR SAY

September 2023 - December 2023

Have Your Say

City of Ryde Draft Flood Study was placed on public exhibition and community concerns were reviewed.

February 2024

Incorporation of Community Feedback

Adjusted tagging to exclude minor and isolated flood impacts. Untagged properties with limited flood exposure or only affected by Parramatta River inundation.

June 2024

Final Flood Study Refinements

4% reduction in flood tagged lots achieved, aligning with updated planning requirements.

September 2024

Draft Flood Risk Management Study & Plan Completed

The draft study and plan is completed.

10 December 2024
