SCHOOL HOLIDAY SKATE CLINICS FOR ALL LEVELS – BOOK EARLY

Back by popular demand, the Active in Ryde school holiday skate clinic program is on again, with sessions for all levels of skaters. The all-day event offers three sessions at two locations.

For primary school aged kids with beginner and intermediate skate skills, there will be two Learn to Skate clinics. These sessions are all about getting beginners into skateboarding and developing the skills of those already riding.

For the slightly more experienced teenage skaters with intermediate and advance skate skills, there will also be a special Twilight Clinic be conducted for the first time. This 'Game of Skate' session is **not** a skateboarding contest. It's a chance for skaters to show their skills, learn some new tricks and develop their technical skills on flat ground and in the skate park.

All sessions are taught by qualified and experienced skate instructors.

Skaters are encouraged to bring their own helmet, protective equipment and skateboard. However, spare skateboards, helmets and protective equipment will also be available for use on the day.
