SAVE THE DATES IN APRIL FOR YOUTH WEEK 2016

Youth Week is a week-long celebration (April 12 – 17) organised by local young people for young people aged 12 – 25 to express their ideas and views, act on issues that affect their lives, and create and enjoy activities and events.

Last year, more than 2,200 young people from the Ryde area attended events where they shared ideas, showcased their talents and celebrated their contribution to the community. And there's more in store.

The Ryde Youth Council has again worked with Ryde Council to put on an awesome program of events under the banners of Connecting Culture and Community – It Starts with Us.
