DISABILITY INCLUSION ACTION PLAN – HAVE YOUR SAY

The City of Ryde Council is working with the Councils of Lane Cove and Hunters Hill to develop a combined Disability Inclusion Action Plan (DIAP). The plan will ensure that people living with a disability have access to information, services, Council buildings, facilities, employment opportunities and community programs and events.

A combined DIAP as well as stand-alone plans will be developed due to possible Council mergers.

People living with a disability will be at the core of the consultations with the inclusion of family, friends and people who support those living with disability.

An external agency has been engaged to assist in the preparation of the DIAP which will analyse information from a community survey, a series of group discussions and one-on-one conversations with relevant parties.

The consultations will take place between March and May 2017. You can find out more at www.ryde.nsw.gov.au/haveyoursay.
