Officers must have a code of ethics to self-regulate their behaviour in the pursuit of their duties.

Management Unit. This includes the wearing of all issued PPE, long sleeve shirts, hats, vests and steel cap boots.

5. Conduct

All Officers shall:

- Be courteous and conduct themselves in a professional manner at all times.
- Reply to internal or external customer inquiries in a prompt and polite manner.
- Perform their duties impartially and in the best interest of the community, uninfluenced by fear or favour.
- Act in good faith in the interest of the City of Ryde and the community.
- Always act in accordance with their obligations of fidelity to their Council.

The Public is entitled to expect that:

- The business of the Ranger and Parking Services Unit and Council is conducted with efficiency, impartiality and with integrity.
- All members of staff obey the law, particularly, the provisions of all relevant Acts, Regulations and instruments.
- Duty to the public is always given absolute priority over the private interests of individuals or staff.

6. Delegated Authority to Enforce Parking

The Commissioner of Police, on the 19th July 2002, gave the authority for all Councils to enforce the provisions of the Road Rules 2014, effective the 22nd July 2002.

Presently, Council Rangers are engaged in the core parking enforcement role generally between the hours of 7.50am – 5.24pm Monday to Sunday, including public holidays.

The Manager Community and Ranger Services will determine the priorities and appropriate areas that require enforcement coverage. Rangers are required to carry out these duties and to follow instructions at all times.

7. Procedures for Parking Patrol Enforcement

Efficient and effective parking regulation relies heavily on systematic presence of officers. Consistency in enforcement is the key component in avoiding undue criticism to both the individual and the Unit as a whole. Officers will not act in a covert way in enforcing parking rules and restrictions.

Parking offences are strict liability offences, which mean that a breach of the law is sufficient to justify the issuing of a penalty infringement notice (PIN). However, officers should:

- display sound judgment in exercising any discretion to issue a PIN,

- ensure that the Road Rules 2014 are enforced in a fair and equitable manner in keeping with this policy,
- having regard to public safety reporting damage or anything that may impact safety to members of the public; and,
- exercise discretion in keeping with industry best practice.

It is acceptable to obtain photographic evidence of any vehicle that is committing an offence within the City of Ryde area.

The photographic evidence once obtained must be secured in Council’s record system to restrict accessibility by the public and unauthorised members of staff.

It is expected Council Rangers will always enforce the provisions of the regulations in a pro-active manner and it is acceptable that there are times officers may act without warning to motorists, where specific safety issues are concerned.

Enforcement Officers shall adopt the following procedures and work practices in all but approved extenuating circumstances.

- Officers shall discharge and comply with the designated program of enforcement, as designated by the Manager – Community and Ranger Services.
- All officers must be outfitted with the required equipment to carry out parking enforcement at all times whilst on patrol.
- It is acceptable for infringement notices to be issued by post to offending vehicles via Print and Post or through the RTA Drives24 system.

Where an officer issues a caution, it shall be issued electronically where possible and all enforcement staff are to follow the set protocol and issue an official caution through the PDA with a \$0.00 amount.

- Infringement notices that are issued to the vehicle shall be placed under the windscreen wiper.
- School Zone enforcement shall be conducted in an ethical and consistent manner. All Officers shall ensure at all times during their enforcement that they are visible to all users of the area (students, staff and parents).
- Notwithstanding the policy all officers shall further comply with and discharge every requirement of Revenue NSW, in regard to the issuing of penalty infringement notices.
- Any Officer that does not comply with this Policy may be in breach of Council’s Code of Conduct Policy.

The authorised officer is the sole person delegated and authorised to use their discretionary powers to issue a verbal warning or formal caution at the time of offence. Without limiting the discretion to give a caution, the matter that should be taken into account when deciding whether it is appropriate to give a person a caution instead of a penalty notice include instances when the officer has reasonable grounds to believe:

- that the person has a mental illness or intellectual disability,

- is homeless,
- is under 18,
- has a special infirmity or is in very poor health,
- is a visitor from interstate or overseas and was not aware that their conduct constituted an offence,
- was responding to a medical or other serious emergency
- any other matters identified for consideration in the Fines Act 1996 and any relevant Guidelines issued by the Attorney General under section 19A(3) of the Fines Act 1996.

The fact that one or more of these factors is present does not mean that the officer is obliged to issue a caution. All the circumstances of the case should be taken into account to determine whether a caution is an appropriate and reasonable response to the offence.

8. Procedures for Appealing Infringement Notices

The City of Ryde has a current premium service agreement with Revenue NSW; this agreement is for the provision of infringement processing, data collection and revenue collection from the infringement notices issued by council officers. The current fee for this service is \$21.75 per infringement notice, plus GST.

Another service provided by the Revenue NSW is the administration of all representations in relation to all Infringement Notices issued by Council; this includes parking fines, companion animal offences and pollution matters.

The following procedure will be followed if a member of the public wishes to raise representations with the Council or Revenue NSW in relation to an infringement notice:

1. The representation must be in writing, containing the full name, address, date of offence, registration number of the vehicle, make of vehicle, location of offence, and infringement notice number. This information should be forwarded directly to Revenue NSW, in the first instance, as the appropriate authority to action infringements.
2. In the event that the appellant is not satisfied with the decision of Revenue NSW, they may request a formal review of this decision by the City of Ryde's Adjudication Officer. All requests must be made in writing to the General Manager.

The decision for the Infringement Notice to be actioned as

- 1) Cautioned
- 2) Cancelled
- 3) Penalty to Stand

will be referred to Revenue NSW for action.

The determination of the Adjudication Officer (General Counsel) is final and no further correspondence will be entered into by the City of Ryde. The final option for appellants will be to have the matter determined through the Local Court. Requests

for matters to be forwarded to the Court are to be made in writing to the Revenue NSW.

Section 24E of the Act provides the Officer with a discretion to waive a Notice and/or may issue a caution in the circumstances where a person is deemed to have an intellectual disability, a mental illness, a cognitive impairment or is homeless (“Vulnerable Persons”). The Officer will assess the circumstances surrounding the commission of the offence in accordance with the criteria as outlined in the Attorney General’s Internal Review Guidelines.

Parking Offence photographs are available to be viewed at Council's Customer Service Centre during Council's business hours of 10.00am – 5.00pm Monday to Friday. There is no fee for viewing an offence photograph or obtaining a photograph which best displays the offence. If a copy of the photograph is required, photographs are only provided in hard copy, and are to be requested through Council’s Customer Service Centre.

9. Procedures for Councillors

Councillors are encouraged to advise constituents to forward their representations in writing to Revenue NSW in the first instance. Where Councillors make representations on behalf of constituents, any such representation must be made consistent with Council’s Code of Conduct.
