

Another City of Ryde infrastructure project

For a connected and accessible city

Pedestrian Detour Works – Stage 1 Constitution Road, Meadowbank

The City of Ryde is committed to the delivery of safer roads infrastructure for the Ryde community.

To improve pedestrian safety and access, Council is creating an additional pedestrian detour going underneath the Angas Street Bridge on the Southern side of Constitution Road.

What will the works include?

The works will be completed over three stages and will include:

Stage 1 – Relocation of the Constitution Road/ Bowden Street Pedestrian Crossing

- The at-grade pedestrian crossing will be moved west away from the roundabout to promote better pedestrian safety
- Commencing **19th December 2022**

Stage 2 – Connection of the footpath below Angas Street Bridge

- This will involve the cutting of the rock abutment below the Angas Street Bridge, to connect both sides of the footpath
- Commencing **Early 2023**

Stage 3 – Construction of a new at-grade pedestrian crossing at See Street

- A new pedestrian crossing will be built across Constitution Road at See Street to improve access to both Meadowbank Station and TAFE.
- Commencing **Early 2023**

Please refer to the plan overleaf for the location of these works.

Timing of Stage 1 works

Construction start: Monday, 19 December 2022, weather permitting.

Expected Completion: Friday, 23 December 2022, weather permitting

An additional works notification will be provided prior to the commencement of stages 2 and 3.

Stage 1 works will be carried out as nightworks on Monday to Fridays and some Saturdays between 8:00PM and 5:00AM.

Changed Conditions

Every effort will be made to minimize inconvenience to residents during the construction period.

Traffic controls will be in place to manage traffic and pedestrian movement safely throughout the works.
