

Another City of Ryde project

Delivering for our community

Stormwater Drainage Upgrade Cilento Crescent, East Ryde

Dear resident or business operator

The City of Ryde is committed to the delivery and maintenance of high quality infrastructure and facilities. As part of this commitment, there will be stormwater drainage works in Cilento Crescent, East Ryde (see map on reverse side).

The work is part of Council's four year delivery plan for new infrastructure and includes the installation of new drainage pits and pipes.

Example stormwater drainage works in progress

Changed traffic conditions

Construction activities will occupy some parking spaces in the area and there will be short delays to through traffic at various times.

Where driveway access is to be impacted residents will be advised of alternate access or parking arrangements in advance.

Timing of works

Construction is due to start in **early to mid August 2020**, and be completed by **late September 2020**, weather permitting.

Construction hours are typically Monday to Friday between 7:00am and 4:00pm, and some Saturdays.

Council thanks you for your patience.
