

TOWN CENTRE UPGRADE

RYEDALE ROAD, WEST RYDE

CONSTRUCTION UPDATE FEBRUARY 2022

Ferrycarrig was engaged by the City of Ryde Council to undertake the upgrade of Ryedale Road Public Domain.

Our key consideration throughout the delivery of this project was to minimise disruption to the local community, businesses and environment.

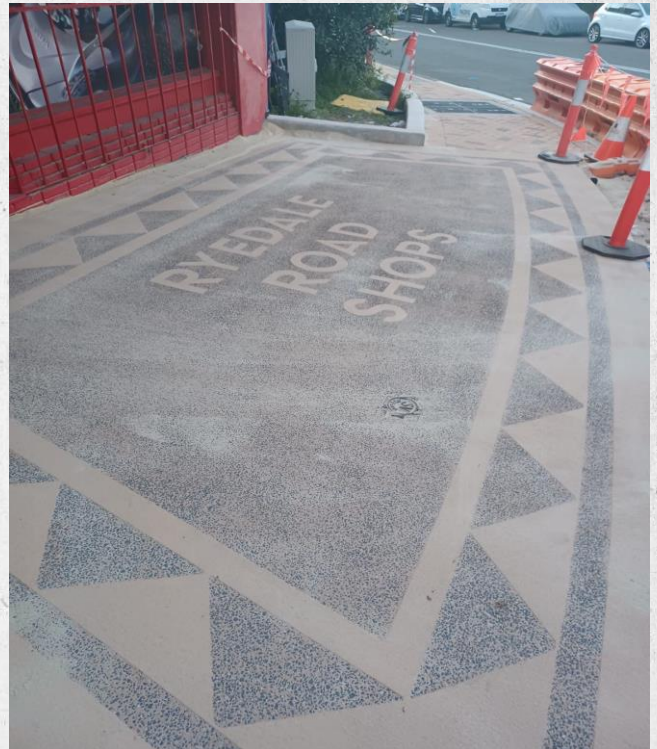

Completed Works

- ✓ Underground electrical conduit and cable installation works on shop side and rail side.
- ✓ New storm water drainage system.
- ✓ Kerbing, paving & footpath works on shop side.
- ✓ Installation of multifunctional poles along Ryedale Road.
- ✓ Removed overhead cables along Ryedale Road.
- ✓ Installed 2 x special footpath finish along the shop side.
- ✓ Installation of signages on shop side.

Upcoming/Ongoing Works.

- Paving works - Rail side.
- Construction of raised pedestrian crossings.
- 85% complete - Kerb and footpath work - Rail side.
- Soft landscape works.
- 50% complete - Installation of signages, pavement marking, bins, bench seats and bollards.
