

TOWN CENTRE UPGRADE RYEDALE ROAD, WEST RYDE

CONSTRUCTION UPDATE SEPTEMBER 2021

Ferrycarrig was engaged by the City of Ryde Council to undertake the upgrade of Ryedale Road Public Domain.

Our key consideration throughout the delivery of this project was to minimise disruption to the local community, businesses and environment.

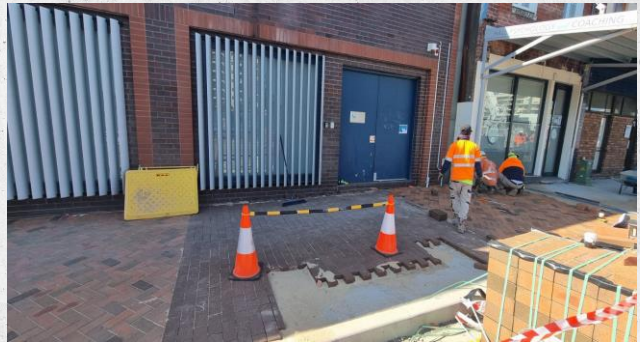

Completed Works

- ✓ Underground electrical conduit and cable installation works on shop side completed.
- ✓ 2 out of 3 electrical outages completed.
- ✓ New storm water drainage system completed
- ✓ Kerbing works on shop side completed
- ✓ Blinding slab pour on shop site completed

Upcoming Works

- Installation of 13 multifunctional poles.
- 50% paving works along shop side.
- Construction of raised pedestrian crossings.
- Kerb and footpath work - Station side.
- Soft landscape works.
- Installation of signages and pavement marking.
