Reserve Street
West Ryde, NSW 2114

Friday 1 October 2021

Dear Resident,

WORKS NOTIFICATION UPDATE
Reserve Street Road Safety Upgrade
Between Miriam Road and West Parade, West Ryde

The City of Ryde recently wrote to notify you of the upcoming road safety upgrade works along Reserve Street (between Miriam Road and West Parade, West Ryde).

We are writing to update you that the completed Part 5 assessment under the Environmental Planning and Assessment Act 1979 has confirmed that the final design plans are in accordance with the Road Safety, Arboricultural Impact and Heritage assessments and comply with the relevant Australian Standards and legislations. A copy of the final design plans can be viewed by scanning the below QR code.

Works are now scheduled to commence in **mid-October 2021** and are planned for completion by **January 2022**, weather permitting.

The construction of the road safety upgrade will be undertaken in two stages:

- **Stage 1** will involve kerb, gutter and drainage works. These works are planned to commence mid-October 2021. It is anticipated that the Stage 1 works will be completed in December 2021, weather and NSW Government COVID-19 restrictions permitting.
- **Stage 2** will involve road re-sheeting, line-marking and signage works. These works are planned to be undertaken over a week period within December 2021 / January 2022, weather and NSW Government COVID-19 restrictions permitting (excluding Christmas and New Year period).

The works will be carried out Monday to Friday and some Saturdays between the hours of 7.00am and 4.00pm. Every effort will be made to minimise inconvenience to residents during the construction period.

Should you require further information regarding this project, please contact Council's project Manager, Maddy Mukerjee on 0468 563 958 or email ModhulikaM@ryde.nsw.gov.au.

Sincerely,

Maddy Mukerjee
