For an active and healthy city

RYDE PARK, RYDE PLAYGROUND UNDERSURFACE UPGRADE

Dear Resident / Business Owner,

The City of Ryde is committed to ensuring that all families have access to safe, accessible and high-quality parks. As part of our Playground Renewal Program, we will be upgrading the rubber soft fall under surfacing to the playground in Ryde Park.

What will the works include?

The works will include the removal of the existing rubber surface and full replacement with a new safe rubber soft fall surface.

The playground will be closed for use during the duration of the works.

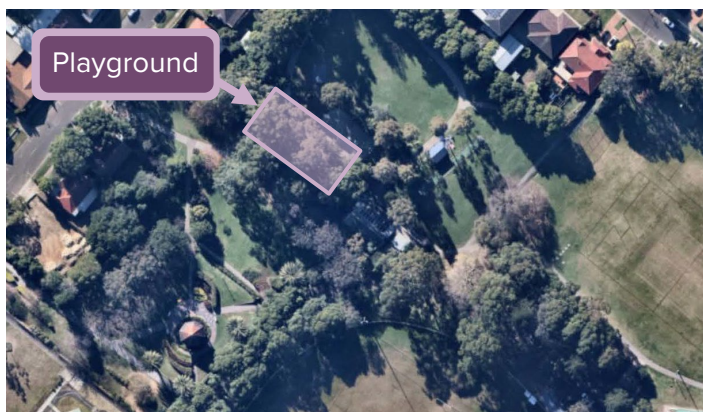

When will the works take place?

Construction is expected to commence on Monday 16 October 2023 and is expected to be completed within 2 weeks, weather permitting.

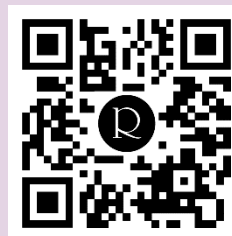

Works will primarily be undertaken from Monday to Friday between 7.00am – 4.00pm and on Saturday between 8.00am – 3.00pm.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

We apologise for any inconvenience these works may cause and appreciate your cooperation.

Map is indicative and for reference only. Exact location may vary.
