

SANTA ROSA PARK, RYDE

WORK NOTIFICATION | NEW PLAYGROUND

Dear Resident,

The City of Ryde is committed to ensuring that all families have access to safe, accessible and high-quality parks. As part of our Playground Renewal Program, we will be constructing a new district playground in Santa Rosa Park, Ryde.

What will the work include?

The new playground will include the installation of new play equipment, access pavements, additional seating and picnic shelter to the existing picnic area, landscaping and tree planting work.

Please see the Santa Rosa Park District Playground Plan on the back of this flyer.

When will the work take place?

Construction is expected to commence in the **week beginning Monday, 15 January 2024** and is expected to be completed by **May 2024**, weather permitting.

Work will primarily be undertaken from Monday to Friday between 7.00am – 4.00pm and occasionally on Saturdays between 8.00am – 3.00pm.

What are the changed conditions during the work?

There will be fencing to barricade the work area and some pedestrian access will be altered for the duration of the work.

The picnic area will be unavailable, however the existing playground near Quarry Road will still be open for use.

Some noise disturbance can be expected at times while the work is completed, however the work will be managed to minimise disturbance to nearby residents much as practically possible.

We apologise for any inconvenience this work may cause and appreciate your cooperation.

Map is indicative and for reference only. Exact location may vary.
