Personalised trip planning

- Kevin McClain started as our part-time transport planner
- Trip planning sessions are conducted once a month
- Employees at member businesses attend one-on-one sessions with Kevin
- Usually participants are interested in trying public transport, but haven't found a good option ... yet
- 70 participants have been matched with public transport options and entered into the Commuter Club
- We receive excellent feedback about the pedestrian, bus, train and road networks and share with City of Ryde and TfNSW
