Temporary rail shutdown

As the trusted adviser within the precinct, we will mitigate the travel disruption for Connect Members and the business community through the duration of Sydney Metro temporary shut-down 2018-19

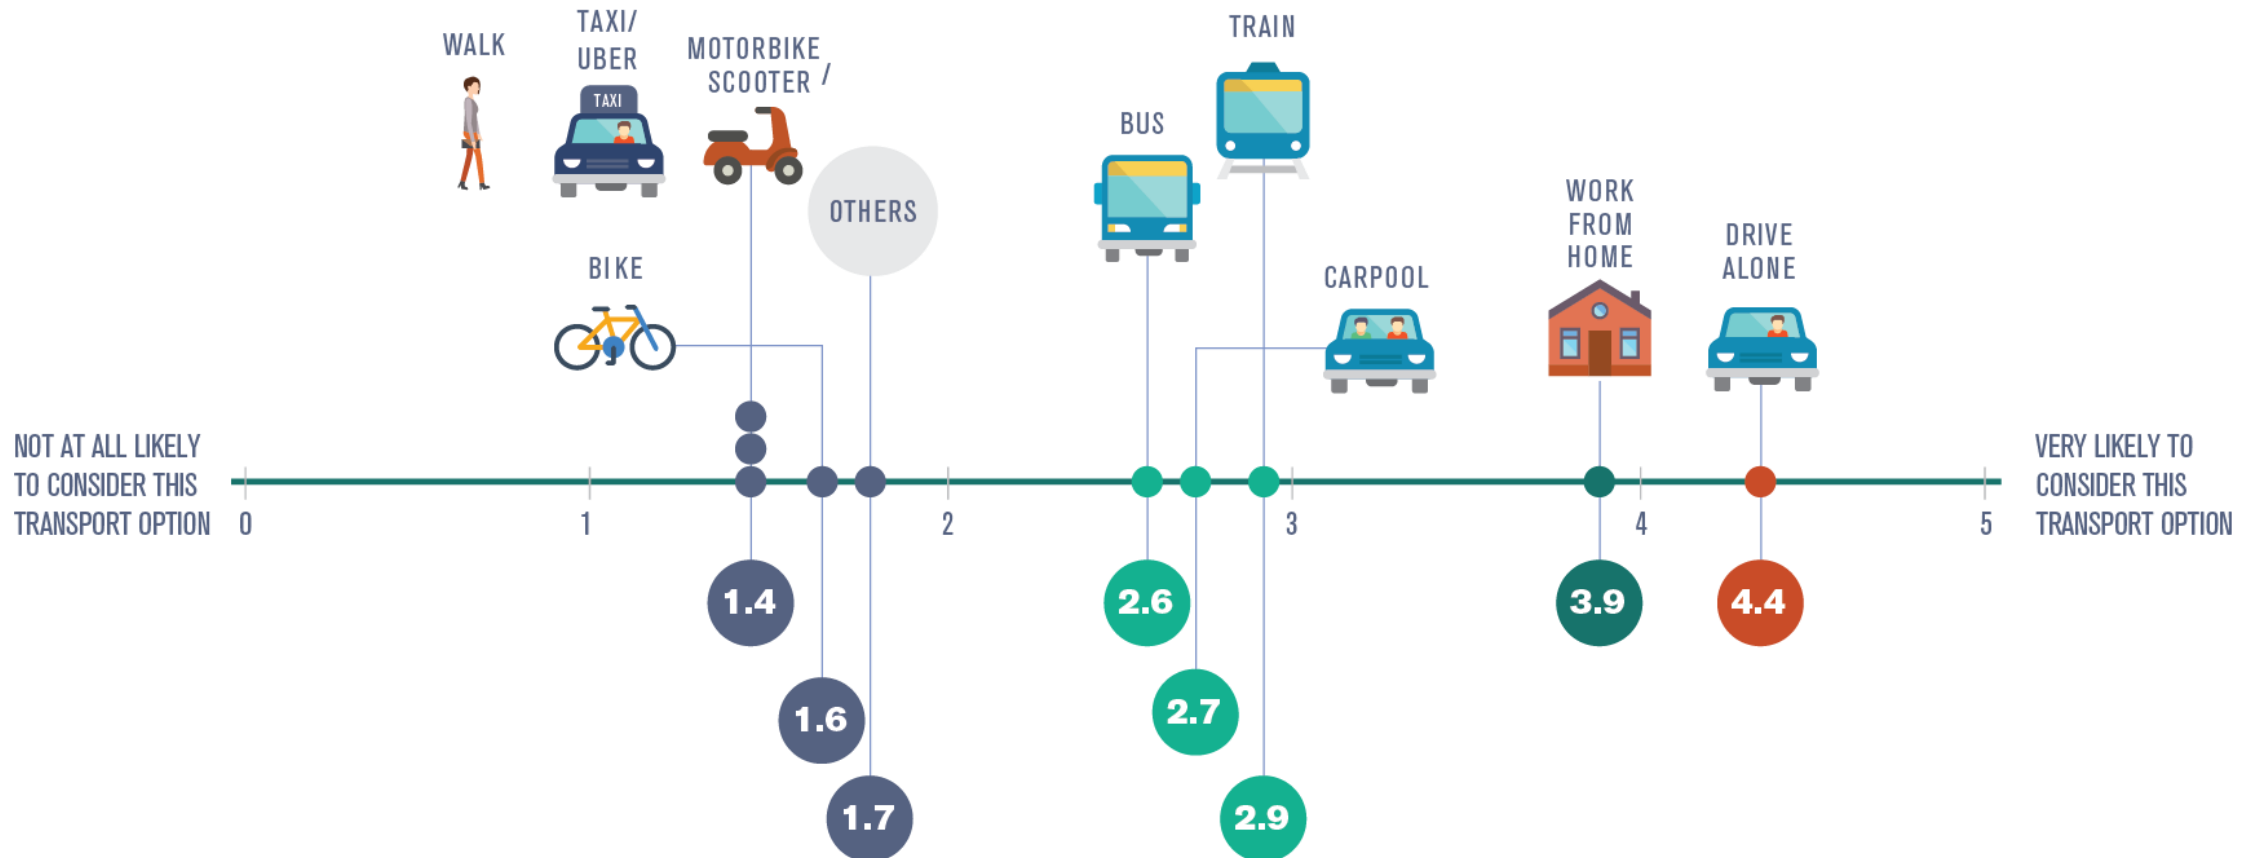

Timeline – Sydney Metro

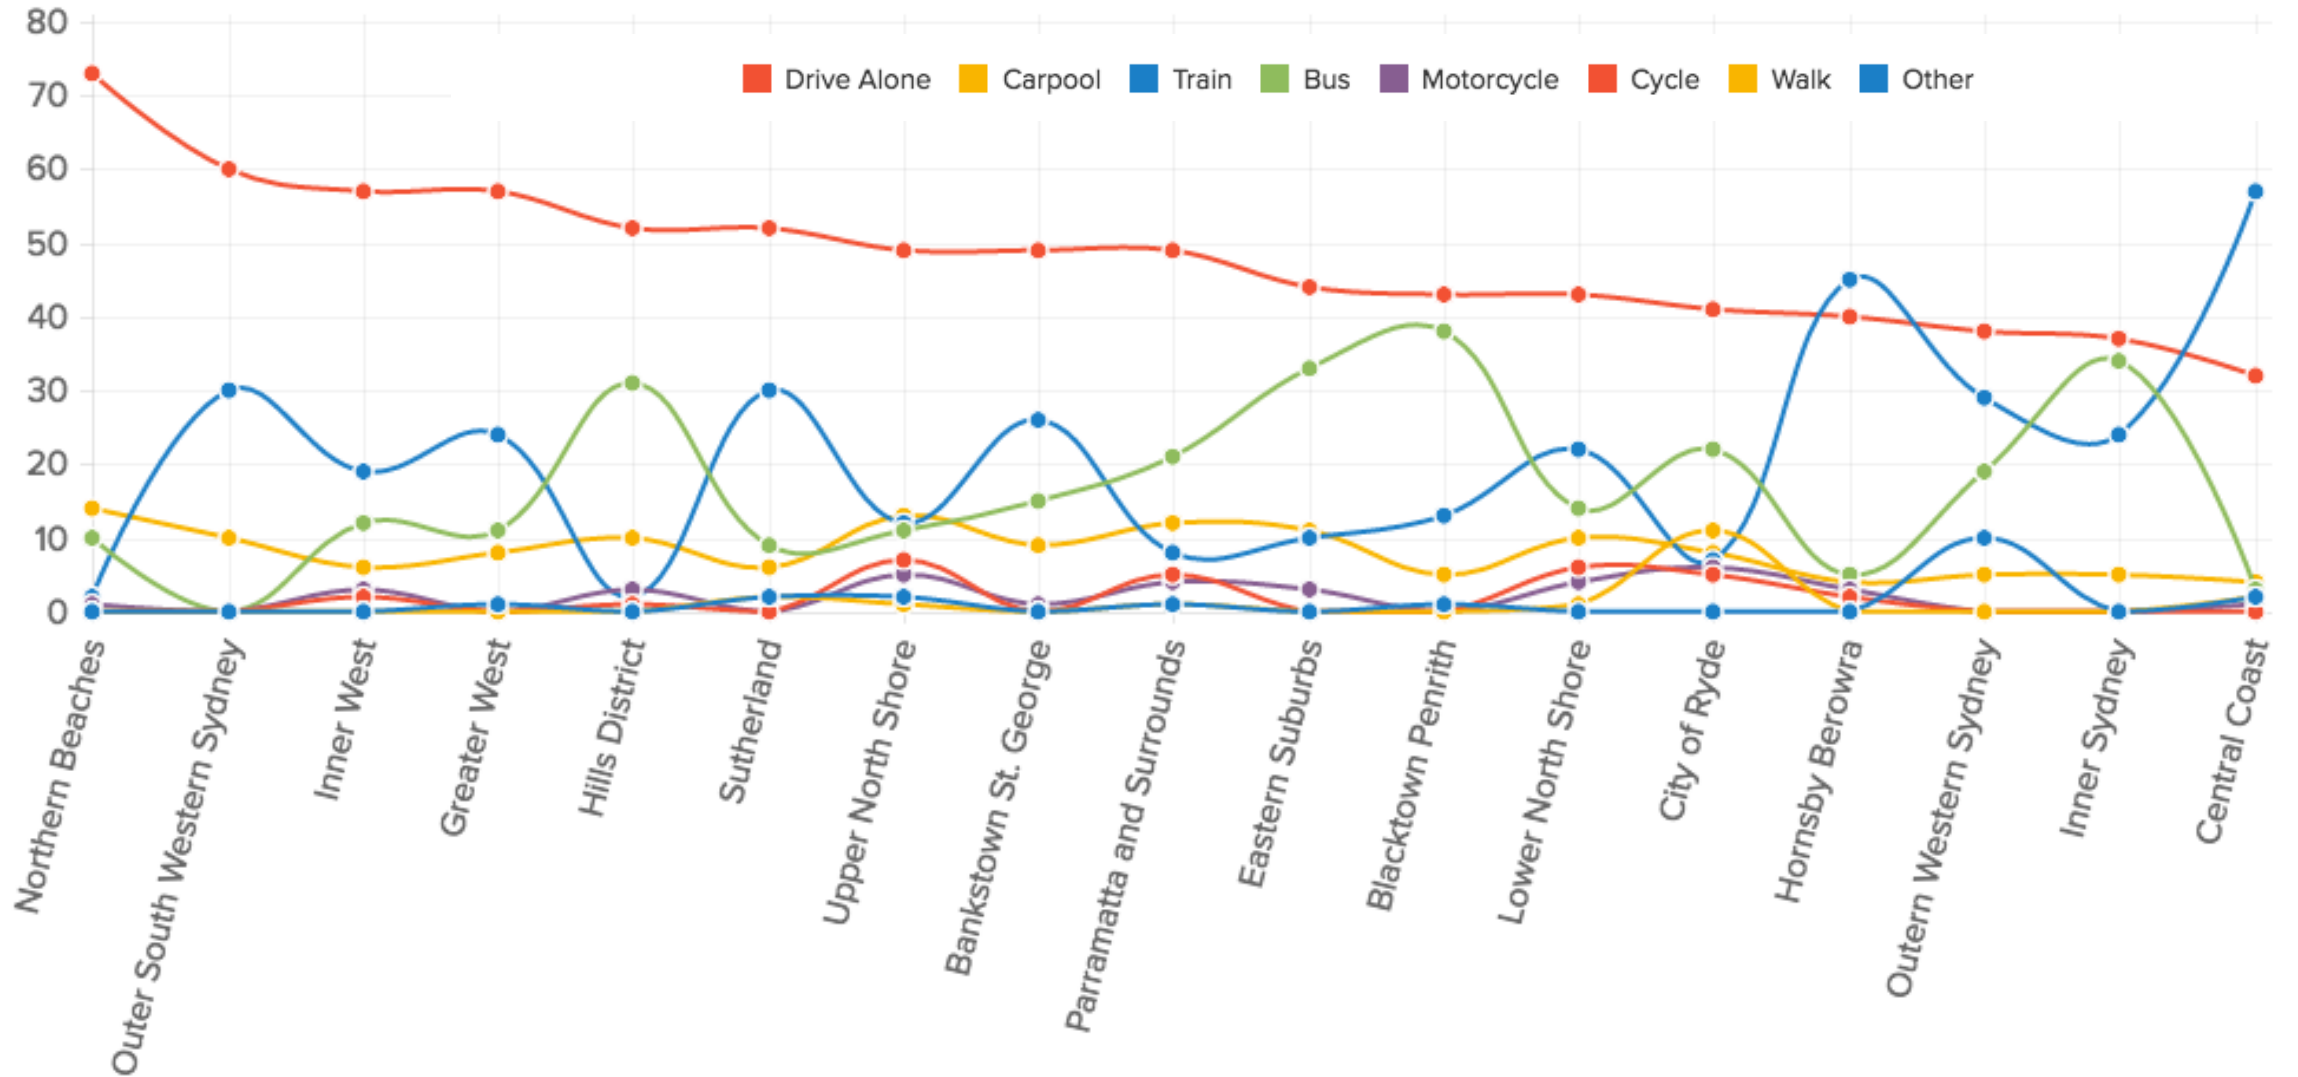

Our propensity to change

When we can't use the train – our 1st choice is to drive-alone to work.

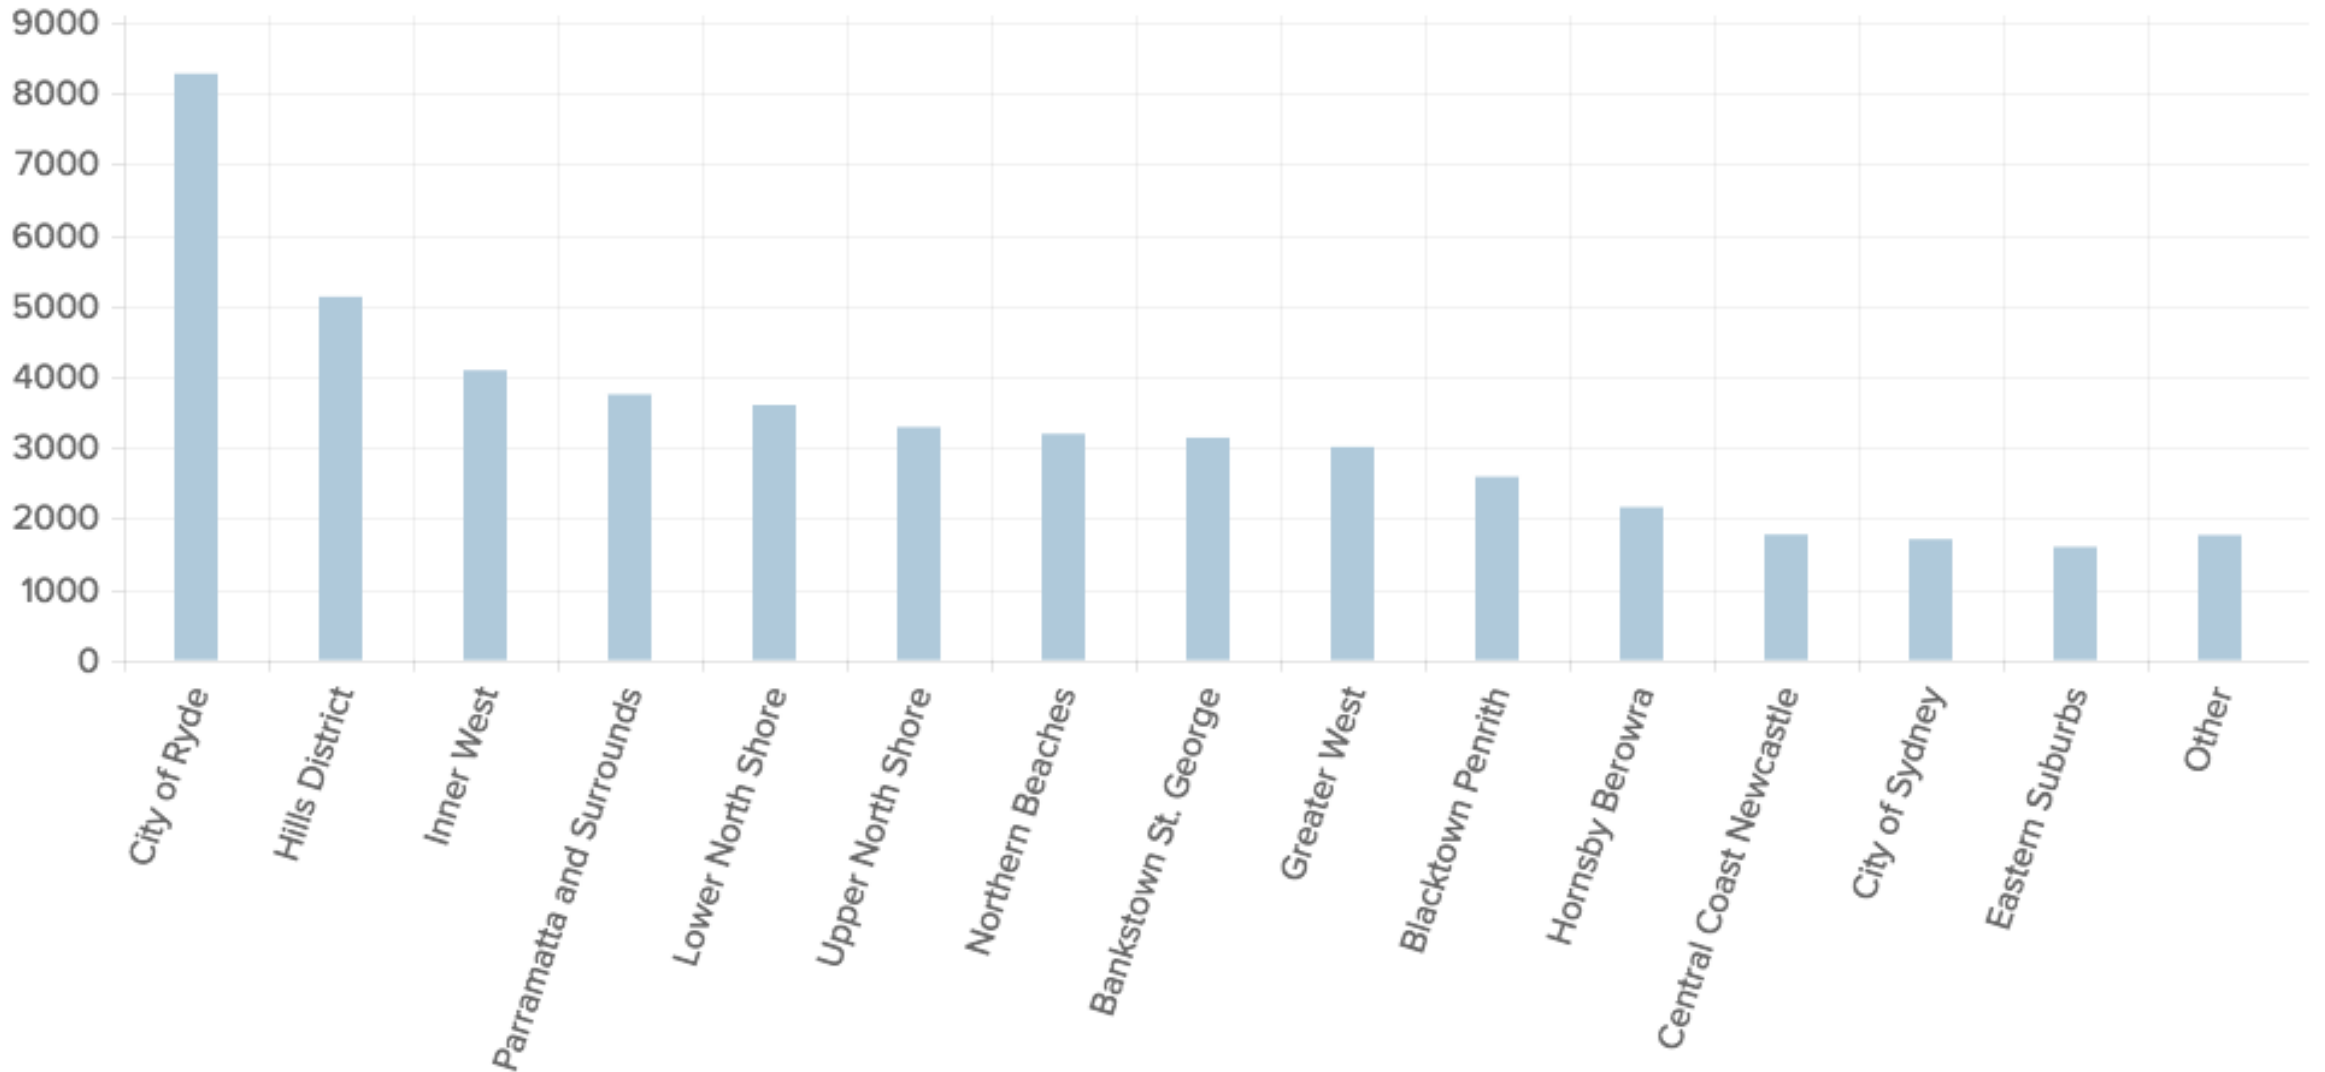

Working from home, car-pooling and catching the bus are all great options commuters are willing to consider.

Most of us drive-alone

17% travel from CoR

BOC have made big changes

FEWER EMPLOYEES DRIVING

12.1%
