Macquarie Park Transport Access Plan

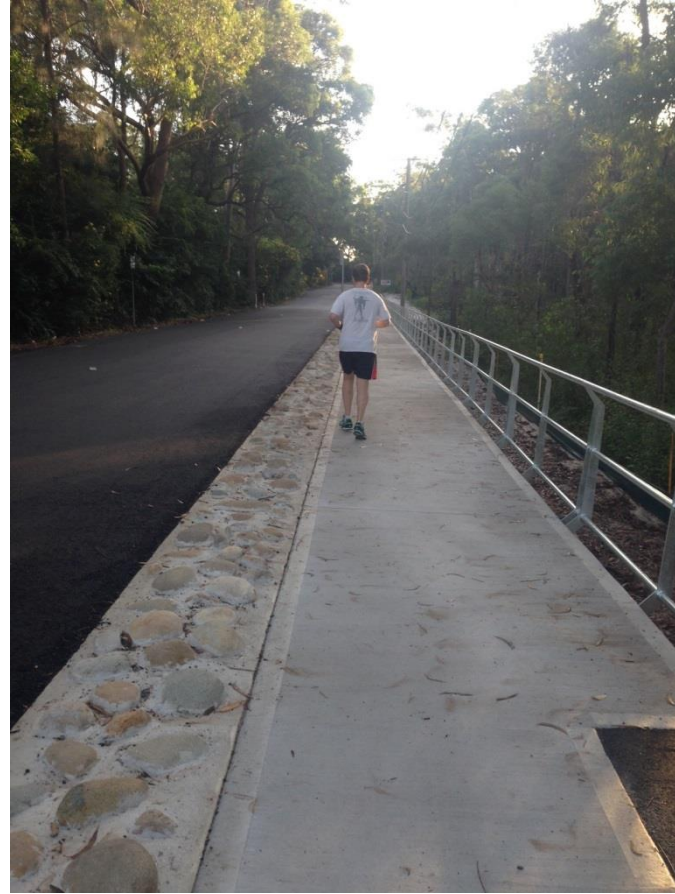

Sydney Metro

Australia's biggest public transport project

Macquarie Park Strategic Review

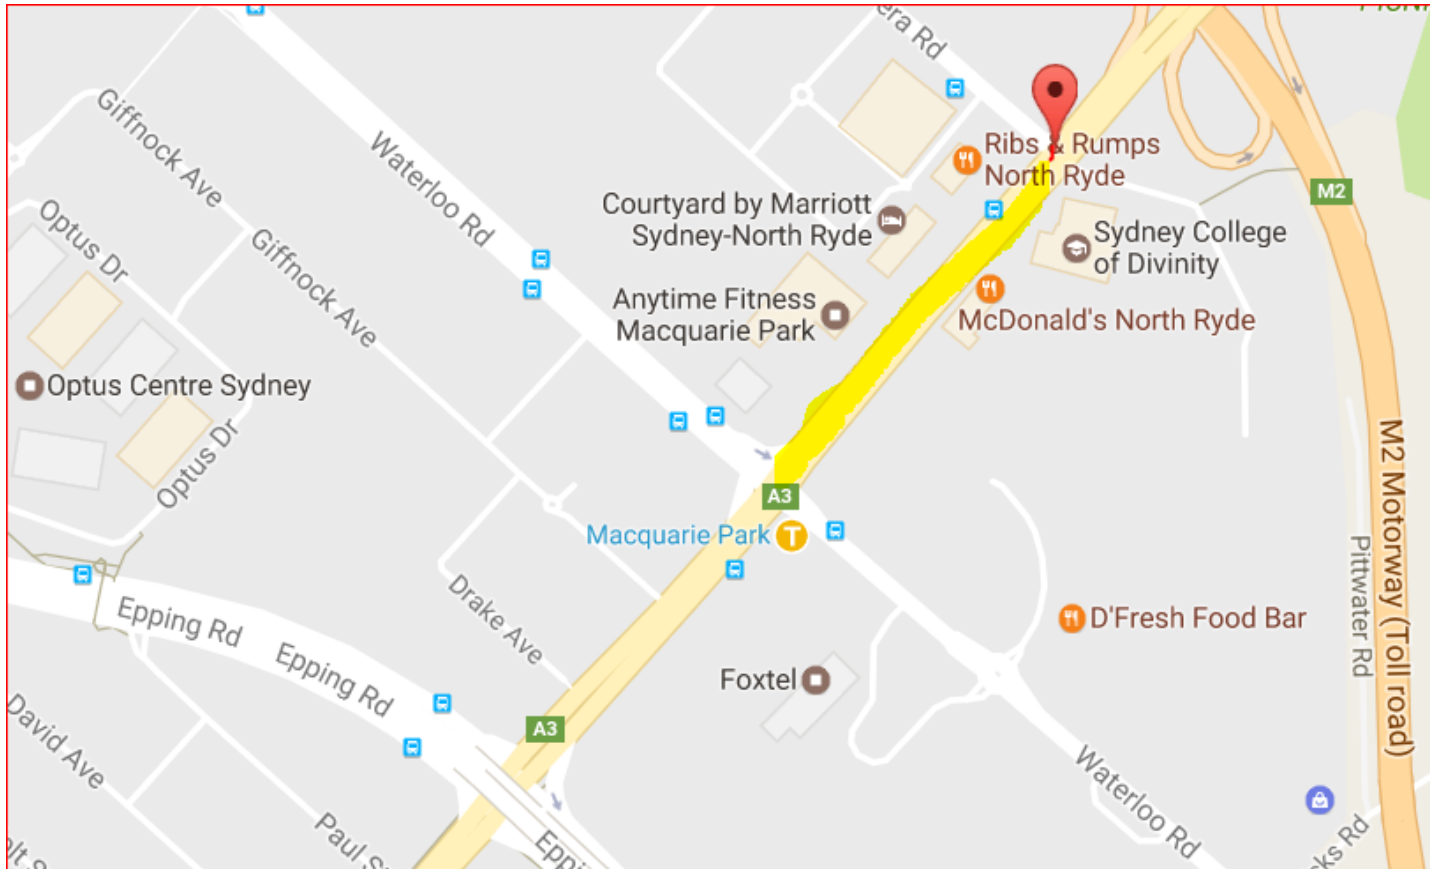

Macquarie Park Special Levy Project Update

Byfield St – Public Domain Upgrade

Gateway Treatment

Multi function poles to be installed between Waterloo and Talavera Rds along Lane Cove Road

Short Term Car Parking Trial

Around 40 sites across Lyon Park, Byfield, Giffnock and Eden Park Drive

6 months trial – March to September

Parking Fees and Charges – 2017-18

The all day parking cap will be removed (currently all day charge \$18)

As per Council resolution 28 June 2016

Hourly parking rate will remain at \$3 /hr

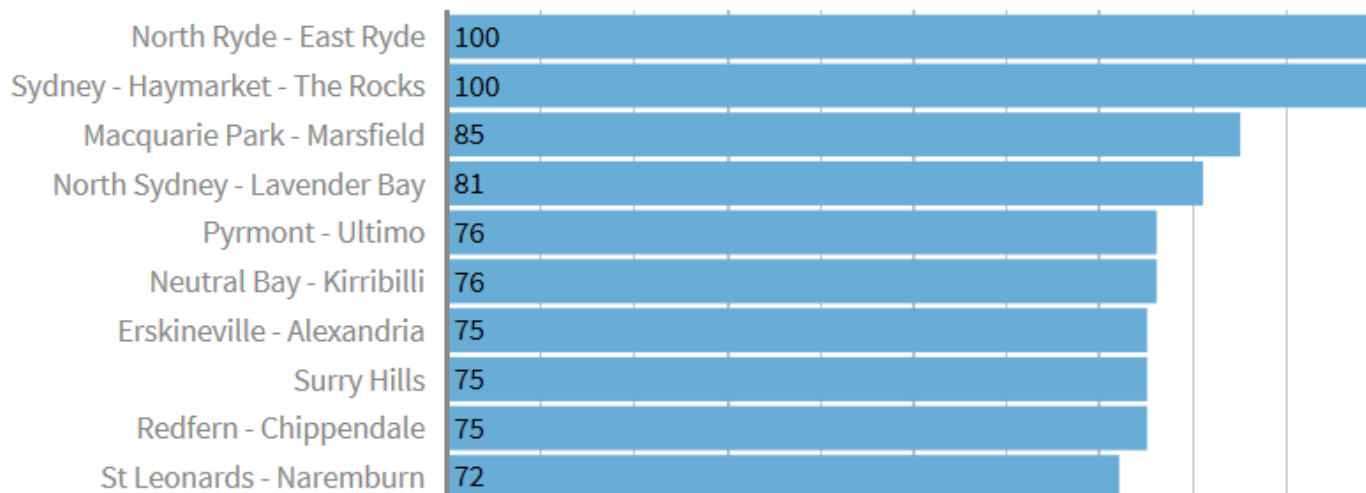

The community will be advised through an extensive communication plan

Effective July 2017

Macquarie Park – Innovation Hub

Innovative Sydney - top 25

Index: higher score = greater innovation.

- Within that arc are the city's most innovative districts, new research by Deloitte Access Economics shows. (April 27 2017)
- Sydney's CBD and the Macquarie Park-Ryde district topped the list of innovation hotspots followed by North Sydney, Pymont, Surry Hills and Neutral Bay.

Marketing of Macquarie Park

- Snapshot of New Businesses in Macquarie Park – Q3 2017
- Community of Practice – Manufacturing Group
- Chinese Trade/Investment Delegation – June 2017
- WiFi and Internet of Things – Shrimptons Creek – Macquarie Park
- Macquarie Park Marketing Plan
