ECONOMIC DEVELOPMENT POLICY AND PRECINCT ACTIVATION

## Greater Sydney Commission

10 Sep 2020

The Greater Sydney Commission, the independent NSW Government agency leading strategic metropolitan planning, has been tasked by the Premier to lead the accelerated delivery of key economic and innovation precincts across Greater Sydney.

Chief Commissioner, Geoff Roberts AM, said today the four key precincts are:

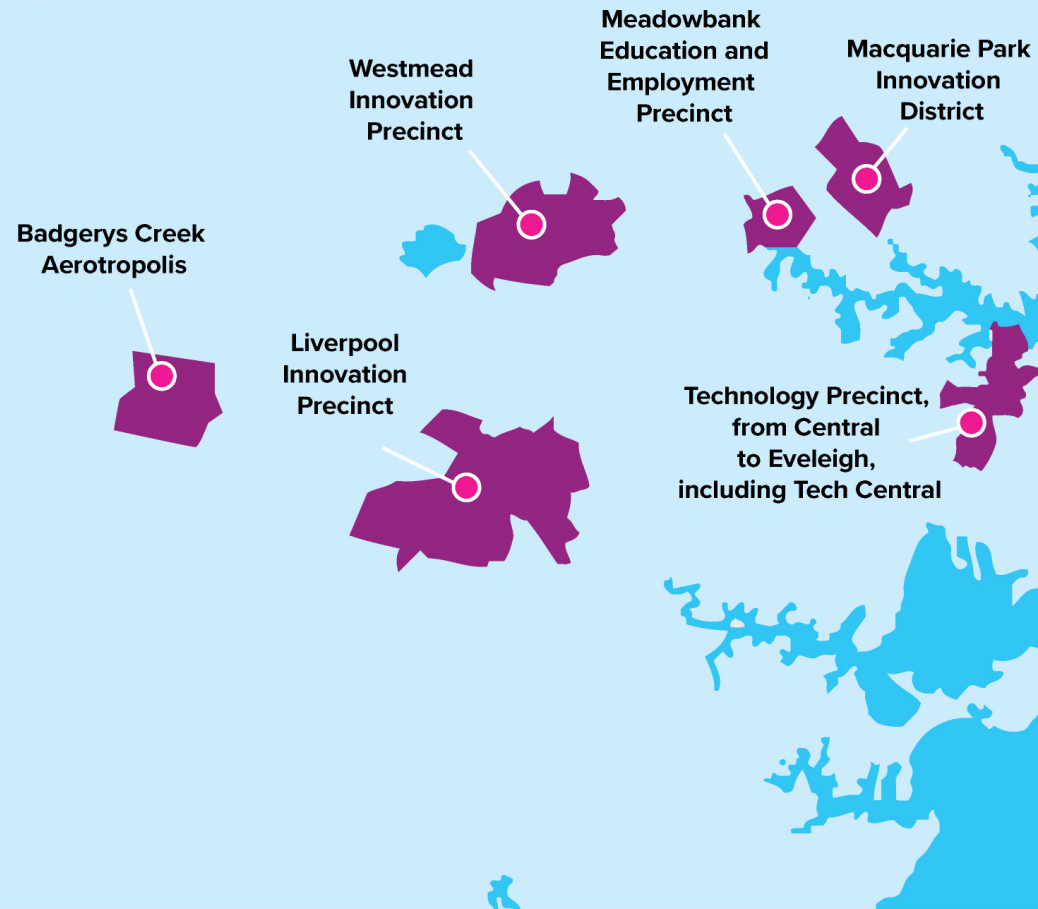

- Technology Precinct, from Central to Eveleigh, including Tech Central
- Westmead Innovation Precinct, including Parramatta North
- Macquarie Park Innovation District
- Meadowbank Education and Employment Precinct

"These precincts are the foundation for growing Greater Sydney's capacity as a centre for innovation, attracting top businesses from around the world and creating new jobs and opportunities for the people of our metropolis of three cities," Mr Roberts said
