Year of the Tiger

Phillip Ward OAM, City of Ryde Mayor, Clr Jordan Lane, Julie Hill and Kimberley Anne Spencer at the Citizen of the Year ceremony.

### CONGRATULATIONS TO OUR CITIZENS OF THE YEAR

Congratulations to Phillip Ward OAM who was named City of Ryde 2022 Citizen of the Year during a special ceremony at Lachlan's Line on Australia Day.

Mr Ward has devoted his life to supporting local youth across the City of Ryde and improving the local environment, and his award is recognition of his hard work and dedication.

I would also like to congratulate Kimberley Anne Spencer who was named 2022 Young Citizen for her volunteer work for a large number of local community organisations, as well as Julie Hill who received a Special Commendation for her tireless efforts in the disability sector.

It was also an honour to attend my first Citizenship Ceremony as Mayor, even in a virtual capacity, in which 56 local residents became Australian citizens.

I would like to thank Council's events team for all their efforts on Australia Day and helping ensure the health and safety of everyone who took part in the day's events.

### MEADOWBANK PLAYGROUND OPENING

Join us to celebrate the official opening celebration of our newest playground at Meadowbank Park on Saturday 19 February.

There will be plenty of entertainment and the West Ryde Rovers Sports Club will host a BBQ with food for purchase.

Located alongside our award-winning Meadowbank Skate Park, the exciting new regional playground is more than 3,000 square metres and accessible and inclusive to children of all abilities. A new amenities building has also been constructed and will service sporting user groups and visitors to the new playground.

The new playground and amenities building would not have been possible without the support of the NSW Government, which helped construct both facilities through the Stronger Communities Fund.

### DRAFT INTEGRATED TRANSPORT STRATEGY 2041

Time is running out to have your say on the City of Ryde's Draft Integrated Transport Strategy 2041.

The draft strategy explores the future of local transport and land use with the ultimate aim to make it easier to move around our City without the need to use a private vehicle.

A key aspect of the draft strategy is the detailing of 58 new transport projects that are proposed to be delivered between now and 2041.

These projects include new cycle paths, pedestrian infrastructure and public transport options.

Community consultation on the draft strategy closes on Sunday 6 February.
