

APPLICATION TO INSTALL A COOLING WATER SYSTEM

LEGIONELLA CONTROL IN COOLING WATER SYSTEMS

About this form

The *Public Health Regulation 2012* (the Regulation) requires occupiers to ensure that their local government authority is notified of the following changes to their cooling water system and warm water system: notification of installation (within one month), change of occupier (within one month), and any change in particulars (such as change in occupier, within seven days). Notification is also required for warm water systems installed in public hospitals, declared mental health facilities, private health facilities, and nursing homes.

This approved form must be completed in accordance with section 31 of the *Public Health Act 2010* and clause 13G, 13T, and 13Y of the *Public Health Regulation 2012* (the Regulation). Further information on the process and timeframe for notification is provided in the *NSW Guidelines for Legionella Control in Cooling Water Systems*, available at www.health.nsw.gov.au/environment/legionellacontrol
